Background: This is a legislative item. <u>UPDATED BACKGROUND FROM THE JANUARY 2, 2024, BUSINESS MEETING:</u> This item was originally scheduled for the January 2, 2024, Business Meeting. City Council concurred to postpone the item to the January 16, 2024, Business Meeting. There have been no changes to the item. <u>ORIGINAL BACKGROUND FROM THE JANUARY 2, 2024, BUSINESS MEETING:</u> The City of Palm Coast received a request by the owner on October 2, 2023, to abandon the SR 100 Property Development of Regional Impact (DRI) and its associated development order. Since there was no development activity under the DRI which was approved in 2006, 2007 amendments, there is no mitigation that needs to be confirmed. On July 18, 2023, the City of Palm Coast City Council approved the Coquina Shores Master Plan Development Agreement; therefore, as of its effective date, the MPD Agreement governs all development of the SR 100 Property land. The MPD Agreement has superseded and replaced the DRI in its entirety and contemplated abandonment of the DRI. The process for abandoning a DRI is outlined in Florida Statutes 380.06(11) which requires a local government to file notice of the abandonment with the clerk of the circuit court in which the DRI is located. A DRI abandonment is only required to be heard by the City Council and the notice can be adopted by a simple resolution.		
Recommended Action: ADOPT RESOLUTION 2024-XX APPROVING THE ABANDONMENT OF THE STATE ROAD 100 PROPERTY DEVELOPMENT OF REGIONAL IMPACT
