Subject: RESOLUTION 2026-XX APPROVING A FLORIDA POWER & LIGHT AGREEMENT AND COST FOR THE RELOCATION OF TRANSMISSION POLES FOR THE OLD KINGS ROAD WIDENING PHASE II PROJECT																											
Presenter: Scott Kehoe, Traffic Engineer III																											
Attachments:																											
<ol style="list-style-type: none"> 1. Resolution 2. Florida Power & Light Agreement 																											
Background:																											
Council Priority:																											
D. Sustainable Environment and Infrastructure																											
<p>Florida Power & Light (FPL) will need to relocate a transmission pole as part of the construction phase for Old Kings Road Widening phase II. This pole must be moved for the roadway widening to be constructed. FPL has an existing easement for this pole to be placed within the right of way. The scope of work to accomplish this relocation includes replacing/installing potentially 3 transmission poles to support relocating structure 66H7 to avoid conflicts with a new roadway project.</p> <p>On February 4, 2025, Council approved a deposit in the amount of \$229,792.00 for FPL to commence the detailed design and estimating process.</p> <p>FPL has determined the total cost for relocation to be \$689,582.56. City Staff is requesting approval an agreement and remainder of cost in the amount of \$459,790.56 (<i>less the previously paid deposit of \$229,792.00</i>).</p> <p>Funds for this cost are budgeted out of the Transportation Impact fund for FY 26.</p>
