| <b>Department Division</b> | CITY ADMINISTRATION                                                                                                                                                                                                                                                                                                                                                 | <b>Amount<br/>Org/Account #</b> |
| <b>Subject:</b>            | PRESENTATION - LEGISLATIVE PRIORITIES                                                                                                                                                                                                                                                                                                                               |                                 |
| <b>Presenter:</b>          | Laura Boehmer, The Southern Group, and Kyle Berryhill, Interim Deputy City Manager                                                                                                                                                                                                                                                                                  |                                 |
| <b>Attachments:</b>        |                                                                                                                                                                                                                                                                                                                                                                     |                                 |
| <b>Background:</b>         | <p>The City of Palm Coast has a contract with The Southern Group to provide state lobbying services. Our registered lobbyist, Laura Boehmer, specializes in advocating for local governments. Ms. Boehmer will present an overview of the 2026 legislative session and describe key legislation that will affect local governments and residents of Palm Coast.</p> |                                 |
| <b>Recommended Action:</b> | <b>FOR PRESENTATION AND DISCUSSION</b>                                                                                                                                                                                                                                                                                                                              |                                 |
