CITY OF PALM COAST
DEVELOPMENT ORDER APPROVAL
TECHNICAL REVIEW EARLY START PLAN

On 9/19/2025, The City of Palm Coast issued this Development Order relating to and touching and concerning the following described property:

Part of Government Section 29, 30, 31 and 32, Township 12 South, Range 31 East, Flagler County, Florida

(The aforementioned property description has been provided to the City of Palm Coast by the owner of the aforescribed property.)

FINDINGS OF FACT

Property Owner: KL SEMINOLE TRACE LLC
105 NE 1ST STREET
DELRAY BEACH, FL 33444

Application No.: 6411

Project Name: SEMINOLE TRACE PHASE 1A

Project No.: 2025050111

Requested Development Approval: Early Start Homes

The Development Approval sought is consistent with the *City of Palm Coast Comprehensive Plan* and will be developed consistent with and in compliance to applicable land development regulations and all other applicable regulations and ordinances as set forth in the *Code of Ordinances of the City of Palm Coast*.

The Owners have expressly agreed to be bound by and subject to the development conditions and commitments stated below and have covenanted and agreed to have such conditions and commitments run with, follow and perpetually burden the aforescribed property.

ORDER

NOW, THEREFORE, IT IS ORDERED AND AGREED THAT:

- (1) The aforementioned application for Development Approval is **GRANTED**.
- (2) All development of the property shall fully comply with all of the codes and ordinances in effect in the City of Palm Coast at the time of issuance of a development order and/or development permit, including but not limited to, all impact fee ordinances.
- (3) The conditions upon this development approval and the commitment made as to this development approval, which have been accepted by and agreed to by the Owner of the property, is as follows:

ALL ITEM'S LISTED BELOW ARE FOR INFORMATIONAL PURPOSES:

- A). Conditional acceptance and activation of the water system must be provided by the utility development division of the utility department.
- B). Stabilize Road for portions of early start area as shown on the Exhibit A. Stabilized roadway must be able to handle emergency vehicles with a minimum 75,000 lb. apparatus /equipment weight. *Note: The shaded roadway area on Exhibit A has been paved.
- C) Fire hydrants must be painted with blue reflectors installed. City hydrants must be painted are blue and white er City Standards and private hydrants are orange.
- D) Any unauthorized and/or unmetered use of water or sewer facilities shall result in a fine for each offense and possible reporting to FDEP. The charges are as follows:
 - 1st occurrence inside city limits is \$250 outside city limits \$312.50
 - 2nd occurrence inside city limits is \$500, outside city limits \$625
 - 3rd occurrence inside city limits is \$750, outside city limits \$937.50
- E) A water truck/trailer may be necessary on-site to transport water throughout the site for construction purposes.
- F) Individual Home Sewer tie-ins shall not be permitted prior to approved sewer system activation, FDEP certification and utility department acceptance. However, sewer tie in for model homes may be permitted prior to utility department acceptance on a case by case basis.
- G) Street signs are required to be located at each intersection so that emergency vehicles can navigate the site.
- H) A certificate of occupancy will not be issued until all Site Development work is complete, final utility acceptance of the system has formally been noticed and the final plat has been recorded.
- I) In the event that this project is subject to SWPPP guidelines permits may be held until the site is fully stabalized as outlined in the approved SWPPP.

* *If construction issues arise (e.g., unauthorized use of water, etc.), the City has the right to hold future building permits and or construction until a remediation plan has been prepared by the builder and approved by the City.*

INFORMATION BELOW PROVIDED FOR FUTURE PERMITTING AND OCCUPANCY OF EARLY START HOMES

1. Applications for permits for early start homes may be applied for when authorized by Palm Coast Planning and when addresses are provided.
2. Early start home permits will be reviewed by all City reviewing departments in the same manner as regular home permits. Permits will not be issued until all reviews have been approved and all fees paid. Utility fees will be collected after the utility system has been approved and accepted by the development division of the city utility department.
3. Early Start homes shall not be physically connected to the City waste-water collection system and water distribution system until authorized by Palm Coast Utility. No water meter will be installed and water shall not be drawn through the service line until authorized by Palm Coast Utility Department.
4. Access shall also mean dead-end roads exceeding 150 feet in length are provided with a 52 ft. radius turn-around capable of accommodating full vehicle movement without backing up for the largest piece of Palm Coast fire apparatus - currently the Sutphen 236foot wheelbase

areal tower.

5. Stabilized access roads shall be maintained by the project developer and deficiencies observed by the Palm Coast Fire Department shall be promptly corrected to the satisfaction of the Palm Coast Fire Department.

6. At least one (1) fully functioning fire hydrant shall be provided and located within 600 feet (measured along roadway) of the front door of all early start homes and the fire hydrant is flow-tested and verified to provide the minimum required fire-flow(s) of 1,500 gpm with 20 psi residual pressure. More than one hydrant may be required to meet this standard. (Covers both 1 Hydrant for flow and 1 Hydrant for static) Prior notice will be provided by the developer/contractor to the site inspector as to when the fire hydrant flow test will be performed. Notice should be given 24-48 hours in advance and be coordinated and approved by the Utility Department.

7. Issuance of permits shall also conform to requirements of other City departments and divisions.

(4) This Development Order touches and concerns the aforescribed property and the conditions, commitments and provisions of this Development Order shall perpetually burden, run with and follow the said property and be a servitude upon and binding upon said property unless released in whole or part by action of the City of Palm Coast by virtue of a document of equal dignity herewith. The Owners have expressly covenanted and agreed to the provision and all other terms and provisions of this Development Order.

(5) The terms and provisions of this Order are not severable and in the event any portion of this Development Order shall be found to be invalid or illegal then the entire Development Order shall be null and void.

Done and Ordered on the date first written above.

As approved and authorized for execution by the City of Palm Coast, through administrative review.
