Subject: RESOLUTION 2026-XX SUNSETTING THE BEAUTIFICATION AND ENVIRONMENTAL ADVISORY COMMITTEE (BEAC)		
Presenter: Phong Nguyen, PTP, Planning Manager		
Attachments: 1. Resolution		
Background: City Council adopted Resolution 2006-07, which created the Beautification and Environmental Advisory Committee (BEAC) and Ordinance 2006-03, which reorganized City Board and Committees. The purpose of the BEAC was to identify issues within the City of Palm Coast related to the beautification, scenic beauty, natural resource conservation, aesthetic enhancements, environmental protection and other related matters and to evaluate and consider activities, methods, projects and programs that could be implemented within the City to address the matters considered by the Committee and the issues studied by the Committee. On January 2, 2026, City Council adopted Resolution 2026-09 created the Parks and Recreation Advisory Board (PRAB) to consult with city departments and to advise and make recommendations to the City Council, City Manager and Parks & Recreation on matters relating to the arts, culture, history, recreation and parks activities and open spaces. The primary goals, projects, and overarching objectives originally assigned to the BEAC have successfully integrated into the scope of the Parks and Recreation Advisory Board. Staff recommends approval of sunseting of the BEAC and consolidating its advisory purview into the Parks and Recreation Advisory Board promotes administrative efficiency and enhances comprehensive long-range planning for the City. This is a legislative item.
