Subject: RESOLUTION 2026-XX APPROVING THE FISCAL YEAR 2027 FLEET REPLACEMENT/PURCHASE PROGRAM AND ASSOCIATED PURCHASE ORDERS FOR FLEET VEHICLES AND EQUIPMENT AS APPROVED IN THE FISCAL YEAR 2027 BUDGET

Background:

Each fiscal year, a comprehensive fleet asset assessment is conducted to ensure the City's fleet remains operationally efficient and cost effective. As part of this process, the Fleet Maintenance Division inspects all vehicles and equipment that have reached or exceeded their original estimated useful life. This year, 368 vehicles and equipment items met those criteria and were thoroughly evaluated.

Based on this assessment, vehicles and equipment identified as requiring replacement are included in the Fleet Replacement Schedule for the upcoming budget year. In addition to replacements, the Fleet Fund budget also supports the purchase of new vehicles and equipment needed to meet operational demands.

Staff recommends replacing 112 vehicles and equipment items, 53 of that total are golf carts grouped under control number ER27, ER29, ER30, ER31, and purchasing 13 new assets. To ensure the City obtains the best value for its investments, staff works closely with vendors each year to secure year end pricing and maximize cost savings.

To ensure timely and cost effective procurement, staff recommends utilizing existing competitively solicited cooperative contracts, governmental contracts, State Term Contracts, and other authorized procurement methods in accordance with the City of Palm Coast’s Procurement Policy. Due to high demand and extended lead times for some vehicle and equipment types, purchase orders will be issued promptly following approval.

The following procurement methods and contracts are proposed for the FY 2027 fleet purchases:

- Bradford County Sheriff's Office Contract BCSO 22-27-1.0
- Florida Sheriffs Association Contracts, including FSA25-VEH23.0 and FSA23-EQU21.1
- Sourcewell cooperative contracts
- Florida State Term Contracts for agricultural and lawn equipment
- TIPS Contract #250106
- Competitive quotes and single written quotes, as applicable
- Sole source procurement

Where an existing cooperative, governmental, or State Term Contract was not utilized, staff obtained quotes in accordance with the City's Procurement Policy. These procurement methods allow the City to obtain vehicles and equipment efficiently while maintaining competitive pricing, compliance with procurement requirements, and responsible use of public funds.

By utilizing these established contracts and authorized procurement methods, the City can acquire fleet assets more efficiently while ensuring the best value for taxpayers. This approach supports both operational readiness and fiscal responsibility.

The Fleet Fund budget is set to be approved by City Council as part of the FY 2027 Budget on September 23, 2026. Staff is seeking City Council's approval immediately following the adoption of the FY 2027 budget for purchasing fleet vehicles and equipment as approved in the Fiscal Year 2027 Budget for the Fleet Fund.

The Fleet Vehicle and Equipment Purchases for Fiscal Year 2027 are attached to the Resolution as Exhibit "A."

TOTAL AMOUNT FOR NEW EQUIPMENT AND REPLACEMENT EQUIPMENT	$4,260,065.00

(2023), as amended, and the Contractor will not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated. Contractor will also be liable for any additional costs to City incurred because of the termination of this Agreement in accordance with this section."

2. **Prohibition against considering social, environmental, political, or ideological interests in government contracting**

7. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement Term and following completion of the Agreement if SUPPLIER does not transfer the records to CITY; and
8. Upon completion of the Agreement, transfer, at no cost, to CITY all public records in possession of SUPPLIER or keep and maintain public records required by CITY to perform the Services herein. If SUPPLIER transfers all public records to CITY upon completion of the Agreement, SUPPLIER shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Notwithstanding any other provision of this Agreement to the contrary, failure to comply with the requirements of this paragraph shall result in the immediate termination of the Agreement, without penalty to CITY. A contractor who fails to provide the public records to CITY within a reasonable time may be subject to penalties pursuant to Section 119.10, Florida Statutes. Further, SUPPLIER shall fully indemnify and hold harmless CITY, its officers, agents and employees from any liability and/or damages, including attorney's fees through any appeals, resulting from SUPPLIER'S failure to comply with these requirements.

C. IF THE SUPPLIER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUPPLIER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CITY CLERK'S OFFICE AT 386-986-3713, cityclerk@palmcoastgov.com, 160 LAKE AVENUE, PALM COAST, FLORIDA 32164.

27	Describe the network of Authorized Sellers who will deliver Solutions, including dealers, distributors, resellers, and other distribution methods.	Dealer Network (Selling Agents): The backbone of our organization's roadmap relies on one of our greatest strengths. We have the strongest dealer channel in the small task-oriented vehicle industry. We have a premier group of dealers that have direct areas of responsibility, meaning that they are contractually obligated to sell and service in an "Area of Responsibility" (AOR). Each of these dealers are managed by our Club Car Regional Managers and all have "outside" sales representation as opposed to being retail only outlets, which is more common in the small wheel vehicle industry. Standard work for these dealer reps to call on all institutions of higher learning and public agencies within their AOR to listen to stakeholder's individual needs, and to recommend solutions. Our Club Car Regional Managers monitor the dealer's success based on the principles of premier service and continued development and support of their assigned territory. These assessments are constant and continuous, allowing us to work directly with dealers to share best practices, ensure quality service and to deliver superior solutions to our end users. Club Cars' expansive independently owned Authorized Dealer Network (selling agents) with locations throughout North America gives our customers the quick reliable service they deserve. Our Dealer technicians are factory trained and most locations have excellent parts stock on hand to better service our customers. See attached "Club Car Authorized Commercial Dealers - Sourcewell" PDF document for listing of our dealer network for US and Canada.	*

This information will be published as an internal bulletin in our Club Car Dealer Portal as well as provided in writing and focused on during all dealer training. They will work up a quote for the Sourcewell member. All documents will have the Sourcewell member number and the Club Car contract number. The dealer will review operating instructions with the customer and fill out the warranty registration within the Club Car system. Sourcewell members will pay the dealer for the purchase once invoiced. Notice of Final Award
FSA23-EQU21.0: Equipment

Date: October 1, 2023

To: Bidders and Purchasers

From: Hugh Oliver, Cooperative Purchasing Program Manger

Re: Notice of Final Award for FSA23-EQU21.0: Equipment

Florida Sheriffs Association (FSA) has completed its 21st year of the cooperative purchasing equipment contract. FSA is issuing the Notice of Final Award for contract FSA23-EQU21.0: Equipment that will be effective from October 1, 2023, through September 30, 2025. This year's bid included 453 items. The contract will offer construction, material handling, transportation, all-terrain and utility vehicles, and grounds care equipment.

The competitive process for this award began in May 2023, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On May 5, 2023, a direct notification was sent to 716 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 149 pre-bid attendees or waivers. Of these respondents, 85 submitted bids and 78 qualified. FSA has identified intended awardees in the attached Final Award Report. The Final Award Report shows up to three lowest bidders per item, per zone.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

Contract Amendment
FSA23-EQU21.0: Equipment
Addition of Repair and Replacement Parts

The Terms and Conditions of this Contract allow for modification via contract amendment as provided for in Section 1.23. Per Contract Terms and Conditions, Section 3.04, the FSA CPP reserves the right to add or delete any items from the contract when deemed to be in the best interest of FSA and purchasers, at its discretion.

FSA is amending the original contract to add a new section to Section 3.0 – General Conditions:

3.26 – REPAIR AND REPLACEMENT PARTS

FSA authorizes awarded vendors to sell repair and replacement parts. Parts and components pricing must include the administrative fee. If a vendor wishes to offer parts under this contract, the vendor must provide a price list to FSA and offer a discount below MSRP or list price for parts and components.

Vendors may provide pricing by submitting a parts pricing sheet to cpp@flsheriffs.org. Vendors are encouraged, but not required to use the template.

Items listed below are required for the submission of the pricing sheet:

- *Description*
- *MSRP or List Price discount percentage*
- *Exceptions to discount provided*
- *Quantity discounts*

Please sign and return this Contract Amendment along with a completed pricing sheet. Awarded vendors who do not respond will not be authorized to sell parts until FSA CPP receives a completed Contract Amendment Acknowledgement and a parts pricing sheet.

1.02 PURPOSE

In Process

The Florida Sheriffs Association invites interested Bidders, including manufacturers and dealers or authorized representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized dealers for contract terms specified under Section 1.03 for the purchase of items on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for Contracts FSA23-VEL31.0 Pursuit, Administrative and Other Vehicles and FSA23-VEH21.0 Heavy Trucks and Buses shall remain in effect for one year from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of these contracts begins October 1, 2023, and ends September 30, 2024.

The term for Contract FSA23-EQU21.0 Equipment shall remain in effect for two years from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of this contract begins October 1, 2023, and ends September 30, 2025.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 JURISDICTION

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

The Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any Bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

- Evaluate whether small, minority, and women's businesses are potential sources,
- Place those qualified small and minority businesses and women's business enterprises on solicitation lists, and
- Search the Small Business Administration, Minority Business Development Agency, and Labor Surplus Area reports for additional potential sources.

Bidders self-certify in the qualification packet whether they meet the state and federal definitions of a small business, minority-owned small business, women-owned small business enterprise, and disadvantaged business.

In Process

1.17 ANTI-DISCRIMINATION

Bidders should not rely on representations, statements, or explanations other than those made in this Invitation to Bid or in any written addendum to this Invitation to Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or eligible users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA CPP by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA CPP website on the date indicated on the Bid Calendar. Questions received during the cone of silence date listed on the bid calendar will not be addressed, except as provided herein.

Interpretation of the specifications or any solicitation documents will **not** be made to the Bidder verbally, and if any verbal clarifications are provided, they are without legal effect. FSA CPP will make every attempt to e-mail updates to registered Bidders. However, posting to the FSA CPP website or the Bid System constitutes proper notice of addenda.

The FSA CPP shall issue a Formal Addendum if substantial changes that impact the submission of bids are required. Any such addenda shall be binding on the Bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent Formal Addenda shall govern over prior Formal Addenda only to the extent specified. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgment of addenda to the Bid Specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, the FSA CPP may waive this requirement when in its best interest.

After the start of the contract term, FSA CPP will notify all Vendors of any addenda and will require acknowledgement of the new terms and conditions. 1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the Bidder, which offer shall be deemed accepted upon approval by the FSA CPP. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA CPP Bid System constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA CPP.

If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this contract, a successor-in-interest must perform all obligations under this contract. FSA CPP reserves the right to reject the acquiring entity as Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

In Process

In the event a manufacturer reassigns the product line to an alternate company, the Vendor is required to notify the FSA CPP in writing of the change within 10 business days of the reassignment. If the Vendor is not already an approved FSA CPP Vendor, the alternate company is required to submit a Qualifications Packet to the FSA CPP to become an approved Vendor *prior to* conducting any qualified sales. FSA CPP may approve such assignments of existing or new vendors at its discretion. The Vendor is required to honor the contract pricing and all of the applicable Terms & Conditions throughout the remaining term of the contract.

1.26 TERMINATION OF PRODUCT LINE

If a Vendor terminates a product line (manufacturer or brand), the Vendor is required to notify the FSA CPP within 10 business days of the decision not to retain the product line. FSA CPP may remove the terminated products from the contract.

1.27 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA CPP.

The FSA CPP may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA CPP in making the award.

FSA CPP may inspect the Bidder's facility prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services described in this Invitation to Bid.

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

1.28 VENDOR ABILITY TO PERFORM

The FSA CPP may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier, which is the actual source of supply. In these instances, the FSA CPP may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

During the contract period, FSA CPP may review the Vendor's record of performance and may require submission of supporting documentation to ensure that the Vendor is providing sufficient financial support, equipment and organization.

If the FSA CPP determines that the Vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract.

In Process

By responding to this Invitation to Bid, the Vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Vendor's ability to satisfy the obligations of a resulting contract. The Vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statues, or on any similar list maintained by any other state or the federal government. The Vendor shall immediately notify the FSA CPP and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.29 FINANCIAL RESPONSIBILITY

Bidder affirms by the submission of the bid and by signature on the contract signature form that the Bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all items bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.30 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

1.31 NONCONFORMANCE

Items may be tested for conformance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the Vendor's expense.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with Vendor.

1.32 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practicable after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of Bidders' products or services.

In Process

1.33 TIE BIDS

FSA CPP has the right to award multiple Bidders the primary or alternate award in the event of a tie. In the event the FSA CPP desires to break tie bids, and businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder within the State of Florida
- Vendors' performance record with purchasers
- Coin Toss

1.34 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA CPP to readily identify Vendor's sales. FSA CPP and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible user information, whether kept by or under the control of the Vendor, including, but not limited to those kept by its employees, agents, assigns, successors, sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to purchase orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful Bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this contract and for a period of three (3) years after the completion of this contract. At the Vendor's expense and upon written notice from FSA CPP, the Vendor shall provide such records for inspection and audit by FSA CPP or its authorized representatives. Such records shall be made available to FSA CPP during normal business hours within three business days of receipt of the written notice. FSA CPP may select the Vendor's place of business or offsite location for the audit. The FSA CPP may also request the Vendor provide requested records via e-mail.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assigns, successors, and third-party suppliers, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies underreporting, overpricing or overcharges (of any nature) by the Vendor to FSA or a purchaser in excess of three percent (3%) of the total contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the Vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

In Process

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.35 LICENSES AND PERMITS

The Bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and any resulting contract. Where Vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the Vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance.

The Bidder must, by the time of award, be registered to do business in the State of Florida on SunBiz.gov.

1.36 PERFORMANCE BONDS

Purchasers may request a performance bond from a Vendor. Performance bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or Bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 INDEPENDENT PREPARATION

A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Bidder as to any matter related to the bid each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit, or not submit a bid.

Bidders or Vendors who are found to have engaged in these acts will be considered nonresponsive and will be suspended or barred from bid participation. Any contract award resulting from these acts may be terminated for

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

default. Further, any such acts detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without violating this provision if the bid submitted is not from the same manufacturer and product line. Dealers that share the same ownership may submit multiple bids without violating this provision if the Bidders are not in the same region featuring the same manufacturer and product line.

1.39 DEFAULT

In case of default on the part of Vendor, the FSA CPP may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked Bidder or from other sources. A defaulting Vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.40 PROTESTS AND ARBITRATION

In Process

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA CPP within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any Bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA CPP will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful Bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA CPP within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA CPP provided at the time of filing the initial protest. Failure to provide written notice to FSA CPP, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the Bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.41 NONPERFORMANCE

By virtue of the bid submission, Bidder acknowledges its obligation to sell items in all zones for which it is awarded. Upon award, failure of the Vendor to comply with these requirements may result in the imposition of liquidated damages of up to $1,000 per item, which amount the Vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA CPP's discretion.

The Vendor shall at all times during the contract term remain responsive and responsible. In determining Vendor's responsibility, the FSA CPP shall consider all information or evidence that demonstrates the Vendor's ability or willingness to fully satisfy the requirements of the Terms & Conditions.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA CPP at its sole discretion may remove a noncompliant Vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by items or zones, or other actions as determined by FSA CPP at its sole discretion.

At FSA CPP's discretion, Vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result termination from the existing contract and future competitive bid solicitations at the discretion of the FSA CPP.

In situations where there is evidence that the Vendor has engaged in egregious breaches of the contract with respect to either the FSA CPP and/or the purchaser, the contract can be terminated and the Vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA CPP.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or Vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

Any Vendor presented with a valid Purchase Order consistent with Vendor bid quotes or other agreed upon terms and pricing is required by this contract to accept such purchase order and deliver the product. Purchase Orders must be fulfilled whether or not the Purchase Order includes options. The Vendor must deliver this product in accordance with the Terms & Conditions – regardless of whether doing so will provide the Vendor with a profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue a new Purchase Order with another Vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA CPP may seek damages for nonpayment of administrative fees, to which FSA CPP is entitled, according to Section 3.28, and any attorney's fees incurred in the recovery of these damages.

1.42 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract, which shall remain in full force and effect and enforceable in accordance with its terms.

In Process

1.43 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the Vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA CPP shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the Vendor and unless the deficiencies are corrected within 10 business days, the contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA CPP, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In the event of a termination for cause, the purchaser shall compensate the successful Bidder in accordance with the contract for all services performed by the successful Bidder prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the default.

Notwithstanding the above, the Vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the Vendor, and the FSA CPP may reasonably withhold payments to the Vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the Vendor is determined.

1.44 TERMINATION WITHOUT CAUSE

The FSA CPP can terminate the contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective 30 calendar days following receipt by Vendor of such notice.

In the event of a termination without cause, all finished or unfinished documents and other materials shall be properly delivered to the FSA CPP.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balance of the contract or cancellation charges.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

Any payments to the Vendor shall be only to the total extent of the purchaser liability for goods or services delivered prior to the date of notice to terminate the contract.

1.45 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The FSA logo is an official logo of the Florida Sheriffs Association designed to promote the program. The logo may be used by Vendors in accordance with this policy. Use of the logo is limited to the original version received from the FSA. Modifications are not permitted.

Methods of use include, but are not limited to:

- Electronic mediums such as websites, digital marketing campaigns, social media and e-mail; or
- Print media such as forms, marketing campaigns, business cards, posters, banners, brochures, flyers and postcards.

Vendors may request use of the logo by contacting cpp@flsheriffs.org, and should include a brief description of how the Vendor intends to use the logo. The official FSA sheriff's star and wreath logo may not be used without prior written permission.

2.03 INSURANCE AND INDEMNIFICATION

Bidder/Vendor shall be fully liable for the actions of its agents, employees, partners, or third party suppliers and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Bidder/Vendor, its agents, employees, partners, or third party suppliers; provided, however, that the Bidder/Vendor shall not indemnify for that portion of any loss or damages resulting directly from the negligent acts or omissions of the Florida Sheriffs Association and participating agencies or proximately caused by intentional wrongful acts or omissions of the Florida Sheriffs Association and participating agencies.

The Florida Sheriffs Association and/or participating agencies shall give the Bidder/Vendor (2) the opportunity to take over and settle or defend any such action at Bidder's/Vendor's sole expense. When reasonable, the Florida Sheriffs Association will give the Bidder/Vendor written notice of an action or threatened action. Bidder/Vendor shall not be liable for any unreasonable cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies, in any legal action without Bidder's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

The Insurance Checklist summarizes the Bidder's/Vendor's insurance coverage obligations, if awarded. Certificates of Insurance, evidencing such coverages and endorsements as required herein, shall be provided no later than five (5) business days prior to the contract award date. The Vendor may not begin performance under the contract until such Certificates have been approved by the FSA CPP.

The certificate must state Bid Number and Title. FSA must be named as an additional insured for the duration of the contract.

The Vendor shall maintain comprehensive general liability insurance and general aggregate insurance in the amount and coverage levels specified on the Insurance Checklist.

The Vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the Vendor is acting as an independent contractor. The Vendor shall be responsible for the work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular contract. The Vendor at all times during the full duration of work under this contract, including extra work in connection with this contract, shall meet the requirements of this section.

The Vendor shall maintain automobile liability insurance including property damage covering all owned, non-owned, hired and scheduled automobiles, when used in connection with the delivery or service of this contract.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

The Vendor shall maintain insurance to cover garage operations in the amount specified on the Insurance Checklist when the garage is used to complete work on this contract.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of B+ or better per the AM Best Rating.

FSA CPP required insurance coverages must be maintained through the duration of the contract. Upon expiration of the required insurance, the Vendor must email updated certificates of insurance for as long a period as any work is still in progress. No change or cancellation in insurance shall be made without 30 calendar days written notice to the FSA CPP.

It is understood and agreed that all policies of insurance provided by the Vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract. All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure.

In Process

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

> *The Vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public and for all damages to the property per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the Vendor, his agents, servants, or employees, or through the mere existence of the project under contract.*

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The Vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The Vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The Vendor will secure and maintain policies of third-party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the Vendor and all third-party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the Vendor and all third-party suppliers of their liabilities and obligations under any section or provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third-party suppliers and of persons employed by them as they are for acts and omissions of persons directly employed by the Vendor.

The FSA can request, and the Vendor shall furnish proof of insurance within seven (7) calendar days of receipt of the written request from FSA. Should the Vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA CPP shall have the right to consider the contract breached and justifying the

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

termination thereof. If Bidder does not meet the insurance requirements; the FSA may consider alternate insurance coverage.

2.04 SPECIFICATIONS

All items covered by this Invitation to Bid and any resulting contract, and the specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the Bid System or FSA CPP item group specification.

The Base Item Specifications are contained in the FSA CPP Bid System, may be requested from FSA CPP, and are retained within FSA CPP's archive. As part of the bid submission, Bidders will be required to provide confirmation that the item bid meets the FSA CPP Base Specification. FSA CPP may reject bids that fail to provide confirmation that the item(s) bid meet the FSA CPP Bid Specifications.

FSA CPP develops the specifications with subject matter experts and publicly available information. However, FSA CPP does not have access to full details from the manufacturer and relies on Bidders to assist in this process. Bidders should immediately notify the FSA CPP of any inaccuracies in the specifications. All notifications of inaccuracies must be in writing.

In Process

If awarded a contract, Vendor(s) must offer and supply an item that either meets or exceeds all the requirements included in the applicable Bid Specifications, unless a purchaser specifically issues a Purchase Order for a base item and Option that differs from the Base Specifications. Failure of a Bidder to comply with these provisions will result in Bidders being held responsible for all costs required to bring the item into compliance with the contract specifications.

2.05 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA CPP Bid System.

2.06 MISTAKES

Bidders are expected to examine the Base Item specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the Bidder's risk.

2.07 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a Bidder may have to the Terms & Conditions must be documented in Bidder's submission. Exceptions to the Base Specifications at the time of the bid submission shall reference the item number, make and model. FSA CPP has the discretion to grant or deny, in whole or in part, the Bidder's requested exception, deviation or contingency to the specifications or Terms &Conditions. Bidder acknowledges that the bid may be disqualified if FSA CPP rejects the proposed exceptions.

2.08 EQUIVALENTS

Prior to the opening of the Bid System, Bidders may request item equivalents. The Bidder must submit the manufacturer name and model number (or product identifier) of each equivalent requested to FSA CPP. Complete,

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

descriptive, technical literature should demonstrate that the equivalent conforms with specification. If a bid uses equivalents without prior approval, the bid may be disqualified.

2.09 MANDATORY PRE-BID MEETING

Prospective Bidders are required to attend or participate in the **mandatory** Pre-Bid Meeting. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA CPP to clarify questions on the Terms & Conditions and to confirm all Base Item specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the Base Item specifications are finalized.

FSA CPP reserves the right to grant attendance exceptions to the mandatory meeting if the Bidder has requested authorization, agrees in writing to meet all the Terms & Conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.10 PRICES QUOTED – HEAVY TRUCKS AND BUSES AND EQUIPMENT INVITATIONS TO BID

In Process

Items and options should reflect the most complete price and be below MSRP and at a minimum should cover the cost of the item or option bid.

Prices quoted in the bid submission should reflect the final amount the Bidder can expect to receive for payment for the items bid for the duration of the contract, unless otherwise provided in the contract. Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening.

Each item, make, and model must be priced and bid separately. Prices must be inclusive of all the components included in the Base Specification.

Prices bid must include the administrative fee FSA CPP charges to administer the contract, as outlined in these Terms & Conditions. The administrative fee is three quarters of one percent (.0075).

Prices bid must be at least cost, be Free On Board (FOB) destination, and must include delivery to the purchaser.

Upon award, the Vendor has the authority to offer additional discounts based on prompt payment, quantity, as well as additional manufacturer or vendor discounts.

2.11 PRICES QUOTED – PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATION TO BID

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or "cost-plus", model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year's model, when the manufacturer changes price during the contract term, or when new items come to market.

Bidders shall provide a Bid Price and a Percent for each item bid. The Bid Price will be used to evaluate the lowest, responsive and responsible Bidder for each item and zone. The Percent will be used under an awarded contract to determine the cost-plus pricing for new year's models, when the manufacturer changes price during the contract

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

term, or when new items come to market. The FSA CPP will use the percent feature of the Bid System as the field to capture the percent above cost that the Vendor can expect to receive from the purchaser for the purchase of an awarded item.

The FSA CPP has the discretion to disqualify Bidders if the proposed Percent is excessive. In order to determine if Percent is excessive, FSA will compare the Percents proposed by Bidders for each item in each zone.

Prices and Percents bid for items and options should reflect the most complete item price, be below MSRP, and at a minimum should at least cover the cost of the item or option bid.

Prices and Percents bid must be at least "Item Cost", be Free On Board (FOB) destination, and must include delivery to the purchaser.

As used in this provision, “Item Cost” is defined as the factory invoice price for the item, the Original Equipment Manufacturer (OEM) destination and delivery to dealer, and the FSA Administrative fee, minus the OEM government pricing concessions specific to this bid, all manufacturer incentives, discounts, rebates, concessions and holdbacks.

In Process

As used in this provision, “Total Cost” is defined as the Item Cost, plus costs of dealer’s floorplan estimated operational expense, and costs of dealer for preparation, cleaning, and assembling, gas, and delivery to zone.

As used in this provision, “Bid Price” is defined as the Total Cost and profit.

As used in this provision, “Percent” is defined as the markup over Item Cost.

Bid Prices will be used as the initial publish pricing for awarded items. As windows open up for next year’s model, the manufacturer changes price during the contract term, or as new items come to market, FSA CPP will work with Vendors to update the published pricing for such items based on the awarded Percent, within a reasonable period of time. Vendors may accept Purchase Orders for such items in accordance with these Terms & Conditions before submitting updated published pricing to FSA CPP.

2.12 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES CONTRACT COST-PLUS-PERCENT PRICING

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or “cost-plus”, model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year’s model, when the manufacturer changes price during the contract term, or when new items come to market.

The Bid System provides each Vendors’ percent above cost at which the Vendor will sell such items. The Percent provided in the Bid System does not provide a percent discount for items bid.

If Vendor fulfills a Purchase Order at other than published pricing, at purchasers’ request, Vendor must provide documentation substantiating the Item Cost, as defined in section 2.11.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

2.13 OPTION PRICING – EQUIPMENT INVITATION TO BID

The Bidder shall offer discount below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any factory options included in the bid submission and quotes to purchasers, if awarded. FSA CPP requests Vendors include most frequently purchased scheduled, factory and aftermarket options in the bid.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create equipment that is entirely different than the FSA CPP Base Specification or are available as another specification bid on this Invitation to Bid.

Bidder must use proper factory codes for all factory options. Options available through the factory may be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive or if options listed are not available for the item bid. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes only when determining if pricing is excessive and will not be published.

Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately within the bid. For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

If a Bidder will offer registration and title services as a fee for service, the Bidder must include the administrative fee as a separate option (i.e., line item) for each item bid. *See* Section 3.21 for additional details. Government imposed fees should not be included in this option pricing.

No other additional charges or fees are admissible.

If options are not available as a stand-alone option, the Bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part or dependent of another option. Factory package options are allowable under this contract. Factory package options must be included in the options within the bid document and detailed specifically as to what components the package includes.

When calculating the price for a manufacturer's option requested in this bid that is not listed as an option in the manufacturer's order guide (i.e., model or engine upgrade), the Bidder must calculate the option price as the net difference between vendor cost on the representative base vehicle and the total MSRP of the requested option modifying the vehicle. A Bidder may bid less than this price, but at no time charge more than the calculation provided here.

The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the written Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP.

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

the Invitation to Bid. For example, a Vendor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

Purchasers are encouraged to negotiate option pricing with Vendors. Discounts can be provided beyond option prices listed in the contract. The additional discounts for each add option shall be decided by the Vendor.

The options will correspond to the specification or item number. Multiple options may be listed for each specification or item number bid. Therefore, Bidders that do not indicate the correct item number with the option information bid will not have options displayed for the item bid. If option pricing is not uploaded correctly, FSA CPP may require Bidders to correct the formatting of the options, but pricing may not be modified. Failure of the Bidder to make corrections may cause the bid to be rejected.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description and continue to describe the option being credited. For example, "Credit: one key fob" that corresponds with the price the Bidder will credit the purchaser.

In Process

Loose Equipment can be bid as an option and made available to purchasers for items originally purchased from this contract. For purposes of this provision, "Loose Equipment" is any item of equipment that attaches to the heavy equipment item(s) included in the awarded bid, such as different sized blades. Loose Equipment does not include accessories, such as additional keys.

2.14 OPTION PRICING – HEAVY TRUCKS AND BUSES AND PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATIONS TO BID

FSA CPP requests Bidders include most frequently purchased options in the Bid System. Option pricing must include the administrative fee. Bidders must provide a price for each option in addition to a percent below MSRP for factory-installed options or a percent above cost for other options.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes and will not be published.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create an item that is available as another item bid on this Invitation to Bid. The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Bidder must use proper manufacturer codes for factory options. Options available through the factory should be bid and supplied to purchaser as factory options, unless otherwise requested in writing by the purchaser. Factory

package options are permitted under this contract. Factory package options included in the bid submission must detail what components the package includes.

If a Bidder will offer registration and title services as a fee for service, government-imposed fees should be listed at the exact cost and shall not include the FSA administrative fee.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description field and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the Bidder will credit the purchaser.

For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet and option upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

2.15 EMERGENCY LIGHTS AND SIRENS

Prices submitted for emergency lights and sirens shall include all applicable government-imposed fees.

Bidders that install emergency lights and sirens are required to provide and install products that are Society of Automotive Engineers (SAE) certified. SAE Certifications must include Class 1, Class 2 and Class 3 in order to be eligible for participation in the contract. If a lighting or siren product installed on an emergency vehicle is not SAE Certified, the Vendor can be found in default of the contract.

2.20 LATE BIDS

The responsibility for submitting a bid before the due date and time on the bid calendar is solely and strictly the responsibility of the Bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

Determination of responsiveness will take place at the time of bid opening and evaluation. As set forth in Section 2.26, FSA CPP reserves the right to waive or allow a Bidder to correct minor irregularities.

2.23 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive. The FSA CPP will not request documentation or consider a Bidder's social, political or ideological interests in determining if the Bidder is a responsible bidder. FSA CPP will not give preference to a Bidder based on the Bidder's social, political, or ideological interests.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible. In determining a responsible Bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including on previous FSA contracts; and
- Any other information relevant to the responsibility of a Bidder of which FSA CPP is aware.

In addition to the requirements set forth by these Terms & Conditions, FSA CPP reserves the right to request staffing, performance and financial information from any Bidder during the evaluation process.

FSA CPP reserves the right to determine which responses meet the requirements, specifications, Terms & Conditions of the solicitation, and which Bidders are responsive and responsible.

FSA CPP further reserves the right to limit participation of Bidders who, in FSA CPP's sole discretion, are determined to present responsibility concerns that call into question the Bidder's ability to perform but that do not rise to the level of requiring rejection of the Bidder as non-responsible.

2.24 BASIS FOR AWARD

For the Heavy Trucks and Buses, and Equipment Invitations to Bid, the FSA CPP shall make awards to the qualified, responsive and responsible Bidder(s) who submitted the lowest priced bid by item, manufacturer, and zone. 2.26 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA CPP has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA CPP determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the Terms & Conditions of this procurement that does not affect the price of the bid or give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA CPP may allow a Bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA CPP may request a Bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA CPP will not request, and a Bidder may not provide the FSA CPP with additional materials that affect the price of the bid or give the Bidder an advantage or benefit not enjoyed by other Bidders.

The FSA CPP may also reject any bids not submitted in the manner specified in this document.

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. 3.04 ADDITIONS OR DELETIONS

FSA CPP reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and purchasers, at its discretion. This decision to take action may be based upon and not limited to few or no sales, product recalls and other safety issues, Vendor or manufacturer performance, or the product's lack of relevance.

For items that come to market during the contract term, FSA CPP may authorize qualified and awarded Vendors to offer the new item under the existing contract terms and conditions, if the manufacturer authorizes a Vendor to sell the item. FSA CPP will request awarded Vendors submit pricing and will evaluate the responses prior to authorizing awarded Vendors to offer the new item.

3.05 CONTRACT EXTENSION

Contract Extension
The contract may be extended by mutual agreement for up to two (2) additional years, on a year-to-year basis. FSA CPP reserves the right to execute a contract extension or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of FSA.

Any adjustment request received after the execution of an extension may not be considered unless otherwise provided for in this contract.

Month-to-Month Continuation
In the event a new contract is not active at the time of this contract's expiration, this contract's terms and conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the contract. Annual Price Adjustment

The FSA CPP may consider annual price adjustments due to:

- Changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS); or
- As a result of changes to national or state standards that require substantial price adjustments.

In Process

FSA CPP may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the manufacturer. The FSA CPP will consider the request and will make a final determination on the change in price.

Changes to Manufacturer Production or Design

Significant changes by the manufacturer to the production of and specification design may initiate a price adjustment request. FSA CPP will consider order dates, production factors, model year, or other conditions, as well as the replacement or complete redesign of items. Vendors must provide documentation from the manufacturer.

Manufacturer Certified Adjustments

Vendors must provide documentation from the manufacturer to FSA CPP that shows the additional costs or price adjustments imposed by the manufacturer and substantiate the need for a related price adjustment for this contract.

Purchase Orders received by the Vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase Orders issued and received after the production cutoff date will be subject to availability. In this case, the Vendor and manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the contract term. If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the items, FSA CPP may consider substitutions from the same manufacturer.

3.09 FACILITIES

The FSA CPP reserves the right to inspect the Vendor's facilities at any time with prior notice.

In the event of such a change, FSA CPP will provide written notice to all Vendors of the method by which future quarterly reports are to be submitted.

3.24 ADMINISTRATIVE FEE

The FSA CPP charges three quarters of one percent (.0075) to procure, process and administer the contract. The administrative fees are the contractual responsibility of each awarded Vendor.

After receipt of payment from contract purchases, the Vendor shall remit all administrative fees to the FSA CPP no later than 15 calendar days after the end of each quarter. All fees payable to the FSA CPP during any given quarter will be accompanied and supported by a quarterly report.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

The administrative fee will remain payable to FSA CPP and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a Vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any purchase order or invoice.

The administrative fee is based on the total purchase order amount of new items. This fee excludes any value given to purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA CPP that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

3.25 LIQUIDATED DAMAGES

The Vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered as a breach of contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the Vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA CPP within 15 calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of $25 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

When quarterly reports are late, liquidated damages are to be included in Vendor's Quarterly Report and administrative fee submission. Liquidated damages that remain unpaid beyond 45 calendar days can result in FSA CPP, at its sole discretion, implementing contract compliance actions, including but not limited to, suspension, limited participation by specifications or zones, disqualification from future solicitations, or termination for cause pursuant to the Terms & Conditions.

Schedule of Liquidated Damages

Failure to submit quarterly report on time	$25 per calendar day
Failure to submit administrative fee on time	$25 per calendar day
Failure to report a Purchase Order to FSA CPP within 15 calendar days of the purchase order issue date	$100 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA for the damages that it will incur as a result of the Vendor's failure to take the specified actions.

EQUAL EMPLOYMENT OPPORTUNITY: Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 CFR part 5).
(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.
(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).
(d) Subcontracts. Vendor shall insert in any subcontracts over $100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over $150,000.

DEBARMENT AND SUSPENSION (E.O.s 12549 and 12689): By accepting or performing this purchase order, Vendor certifies that it is not identified in the Exclusions area of the System for Award Management as being currently debarred, suspended, proposed for debarment, or otherwise excluded ("SAM Exclusion"). Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of $25,000 and Vendor shall not award lower-tier subcontracts in excess of $25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of $100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:
(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Transfer Switch: 600 Amp Automatic Transfer Switch

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Automatic Transfer Switch: Maximum voltage rating of 600 VAC, 60 Hz, 1Ph or 3Ph, open transition (break-before-make) transfer logic, transfer switch must meet the related industry standards: UL 1008- automatic transfer switches for use in emergency systems, CSA- automatic transfer switches, NEMA- industrial control and systems AC transfer switch equipment, IEC- automatic transfer switching equipment
- Rating: 600 amp, 3 pole, 277/480 VAC, 60Hz, enclosure type- NEMA 3r
- Functional: The automatic transfer switch shall automatically transfer the load to the generator supply in the event of a utility supply failure and return the load to the utility supply upon restoration. The automatic transfer switch power switching devices shall be mechanically and electrically interlocked to prevent the utility and generator supplies from being interconnected. All timers should be field adjustable to ensure proper field site compatibility.
- Automatic Sequence Of Operation: When the voltage on any phase of the utility supply is below present levels of rated voltage for a preset time delay, a contact shall close to initiate start of the standby generator. The load shall transfer to the generator supply when the generator voltage and frequency have reached acceptable present levels and the warm up time delay has expired. When the utility supply is restored to the above present levels of rated voltage on all phases, load transfer from generator to utility supply shall be initiated following expiry of the utility return timer. Once the transfer mechanism operates and opens the generator power switching device, the transfer mechanism shall stop in the neutral position (with the both power switching devices open) for the duration of the neutral delay timer setting to allow load voltage to decay prior to reconnecting the utility supply. The load shall be re-connected to the utility supply once the neutral delay timer expires and the transfer mechanism continues operation and closes the utility power switching device. The load shall immediately re-transfer to the utility supply (if within acceptable limits) should the generator supply fail prior to the expiry of the utility transfer delay. The generator set shall continue to operate following a load transfer for a cool down delay period, and then a contact shall open to stop the generator set. An “on load” test mode may be initiated which shall cause a simulated utility failure condition and transfer the load to the generator set. The transfer sequence shall be the same as for a utility power failure except a neutral delay sequence shall occur when transferring from utility to a generator source. The load shall immediately retransfer to the utility supply (if within acceptable limits) should the generator supply fail during an “on load” test mode.

- Factory Testing: A certified factory test report shall be shipped with each switch at time of shipment. The automatic transfer switch shall be factory tested prior to delivery to the purchaser. The following test shall be conducted by qualified factory personnel: visual inspection, mechanical tests, electrical tests, final inspection.
- Field Testing and Commissioning: The automatic transfer switch shall be field tested once installed at the project site to confirm proper operation of the system. Schedule and witness testing activities shall be coordinated with the project engineer, site contractor, and owner as required in advance of the testing date. A qualified local factory-trained field representative shall conduct the necessary test to ensure proper operation of the switch. Visual inspection-electrical and mechanical inspection to verify the installation is correct as recommended by the transfer switch manufacturer and as per National Electric Code (NEC) requirements. Mechanical tests- as a minimum, the following mechanical tests shall be performed on the transfer switch: power conductor torque verification, verification of mechanical interlock, manual ATS mechanism operation, all mechanical fasteners/wire connections tight, confirmations of correct transfer switch voltage, current and withstand ratings as is required for the application, Meggar testing the power cabling to the transfer switch, verification of correct power cabling phasing and phase rotation prior to energization, confirmation of settings for all timers & voltages sensors, full function test-normal operation- 3 complete cycles of failing the utility supply and transfer load to/from the generator set, verification of all test modes operates correctly.
- Conditions: In addition to equipment specified, each automatic transfer switch shall be equipped with all necessary equipment as specified by the manufacturer for this model and shall include but not be limited to the following necessary items: shrink wrap applied to the product to ensure a clean finish, one complete set of operation and maintenance manuals, a two (2) year or 1,500 hour from date of standard standby warranty will apply from date of successful startup, labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

Company ID Number: 1654139

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and EFE Inc (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

In Process

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

In Process

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the anti-discrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

In Process

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps
(see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance
(indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@uscis.dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

In Process

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin

E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

In Process

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

In Process

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

   a. Scanning and uploading the document, or

   b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

In Process

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

Docusign Envelope ID: A3D86B8A-EFC6-8A71-83EC-1838F22488D6

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

Sourcewell issued a public solicitation for Class 4-8 Chassis and Cabs with Related Equipment, Accessories, and Services from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires July 9, 2028, unless it is cancelled sooner pursuant to Article 22. This Contract allows up to three additional one-year extensions upon the request of Sourcewell and written agreement by Supplier. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

B. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

In Process

C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

In Process

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

- Identify the applicable Sourcewell contract number;

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

In Process

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM. Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum, the terms of which will be negotiated directly between the Participating Entity and the Supplier or its authorized dealers, distributors, or resellers, as applicable. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. TERMINATION OF ORDERS. Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the equipment, products, or services to be purchased; or
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements.

E. GOVERNING LAW AND VENUE. The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

A. PRIMARY ACCOUNT REPRESENTATIVE. Supplier will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Participating Entity inquiries; and
- Business reviews to Sourcewell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Supplier must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, sales data reports, performance issues, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Supplier must provide a contract sales activity report (Report) to the Sourcewell Supplier Development Administrator assigned to this Contract. Reports are due no later than 45 days after the end of each calendar quarter. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

In Process

The Report must contain the following fields:

- Participating Entity Name (e.g., City of Staples Highway Department);
- Participating Entity Physical Street Address;
- Participating Entity City;
- Participating Entity State/Province;

Line Item	Question	Response *	
46	Do your warranties cover all products, parts, and labor?	We have attached all Warranty information provided by all 15 manufacturers offered in our proposal as an added attachment.	*
47	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	Each manufacturer have there own usage restrictions that a member should be aware of. Such an improper use of a chassis may not allow it to be covered under warranty. For example, a F-250 being used for a police rated pursuit vehicle would void certain warranties. We encourage for each member to contact us for there particular warranty coverage.	*
48	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Yes, in some cases of a breakdown event, manufacturers would tow your vehicle to there nearest warranty repair facility.	*
49	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	Each manufacture is different, and we encourage prior to purchasing a product to call in and ask about your specific region and how it's covered.	*
50	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	All warranties are passed on to the original equipment manufacturer.	*
51	What are your proposed exchange and return programs and policies?	We offer no exchange, return programs or policies. Once an order is in production with the factory and NAFG can not cancel the order after trying to cancel with the manufacturer, then the order is non-cancellable.	*
52	Describe any service contract options for the items included in your proposal.	We offer any and all manufacturer service contracts to all members. There are several parameters which a customized service contract can be created. NAFG will treat each of these as an added factory option and follow the same discount schedule in the price file.	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *	
53	Describe your payment terms and accepted payment methods.	Payment terms are Net 20, with a 10-day grace period.	*
54	Describe any leasing or financing options available for use by educational or governmental entities.	NAFG has partnered with National Cooperative Leasing to offer Sourcewell Contract Lease Terms to all NAFG Quotes for all Sourcewell Members. We have attached a PDF called "NCL Sample Lease" in the Zip File Called "Member Walk Through"	*
55	Describe any standard transaction documents that you propose to use in connection with an awarded contract (order forms, terms and conditions, service level agreements, etc.). Upload a sample of each (as applicable) in the document upload section of your response.	We attached our Standard Documents that all member would see in a typical transaction. Starting with all quotes which contain there unique Quote ID on the top of each quote. A member can then call and help us identify which quote they are inquiring within so we can help hem quicker. Each quote has its list of standard equipment and selected equipment the member has chosen for themselves. Followed by the contract discount on each cover page so the member can easily see there Sourcewell saving. A sample transaction has been attached.	*
56	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Yes, up to $ 2,500 per vehicle, any amount higher than $ 2,500 would carry a P-card/ Credit Card transaction fee which will be passed onto the member.	*

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	
57	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	NAFG is offering Line Item Discounts Off MSRP for 15 manufacturers detailed in the Price File, NAFG is offering all Upfits to be added to any and all chassis cabs and trucks, details are on the Summary Page in the price file.	*
58	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	Each Manufacture Product Range is detailed in the tabs below, here is an overview Ford Motor Company from 1.16% to 6.00% RAM Stallantis Company from 4.13% to 4.14% Chevrolet from 6.83% to 6.92% Autocar at 9.00% ISUZU at 5.00% Volvo at 12.00% Freightliner from 4.76% to 15.15% Western Star from 15.00% to 20.00% MACK from 3.00% to 26.36% Kenworth from 13.83% to 32.80% Peterbilt from 10.27% to 31.56% Battle Motors at 25.00% RIZO from 38.25% to 38.46% REE at 7.00% Bollinger Motors at 5.50% Upfits can be added at dealer invoice up to 20%, detailed in the price file.	*
59	Describe any quantity or volume discounts or rebate programs that you offer.	We encourage any and all members to contact us if considering ordering 100 at time of order or more units for an additional discount quote.	*
60	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	Open Market products or Sourced Goods will be treated as any upfit and may be quoted up to a 20% mark-up if applicable.	*
61	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	All considerations have been taken into account in the price file in its entirety. Price Summary Page and Price Tabs contain all costs associated with all quotes. If a member would like a quote for a particular situation and the item needed special training or installation, these charges would be added as part of the upfit and included in the members quote.	*
62	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	All manufacturers charge a standardized “Factory Destination Charge” which is displayed on all window stickers and on all trucks on a dealer’s lot. This is not the needed destination charge that maybe charged to then ship a chassis to and from an installer, these subsequent movements are all added freight charges and will displayed on the members quote.	*
63	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Freight to these regions carry a specific logistical barrier which carry added cost such as ferry, port and driver cost both to and from the mainland. These added costs will be disclosed and added to any quote for the member to review.	*
64	Describe any unique distribution and/or delivery methods or options offered in your proposal.	NAFG will utilize the power and expertise of the already established Automobile Franchise Distribution Network to have members vehicles delivered promptly there destination.	*

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
66	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell. Provide sufficient detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template.	We have created a member friendly to build and price there chassis cabs on, the pricing is built directly into the website and is loaded daily by the manufacture MSRP information. Our system will provide an accurate quote 99.99% of the time. We have stream lined how our admin fee is processed to allow a quick 15-30 day turn around on quarterly reports.	*
67	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	We have internal charts that track how many members we are serving per month and what regions we need to market into to raise awareness of Sourcewell and our contract. We also track how many vehicles we deliver to members to see if our volume is picking up or where the current market is at as it does fluctuate.	*
68	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor’s sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member’s cost of goods. (See the RFP and template Contract for additional details.)	Our Admin Fee has been streamlined to allow for growth to occur with maintaining a high level of accuracy and reporting. Our proposed admin fee would follow these guidelines: Flat $ 400 per unit for all units excluding Alan Jay Automotive Network in Florida Units sold through Alan Jay Automotive Network in Florida will have a$ 200 flat	*

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and the Alan Jay Automotive Management (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

In Process

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

In Process

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

a. Scanning and uploading the document, or

b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to,

Docusign Envelope ID: D3522F3A-D913-8593-80E7-F46D7BD0D43F

Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

The Florida Sheriffs Association is a 501(c)3 organization and is exempt from all Federal Excise and State Taxes. The FSA State Sales Tax and Use Certificate Number is 85-8012646919C-3.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

- Addenda to FSA Base Specifications, if issued
- FSA Base Specifications
- Bidder Instructions

1.22 COMMUNICATIONS

Communications between a Bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the FSA CPP Staff.

Bidders should not rely on representations, statements, or explanations other than those made in this Invitation to Bid or in any written addendum to this Invitation to Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or Eligible Users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA CPP by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA CPP website on the date indicated on the Bid Calendar. Questions received during the cone of silence date listed on the bid calendar will not be addressed, except as provided herein.

Interpretation of the specifications or any solicitation documents will **not** be made to the Bidder verbally, and if any verbal clarifications are provided, they are without legal effect. FSA CPP will make every attempt to e-mail updates to registered Bidders. However, posting to the FSA CPP website or the Bid System constitutes proper notice of addenda.

The FSA CPP shall issue a formal addendum if substantial changes that impact the submission of bids are required. Any such addenda shall be binding on the Bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent formal addenda, if any, shall govern over prior formal addenda only to the extent specified. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a formal addendum.

The bid submission constitutes acknowledgment of addenda to the FSA Base Specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, the FSA CPP may waive this requirement when in its best interest.

After the start of the Contract term, FSA CPP will notify all Vendors of any addenda and will require acknowledgement of the new terms and conditions. If the Vendor does not agree to the new terms and conditions, the Vendor's award can be removed or replaced by another Vendor or qualified responsive bidder.

1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the Bidder, which offer shall be deemed accepted upon approval by the FSA CPP. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA CPP Bid System constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA CPP.

If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. FSA CPP reserves the right to reject the acquiring entity as Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

In the event a Manufacturer reassigns the product line to an alternate company, the Vendor is required to notify the FSA CPP in writing of the change within 10 business days of the reassignment. If the Vendor is not already an approved FSA CPP Vendor, the alternate company is required to submit a Qualifications Packet to the FSA CPP to become an approved Vendor *prior to* conducting any qualified sales. FSA CPP may approve such assignments of existing or new vendors at its discretion. The Vendor is required to honor the contract pricing and all of the applicable Terms and Conditions throughout the remaining term of the Contract.

1.26 TERMINATION OF PRODUCT LINE

In Process

If a Vendor terminates a product line (Manufacturer or brand), the Vendor is required to notify the FSA CPP within 10 business days of the decision not to retain the product line. FSA CPP may remove the terminated products from the Contract. In the event of a termination of a product line (Manufacturer or brand), the purchaser shall compensate the Vendor in accordance with the Contract for all goods delivered by the Vendor prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the termination.

1.27 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a Contract under the Terms and Conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA CPP.

The FSA CPP may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA CPP, in making the award.

FSA CPP may inspect the Bidder's facility prior to the award of a Contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services described in this Invitation to Bid.

1.28 VENDOR ABILITY TO PERFORM

The FSA CPP may require Bidders to show proof that they have been designated as authorized representatives of a Manufacturer or supplier, which is the actual source of supply. In these instances, the FSA CPP may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

During the Contract term, FSA CPP may review the Vendor's record of performance and may require submission of supporting documentation to ensure that the Vendor is providing sufficient financial support, equipment and organization.

If the FSA CPP determines that the Vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the Contract.

By responding to this Invitation to Bid, the Bidder warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Bidder's ability to satisfy the obligations of a resulting contract. The Bidder warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to Section 287.133, *Florida Statutes*, or on any similar list maintained by any other state or the federal government. The Bidder, by responding to this Invitation to Bid, acknowledges and warrants that, if selected, Bidder (being then considered a "Vendor") shall immediately notify the FSA CPP and purchaser(s) in writing if its ability to perform is compromised in any manner during the term of the Contract.

1.29 FINANCIAL RESPONSIBILITY

In Process

Bidder affirms by the submission of the bid and by signature on the Contract Signature Form that the Bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this Invitation to Bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- Has assessed the financial responsibility required to serve the Contract as bid, including such details as the obligations to perform all items bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.30 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Bidder (or, if after award, the Vendor) must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

1.31 NONCONFORMANCE

Items may be tested for conformance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the Vendor's expense.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with Vendor.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

1.32 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practicable after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of Bidder's products or services.

1.33 TIE BIDS

FSA CPP has the right to award multiple Bidders the primary or alternate award in the event of a tie. In the event the FSA CPP desires to break tie bids, and businesses have qualifying drug-free work programs, the award will be made using the following criteria, in order:

- Bidder within the State of Florida; and if none, then,
- Vendors' performance record with purchasers; and if none, then
- Coin Toss.

In Process

1.34 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA CPP to readily identify Vendor's sales. FSA CPP and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this Contract, including all government sales and eligible user information, whether kept by or under the control of the Vendor, including, but not limited to those kept by its employees, agents, assignees, successors, sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to Purchase Orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful Bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this Contract and for a period of three (3) years after the completion of this Contract or for such period of time as is required for retaining public records pursuant to Florida law. At the Vendor's expense and upon written notice from FSA CPP, the Vendor shall provide such records for inspection and audit by FSA CPP and its authorized representatives. Such records shall be made available to FSA CPP during normal business hours within three (3) business days of receipt of the written notice. FSA CPP may select the Vendor's place of business or offsite location for the audit. The FSA CPP may also request the Vendor provide requested records via e-mail.

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assignees, successors, and third-party suppliers, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA or purchaser(s).

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies underreporting, overpricing or overcharges (of any nature) by the Vendor to FSA or a purchaser in excess of three percent (3%) of the total Contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the Vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.35 LICENSES AND PERMITS

The Bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and any resulting contract. Where Vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the Vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance.

The Bidder must, by the time of award, be actively registered to do business in the State of Florida on SunBiz.gov.

1.36 PERFORMANCE BONDS

Purchasers may request a performance bond from a Vendor. Performance bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or Bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 INDEPENDENT PREPARATION

A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Bidder as to any matter related to the bid each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit, or not submit a bid.

Bidders and Vendors who are found to have engaged in these acts will be considered nonresponsive and will be suspended or barred from bid participation. Any contract award resulting from these acts may be terminated for default. Further, any such acts detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without violating this provision if the bid submitted is not from the same Manufacturer and product line. Dealers that share the same ownership may submit multiple bids without violating this provision if the Bidders are not in the same region featuring the same Manufacturer and product line.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

1.39 DEFAULT

In case of default on the part of Vendor, the FSA CPP may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked Bidder or from other sources. A defaulting Vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.40 PROTESTS AND ARBITRATION

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA CPP within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and costs incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any Bidder who files an action protesting a decision or intended decision pertaining to this Contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent (10%) of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA CPP will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful Bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA CPP within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's ("AAA") commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA CPP provided at the time of filing the initial protest. Failure to provide written notice to FSA CPP, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the Bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorneys' fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorneys' fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.41 NONPERFORMANCE

By virtue of the bid submission, Bidder acknowledges its obligation to sell items in all zones for which it is awarded. Upon award, failure of the Vendor to comply with these requirements may result in the imposition of liquidated damages of up to $1,000 per item, which amount the Vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA CPP's discretion.

The Vendor shall at all times during the Contract term remain responsive and responsible. In determining Vendor's responsibility, the FSA CPP shall consider all information or evidence that demonstrates the Vendor's ability or willingness to fully satisfy the requirements of the Terms and Conditions.

In Process

Vendors that are not in compliance with any of the provisions of this Contract can be assessed liquidated damages, suspended or terminated from the Contract. The FSA CPP at its sole discretion may remove a noncompliant Vendor from future competitive bid solicitations; or take other actions including suspension from the Contract until compliance issues are resolved, limit current or future vendor participation by items or zones, or other actions as determined by FSA CPP at its sole discretion.

At FSA CPP's discretion, Vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result in termination of the Contract and future competitive bid solicitations at the discretion of the FSA CPP.

In situations where there is evidence that the Vendor has engaged in egregious breaches of the Contract with respect to either the FSA CPP and/or the purchaser, the Contract can be terminated immediately and the Vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA CPP.

Specific conditions for termination include, but are not limited to: failure to perform, refusal to accept orders during the Contract term while Manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or Vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the Contract.

Any Vendor presented with a valid Purchase Order consistent with Vendor bid quotes or other agreed upon terms and pricing is required by this Contract to accept such Purchase Order and deliver the product. Purchase Orders must be fulfilled whether or not the Purchase Order includes options. The Vendor must deliver this product in accordance with the Terms and Conditions – regardless of whether doing so will provide the Vendor with a profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue a new Purchase Order with another Vendor, plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA CPP may seek damages for nonpayment of administrative fees, to

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

which FSA CPP is entitled, according to Section 3.25, and any attorneys' fees incurred in the recovery of these damages.

1.42 SEVERABILITY

In the event any provision of this Contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the Contract, which shall remain in full force and effect and enforceable in accordance with its terms.

1.43 TERMINATION FOR CAUSE

If, through any cause within the reasonable control of the Vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this Contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the Vendor and unless the deficiencies are corrected within ten (10) business days, the Contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In Process

In the event of a termination for cause, the purchaser shall compensate the Vendor in accordance with the Contract for all services performed by the Vendor prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the default.

Notwithstanding the above, the Vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the Contract by the Vendor, and the FSA may reasonably withhold payments to the Vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the Vendor is determined.

1.44 TERMINATION WITHOUT CAUSE

The FSA can terminate the Contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective thirty (30) calendar days following receipt by Vendor of such notice.

In the event of termination without cause, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balance of the Contract or cancellation charges.

Any payments to the Vendor shall be only to the total extent of the purchaser's liability for goods or services delivered prior to the date of notice to terminate the Contract.

1.45 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The FSA CPP logo is an official logo of the Florida Sheriffs Association designed to promote the program. The FSA CPP logo may be used by Vendors in accordance with the policy contained in this Section 1.45. Use of the FSA CPP logo is limited to the original version received from the FSA. The parties acknowledge that the Vendor is not an employee for state or federal tax purposes. 2.04 SPECIFICATIONS

All items covered by this Invitation to Bid and any resulting contract, and the specifications shall be the Manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the Manufacturer's latest literature unless otherwise noted in the Bid System or FSA Base Specifications.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

The FSA Base Specifications are contained in the FSA CPP Bid System, may be requested from FSA CPP, and are retained within FSA CPP's archive. As part of the bid submission, Bidders will be required to provide confirmation that the item bid meets the FSA Base Specifications. FSA CPP may reject bids that fail to provide confirmation that the item(s) bid meet the FSA Base Specifications.

FSA CPP develops the specifications with subject matter experts and publicly available information. However, FSA CPP does not have access to full details from the Manufacturer and relies on Bidders to assist in this process. Bidders should immediately notify the FSA CPP of any inaccuracies in the specifications. All notifications of inaccuracies must be in writing.

If awarded a contract, Vendor(s) must offer and supply an item that either meets or exceeds all the requirements included in the applicable FSA Base Specifications, unless a purchaser specifically issues a Purchase Order for a base item and option that differs from the FSA Base Specifications. Failure of a Vendor to comply with these provisions will result in Vendor being held responsible for all costs required to bring the item into compliance with the contract specifications.

2.05 SEALED BIDS

In Process

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA CPP Bid System.

2.06 MISTAKES

Bidders are expected to examine the FSA Base Specifications, delivery schedules, bid prices and all information pertaining to servicing this Contract before submitting a bid. Failure to do so will be at the Bidder's risk.

2.07 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a Bidder may have to the Terms and Conditions must be documented in Bidder's submission. Exceptions to the FSA Base Specifications at the time of the bid submission shall reference the item number, make and model. FSA CPP has the discretion to grant or deny, in whole or in part, the Bidder's requested exception, deviation or contingency to the specifications or Terms and Conditions. Bidder acknowledges that the bid may be disqualified if FSA CPP rejects the proposed exceptions.

2.08 EQUIVALENTS

Prior to the opening of the Bid System, Bidders may request item equivalents. The Bidder must submit the Manufacturer name and model number (or product identifier) of each equivalent requested to FSA CPP. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with FSA Base Specifications. If a bid uses equivalents without prior approval, the bid may be disqualified.

2.09 MANDATORY PRE-BID MEETING

Bidders are required to attend or participate in the **mandatory** Pre-Bid Meeting. The Pre-Bid Meeting is designed for Bidders, the Fleet Advisory Committee, and the FSA CPP to clarify questions on the Terms and Conditions and to confirm all FSA Base Specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the FSA Base Specifications are finalized.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

FSA CPP reserves the right to grant attendance exceptions to the mandatory Pre-Bid Meeting if the Bidder has requested authorization, agrees in writing to meet all the Terms and Conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.10 PRICES QUOTED

Items and options should reflect the most complete price and be below MSRP and, at a minimum, should cover the cost of the item or option bid.

Prices quoted in the bid submission should reflect the final amount the Bidder can expect to receive for payment for the items bid for the duration of the Contract, unless otherwise provided in the Contract. Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening.

Each item, make, and model must be priced and bid separately. Prices must be inclusive of all the components included in the FSA Base Specification.

In Process

Prices bid must include the administrative fee FSA CPP charges to administer the Contract, as outlined in these Terms and Conditions. The administrative fee is three quarters of one percent (.0075).

Prices bid must be at least cost, be Free On Board ("FOB") destination, and must include delivery to the purchaser.

Upon award, the Vendor has the authority to offer additional discounts based on prompt payment, quantity, as well as additional Manufacturer or vendor discounts.

2.11 OPTION PRICING

FSA CPP requests Bidders include most frequently purchased options in the Bid System. Option pricing must include the administrative fee. Bidders must provide a price for each option in addition to a percent below MSRP for factory-installed options or a percent above cost for other options.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive. In order to determine if pricing is excessive, Bidders and, if awarded a contract, Vendors agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the Contract term. This information is for comparison purposes and will not be published.

Options are intended to add or delete equipment or features from the FSA Base Specifications. Options can provide an upgrade or downgrade to a Manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a Manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms and Conditions by a purchaser. Bidders shall NOT use options to create an item that is available as another item bid on this Invitation to Bid.

The use of options to facilitate the sale of an alternate Manufacturer's product which is outside the scope of the FSA Base Specifications will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

Bidder must use proper Manufacturer codes for factory options. Options available through the factory should be bid as and supplied to purchaser as factory options, unless otherwise requested in writing by the purchaser. Factory package options are permitted under this Contract. Factory package options included in the bid submission must detail what components the package includes.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA Base Specifications, the Bidder should include the word "Credit" at the beginning of the description field and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the Bidder will credit the purchaser.

2.12 BID SUBMISSION

Bidders must submit a bid electronically using the Bid System. Bid submissions include a price for each item and option bid in accordance with Sections 2.10, 2.11, 2.12, and 2.13. Each Bidder must submit a Qualifications Packet for each bid. The bid must be received by the date and time specified on the Bid Calendar in Appendix B. Failure to meet all submission requirements by the date indicated on the Bid Calendar will result in rejection of the bid.

If a Bidder submits bid pricing using cents, the following formula will be applied to round the bid pricing to the nearest whole dollar: $.01-.49 will be rounded down to the dollar bid (e.g., $50.49 = $50) and $.50-.99 will be rounded to the next dollar (e.g., $50.50 =$51).

Exceptions may be granted to Bidders by FSA CPP pursuant this section should any Bid System malfunctions occur.

2.13 ZONE BIDDING

Bidders may bid in one or more geographic zones. Bidders must submit pricing for each zone they wish to be evaluated. The zone map is included in Appendix A. The geographic zones are in place to assist Bidders in estimating costs of delivery, which must be included in the price bid and quoted to the purchaser.

2.14 EXECUTION OF BID

2.15 MODIFICATION OR WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid until the due date and time of the bid submission listed in the Bid Calendar. Modifications received after the bid due date and time will not be considered.

Bids can be withdrawn in writing prior to the contract award. If a Bidder must withdraw the bid, the Bidder must contact FSA CPP immediately. Bid withdrawals are handled on a case-by-case basis and can result in a limitation of participation in future bids.

2.16 LATE BIDS

The responsibility for submitting a bid before the due date and time on the Bid Calendar is solely and strictly the responsibility of the Bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

2.17 BID OPENING

Bids shall be opened on the date and time specified on the Bid Calendar. The bid opening may occur at the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, Florida, or may be offered online.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

FSA CPP will provide a bid inspection period for Bidders following the bid opening. The date, time and duration will be announced prior to the bid opening.

2.18 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the Invitation to Bid. As set forth in Section 2.22, FSA CPP reserves the right to waive or allow a Bidder to correct minor irregularities.

2.19 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and Contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive. The FSA CPP will not request documentation or consider a Bidder's social, political or ideological interests in determining if the Bidder is a responsible bidder. FSA CPP will not give preference to a Bidder based on the Bidder's social, political, or ideological interests.

In Process

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the Contract may be rejected as non-responsible. In determining a responsible Bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including on previous FSA contracts; and
- Any other information relevant to the responsibility of a Bidder of which FSA CPP is aware.

In addition to the requirements set forth by these Terms and Conditions, FSA CPP reserves the right to request staffing, performance and financial information from any Bidder during the evaluation process.

FSA CPP reserves the right to determine which responses meet the requirements, specifications, Terms and Conditions of the solicitation, and which Bidders are responsive and responsible.

FSA CPP further reserves the right to limit participation of Bidders who, in FSA CPP's sole discretion, are determined to present responsibility concerns that call into question the Bidder's ability to perform but that do not rise to the level of requiring rejection of the Bidder as non-responsible.

2.20 BASIS FOR AWARD

The FSA CPP shall make award to the qualified, responsive and responsible Bidder(s) who submitted the lowest offer price by item, Manufacturer, and zone. Awards may also be made to subsequent lowest responsive and responsible Bidders by item, Manufacturer, and zone, when determined to be in the best interest of the FSA and the purchaser(s). FSA CPP has the discretion to consider option pricing in making the award and to disqualify Bidders for proposing excessive percent(s) or option pricing.

Awards will not be given to any parties listed on the government wide exclusion in the System for Award Management.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

Awards will be posted on the FSA CPP website according to the date posted in the Bid Calendar.

2.21 BID TABULATIONS

The bid tabulation report will be posted on the FSA CPP website after the bid submission closes.

If there is a delay in posting the bid tabulation results, FSA CPP will post a notice of the delay and a revised date for posting of results.

2.22 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA CPP has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA CPP determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the Terms and Conditions of this procurement that does not affect the price of the bid or give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA CPP may allow a Bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA CPP may request a Bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA CPP will not request, and a Bidder may not provide, the FSA CPP with additional materials that affect the price of the bid or give the Bidder an advantage or benefit not enjoyed by other Bidders.

The FSA CPP may also reject any bids not submitted in the manner specified in this Invitation to Bid.

2.23 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. During this period, all communications regarding this solicitation between FSA and Bidder will cease, except for procedural questions, questions regarding problems incurred in the use of the Bid System, or communications initiated by the FSA CPP. All permitted communications during this period shall be made in writing to the contact person identified in Section 1.01 of this Invitation to Bid.

Each person signing the Contract warrants that they are duly authorized to do so and binds the respective party to the Contract.

3.03 VENDOR CONTACT INFORMATION

The Vendor shall maintain current contact information with FSA CPP at all times for sales and submission of Purchase Orders, quarterly reports and administrative fee payments. If a change occurs during the term of this Contract, the Vendor must notify FSA immediately.

3.04 ADDITIONS OR DELETIONS

FSA CPP reserves the right to add or delete any items from the Vendor's bid or this Contract when deemed to be in the best interest of FSA and purchasers, at its discretion. This decision to take action may be based upon and not limited to few or no sales, product recalls and other safety issues, Vendor or Manufacturer performance, or the product's lack of relevance.

For items that come to market during the Contract term, FSA CPP may authorize qualified and awarded Vendors to offer the new item under the existing Contract Terms and Conditions, if the Manufacturer authorizes a Vendor to sell the item. FSA CPP will request awarded Vendors submit pricing and will evaluate the responses prior to authorizing awarded Vendors to offer the new item.

3.05 CONTRACT EXTENSION

Contract Extension
The Contract may be extended by mutual agreement for up to two (2) additional years, on a year-to-year basis. FSA reserves the right to execute a Contract extension or to allow the Contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of FSA.

The Vendor may request price adjustments for Contract extensions as provided for herein. If no request is received from the Vendor, the FSA will assume that the Vendor has agreed that the optional term may be exercised without a price adjustment. Any adjustment request received after the execution of an extension may not be considered unless otherwise provided for in this Contract.

Month-to-Month Continuation
In the event a new contract is not active at the time of this Contract's expiration, this Contract's Terms and Conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the Contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

3.06 PRICE ADJUSTMENT

The Terms and Conditions provide the following methods of price adjustments:

- Annual Price Adjustments
- Changes to Manufacturer Production or Design
- Manufacturer Certified Adjustments
- Equitable Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price. Price adjustments will not be considered if Vendors are delinquent on administrative fee payments or have outstanding quarterly reports.

Annual Price Adjustment

The FSA CPP may consider annual price adjustments due to:

- Changes in the Producer Price Index ("PPI") as published by the U.S. Department of Labor, Bureau of Labor Statistics ("BLS"); or
- As a result of changes to national or state standards that require substantial price adjustments.

In Process

FSA CPP may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the Manufacturer. The FSA CPP will consider the request and will make a final determination on the change in price.

Changes to Manufacturer Production or Design

Significant changes by the Manufacturer to the production of and specification design may initiate a price adjustment request. FSA CPP will consider order dates, production factors, model year, or other conditions, as well as the replacement or complete redesign of items. Vendors must provide documentation from the Manufacturer.

Manufacturer Certified Adjustments

Vendors must provide documentation from the Manufacturer to FSA CPP that shows the additional costs or price adjustments imposed by the Manufacturer and substantiate the need for a related price adjustment for this Contract.

Equitable Adjustments

The FSA CPP, on behalf of FSA, may make an equitable adjustment to the Contract terms or pricing at its discretion.

3.07 CONDITIONS

It is understood and agreed that any item offered or shipped as a result of this Contract shall be the most current model offered.

In this case, the Vendor and Manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the Contract term. If the Manufacturer cutoff date is during the term of the Contract and will affect the purchaser's ability to obtain the items, FSA CPP may consider substitutions from the same Manufacturer.

3.09 FACILITIES

The FSA CPP reserves the right to inspect the Vendor's facilities at any time with prior notice.

3.10 CAB AND CHASSIS PURCHASES

Vendors performing upfitting of cab and chassis should be licensed and certified to perform such work. The requirements of Section 319.21, *Florida Statutes*, related to the Manufacturer statement of origin apply to cab and chassis purchases apply.

In Process

3.11 FACTORY-INSTALLED OPTIONS

All options specified as factory-installed are to be installed on the item at the primary site of assembly and are to be the Manufacturer's standard assembly-line product. Aftermarket and vendor-installed equipment will not be accepted as factory-installed. Vendors found supplying aftermarket or vendor-installed equipment where factory-installed are specified shall be required to retrieve all delivered items and supply new items meeting the specifications.

All factory-ordered options are to be original equipment Manufacturer ("OEM") and installed at the primary site of assembly unless otherwise noted by the Vendor and acknowledged in writing by the purchaser. Verbal agreements will not be recognized.

3.12 VENDOR-INSTALLED OPTIONS

3.13 NON-SCHEDULED OPTIONS

A non-scheduled option is an option not listed on the FSA CPP published award. Vendors may provide non-scheduled options at less than MSRP or the Published List Price. Non-scheduled options should be identified and listed as a separate line item with the price and discount on the Purchase Order. Non-scheduled options are covered under these Terms and Conditions.

3.14 FORCE MAJEURE

A Vendor shall not be penalized for a delay resulting from the Vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the Vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Vendor's control, or for any of the foregoing that third party suppliers if no alternate source of supply is available to the Vendor.

Production schedules and delivery dates should be discussed at the time the quote is provided to the purchaser, or if no quote is provided, when the Purchase Order is delivered to the Vendor. Vendor shall place the order with the Manufacturer within ten (10) business days of receipt of the Purchase Order. The Vendor shall ensure that all orders are placed in full compliance with the specifications and the Terms and Conditions of the Contract and the Purchase Order. Any changes that are required to bring an item into compliance with the various options due to an incorrect order will be accomplished at the Vendor's expense.

The Vendor should supply a confirmation of order to the purchaser and FSA CPP fifteen (15) calendar days from receipt of Purchase Order without request by the purchaser. Any additional information needed to complete this form should be obtained by the Vendor from the purchaser.

While it is recommended that a purchaser purchase from the zone which is closest to their location, it is not mandatory to do so. If the purchaser determines that a Vendor in another zone can better serve their needs, the purchaser may order from a Vendor in another zone. Vendors that provide awarded items outside of an awarded zone may upon mutual agreement between the Vendor and the purchaser charge a delivery fee.

If a Vendor receives a Purchase Order for an item for which they were not awarded, the Vendor must notify the purchaser and return the Purchase Order to the purchaser within three (3) business days.

If a purchaser does not use Purchase Orders, written communication from the purchaser to the Vendor will be provided to FSA CPP.

The purchaser has the option to reject a vehicle with more than 350 odometer miles or may deduct $0.51 cents per mile in excess of 350 miles from the invoice, unless distance above 350 miles was previously approved by the purchaser. Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with Manufacturer's break-in requirements and all applicable traffic laws. Deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchaser, however, this requirement shall not apply to incomplete chassis.

When items require service or adjustments upon delivery, the Vendor shall either remedy the defect or be responsible for reimbursing the Manufacturer's local authorized representative or other service provider to remedy the defect. Such service or adjustments shall be initiated by the Vendor within 48 hours after notification by a purchaser, not to include weekends and holidays. 3.19 INSPECTION AND ACCEPTANCE

Final acceptance shall be given only after the purchaser inspects or confirms the item meets Contract specifications. Delivery of an item to a purchaser does not constitute acceptance for the purpose of payment. Inspection and acceptance will be at the purchaser's destination unless otherwise previously agreed upon location was provided in the Purchase Order. Should the delivered items differ in any respect from the FSA Base Specifications, payment can be withheld until such time as the Vendor completes the necessary corrective action.

3.20 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and purchaser placing orders using this Contract. Vendors must invoice each purchaser independently. The Vendor shall be paid upon submission of invoices to the purchaser after satisfactory delivery and acceptance of the items. While the Local Government Prompt Payment Act applies to ensure timely payment of Vendor invoices, the FSA CPP encourages purchasers to make payment within thirty (30) days of acceptance of the item. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79, *Florida Statutes*.

3.23 WARRANTY

All warranties shall begin at the time of delivery and final acceptance by the purchaser. The purchaser's warranty should not be active for incomplete items and items delivered to a third-party supplier before final delivery.

3.24 QUARTERLY REPORTS

Quarterly reports are the contractual responsibility of each Vendor. Quarterly reports must be completed and submitted electronically. The quarterly report template shall be submitted using the tool provided by FSA CPP. Quarterly reports which do not adhere to the required format or are not complete of all Purchase Orders received and/or deliveries made during the quarter will be returned to the Vendor for correction.

Docusign Envelope ID: 84236BAE-B120-8A12-82E0-5F0CAC41DF5B

Quarterly reports are due no later than the 15th day of the month following the end of the quarter. Quarterly reports shall follow the schedule below for the duration of the Contract. If a Contract extension is executed, the quarterly reports will maintain the same schedule for future reporting periods.

Contract Years: October 1, 2025 – September 30, 2027

Year 1 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 1 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 1 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 1 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15
Year 2 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 2 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 2 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 2 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15

Quarterly reports must be submitted even if there are no sales or no deliveries in a quarter. If a Vendor has no sales within a quarter, the Vendor shall indicate "No sales this quarter" or "No deliveries this quarter" to FSA CPP by e-mail to Reports@flsheriffs.org.

In Process

FSA CPP reserves the right to modify the procedure for submitting quarterly reports during the term of the Contract. Such a change shall not materially modify the substance of the information to be reported but may change the method by which future quarterly reports are to be submitted. In the event of such a change, FSA CPP will provide written notice to all Vendors of the method by which future quarterly reports are to be submitted.

3.25 ADMINISTRATIVE FEE

The FSA CPP charges three quarters of one percent (.0075) to procure, process and administer the Contract. Payment of the administrative fees to the FSA CPP are the contractual responsibility of each awarded Vendor.

After receipt of payment from Contract purchases, the Vendor shall remit all administrative fees to the FSA CPP no later than fifteen (15) calendar days after the end of each quarter. All fees payable to the FSA CPP during any given quarter will be accompanied and supported by a quarterly report.

The administrative fee will remain payable to FSA CPP and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a Vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any Purchase Order or invoice.

The administrative fee is based on the total Purchase Order amount of new items. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA CPP that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

3.26 LIQUIDATED DAMAGES

The Vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth in the applicable FSA Base Specifications and the failure to comply with this condition will be considered as a breach of Contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the Vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA CPP within fifteen (15) calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of $25.00 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

In Process

When quarterly reports are late, liquidated damages are to be included in Vendor's quarterly report and administrative fee submission. Liquidated damages that remain unpaid beyond forty-five (45) calendar days can result in FSA CPP, at its sole discretion, implementing Contract compliance actions, including but not limited to, suspension, limited participation by specifications or zones, disqualification from future solicitations, or termination of this Contract for cause pursuant to the Terms and Conditions.

Schedule of Liquidated Damages

Failure to submit quarterly report on time	$25.00 per calendar day
Failure to submit administrative fee on time	$25.00 per calendar day
Failure to report a Purchase Order to FSA CPP within 15 calendar days of the Purchase Order issue date	$100.00 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this Contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA CPP for the damages that it will incur as a result of the Vendor's failure to take the specified actions.

EQUAL EMPLOYMENT OPPORTUNITY: Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of

Labor." The clause set forth in 41 C.F.R. 60-1.4(b) is incorporated herein by reference. Vendor must comply with this clause and include this clause in all lower-tier federal assisted construction contracts.

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 C.F.R. part 5).
(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.
(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).
(d) Subcontracts. Vendor shall insert in any subcontracts over $100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over $150,000.

Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of $25,000 and Vendor shall not award lower-tier subcontracts in excess of $25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of $100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency ("EPA") at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:
(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). In our view, Sourcewell's role is to create awareness through marketing the value and services provided. We would like to see the continued H2O and Sourcewell Academy trainings being offered as our teams find much value in attending these. Our Sourcewell representatives have consistently been readily available and have assisted when issues arise or when data is needed, and we expect that to continue. In addition to Sourcewell, we would expect to see efforts to create awareness of Canoe in Canada. Diamond has continued to bring Sourcewell into the conversation early on at the beginning of the sales process, giving our customers an effortless way to purchase. Diamond identifies opportunities and merges them into an existing sales funnel supported by our sales team. Being a more custom process to meet customers specific needs, an e-procurement process does not fit this method	*

60	Describe any standard transaction documents that you propose to use in connection with an awarded agreement (order forms, terms and conditions, service level agreements, etc.). 61	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Diamond does not currently accept the P-card procurement and payment process.	*
62	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Sourcewell pricing will be offered as a percent discount off of our List Price and is applied to all items on our price list. 64	Describe any quantity or volume discounts or rebate programs that you offer.	Multiple unit sales are rare in our industry, but we do look at these on a case-by-case basis. While it is not common at Diamond to be asked to source product or equipment for customer, we do occasionally get asked to design/modify product for a specific solution. In this instance, Diamond would honor the same Sourcewell % discount as agreed upon and establish a list price, the same as all other products. Sourced items will be specifically called out/identified on the initial upfront quote and order.	*
66	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	All total cost of acquisition are clearly stated on our price list (see the attached Diamond Mowers Price List for reference). This includes a mounting or installation fees when necessary. Customers should not incur any other costs that are not clearly identified on the invoice. In the instance of special requests such as on-site training or sourced items, this will be clearly identified on the quote/order.	*
67	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Diamond calculates freight charges at the time of the quote. We work with a variety of providers to provide cost-conscious solutions for all shipments. Actual freight/shipping costs are marked up 10% to cover Diamonds overhead costs related to shipments. These include but are not limited to, labor, materials and packaging. Diamonds freight costs are set and do not vary to customers based on any additional incurred charges at time of shipment. The customer pays the original quoted freight price.	*
68	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Diamond calculates freight for Alaska, Hawaii, Canada and all other offshore deliveries using the same shipping method. We partner with our variety of providers to find the best possible freight solution. Shipping costs are marked up 10% to cover overhead costs. Factory direct pickup options are also available from our plant in Sioux Falls, SD.	*
69	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Sourcwell customers will have access to dealer stock inventory through any of our 1,000+ dealer locations across the US and Canada. In some cases, they could see faster lead times to get the products they need vs ordering direct from Diamond!	*
70	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	Diamond's Accounting team performs monthly financial reviews to ensure all sales for state and national contracts are reported correctly and fees are calculated appropriately. Each Sourcewell sale is clearly marked with our contract number and each sale is recorded. Direct dealer sales are recorded as well and reported by Diamond. Sourcewell quotes are generated by Diamond directly which ensures current price levels are always accurate. This is monitored by our Sales Operations team.	*

71	If you are awarded an agreement, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the agreement.	State and National contract sales to total sales volume will be tracked routinely as well as looking at monthly, quarterly, and annual state contract sales growth. We will continue to work with our Sourcewell representatives to provide quarterly reporting. Diamond has also set a Sourcewell growth goal of 5% annually over the term of the contract. Our goal for 2025 is 6,300,000.00.	*
72	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	Diamond Mowers proposes a 1% administrative fee to Sourcewell.	*

Notice of Final Award
FSA23-EQU21.0: Equipment

Date: October 1, 2023

To: Bidders and Purchasers

From: Hugh Oliver, Cooperative Purchasing Program Manger

Re: Notice of Final Award for FSA23-EQU21.0: Equipment

Florida Sheriffs Association (FSA) has completed its 21st year of the cooperative purchasing equipment contract. FSA is issuing the Notice of Final Award for contract FSA23-EQU21.0: Equipment that will be effective from October 1, 2023, through September 30, 2025. This year's bid included 453 items. The contract will offer construction, material handling, transportation, all-terrain and utility vehicles, and grounds care equipment.

The competitive process for this award began in May 2023, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On May 5, 2023, a direct notification was sent to 716 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 149 pre-bid attendees or waivers. Of these respondents, 85 submitted bids and 78 qualified. FSA has identified intended awardees in the attached Final Award Report. The Final Award Report shows up to three lowest bidders per item, per zone.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

The Florida Sheriffs Association Cooperative Purchasing Program seeks to renew FSA23-EQU21.0 for a one-year term. The contract term will extend from October 1, 2025, through September 30, 2026.

E-Verify

E-VERIFY IS A SERVICE OF DHS AND SSA

Company ID Number: 1384738

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and Tradewinds Power Corp (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

   a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

   a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

   b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the anti-discrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

   a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps
(see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance
(indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@uscis.dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

   a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin

E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case.

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

In Process

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

   a. Scanning and uploading the document, or

   b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

Docusign Envelope ID: 632A2D41-9462-8541-82F8-EC4B94C2C53F

Company ID Number: 1384738

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

a) All persons employed by Contractor to perform employment duties within Florida during the term of the contract; and

b) All persons (including sub vendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City. The Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verity System during the term of the contract is a condition of the contract with the City of Palm Coast.

TIPS VENDOR AGREEMENT

TIPS RFP 250106 Technology Solutions, Products, and Services

The following Vendor Agreement ("Agreement") creates a legal agreement between The Interlocal Purchasing System ("TIPS"), a government purchasing cooperative and Department of Texas Region 8 Education Service Center and (INSERT ENTITY NAME):

TinyMobileRobots

(ENTER ENTITY NAME]

its owners, agents, subsidiaries, and affiliates (together, "Vendor") (individually, "Party", and collectively the "Parties") and this agreement shall exclusively govern the contractual relationship ("Agreement") between the Parties.

TIPS, a governmental entity and a national purchasing cooperative seeks to provide a valuable and necessary solution to public entities and qualifying non-profits by performing the public procurement solicitation process and awarding compliant contracts to qualified vendors. Then, where the law of a customer's jurisdiction allows, instead of public entities and qualifying non-profits expending time, money, and resources on the extensive public procurement process, the use of TIPS allows public entities to quickly select and purchase their preferred products or services from qualified, competitively evaluated vendors through cooperative purchasing.

1. **Purpose.** The purpose of this Agreement is to identify the terms and conditions of the relationship between TIPS and Vendor. Public entities and qualifying non-profits that properly join or utilize TIPS ("TIPS Members") may elect to "piggyback" off of TIPS' procurements and agreements where the laws of their jurisdiction allow. TIPS Members are not contractual parties to this Agreement although terms and conditions of this Agreement may ensure benefits to TIPS Members.

2. **Authority.** The Parties agree that the signatories below are individual authorized to enter into this Agreement on behalf of their entity and that they are acting under due and proper authority under applicable law.

3. **Definitions.**

    a. **TIPS Pricing:** The specific pricing, discounts, and other pricing terms and incentives which Vendor submitted and TIPS approved for each respective TIPS Contract awarded to Vendor and all permissible, subsequent pricing updates submitted by Vendor and accepted by TIPS, if any.

    b. **Authorized Reseller:** A reseller or dealer authorized and added by a Vendor through their online TIPS Vendor Portal to make TIPS sales according to the terms and conditions herein.

4. **Entire Agreement.** This Agreement resulted from TIPS posting a "TIPS Solicitation" (RFP, RCSP, RFQ, or other) and Vendor submitting a proposal in response to that posted TIPS Solicitation for evaluation and award. The Parties agree that this Agreement consists of the provisions set forth herein and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor's entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, pricing, accepted responses to questions, and accepted written clarifications of Vendor's proposal, and; any properly included attachments to this Agreement. All documentation and information listed is hereby incorporated by reference as if set forth herein verbatim. In the event of conflict between the terms herein and one of the incorporated documents the terms and conditions herein shall control.

5. **Vendor's Specific Warranties, Terms, and License Agreements.** Because TIPS serves public entities and non-profits throughout the nation all of which are subject to specific laws and policies of their jurisdiction, as a matter of standard practice, TIPS does not typically accept a Vendor's specific "Sale Terms" (warranties, license agreements, master agreements, terms and conditions, etc.) on behalf of all TIPS Members. TIPS may permit Vendor to attach those to this Agreement to display to interested customers what terms may apply to their Supplemental Agreement with Vendor (if submitted by Vendor for that purpose). However, unless this term of the Agreement is negotiated and modified to state otherwise, those specific Sale Terms are not accepted by TIPS on behalf of all TIPS Members and each Member may choose whether to accept, negotiate, or reject those specific Sale Terms, which must be reflected in a separate agreement between Vendor and the Member in order to be effective.

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

6. **Vendor Identity and Contact Information.** It is Vendor's sole responsibility to ensure that all identifying vendor information (name, EIN, d/b/a's, etc.) and contact information is updated and current at all times within the TIPS eBid System and the TIPS Vendor Portal. It is Vendor's sole responsibility to confirm that all e-correspondence issued from tips-usa.com, ionwave.net, and tipsconstruction.com to Vendor's contacts are received and are not blocked by firewall or other technology security. Failure to permit receipt of correspondence from these domains and failure to keep vendor identity and contact information current at all times during the life of the contract may cause loss of TIPS Sales, accumulating TIPS fees, missed rebid opportunities, lapse of TIPS Contract(s), and unnecessary collection or legal actions against Vendor. It is no defense to any of the foregoing or any breach of this Agreement that Vendor was not receiving TIPS' electronic communications issued by TIPS to Vendor's listed contacts.

7. **Initiation of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Once verified, Vendor must include the TIPS Contract Number on all purchase communications and sales documents exchanged with the TIPS Member.

8. **TIPS Sales and Supplemental Agreements.** The terms of the specific TIPS order, including but not limited to: shipping, freight, insurance, delivery, fees, bonding, cost, delivery expectations and location, returns, refunds, terms, conditions, cancellations, order assistance, etc., shall be controlled by the purchase agreement (Purchase Order, Contract, Invoice, etc.) (hereinafter "Supplemental Agreement") entered into between the TIPS Member Customer and Vendor only. TIPS is not a party to any Supplemental Agreement. All Supplemental Agreements shall include Vendor's Name, as known to TIPS, and TIPS Contract Name and Number. Vendor accepts and understands that TIPS is not a legal party to TIPS Sales and Vendor is solely responsible for identifying fraud, mistakes, unacceptable terms, or misrepresentations for the specific order prior to accepting. Vendor agrees that any order issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. When Vendor accepts or fulfills an order, even when processed through TIPS, Vendor is representing that Vendor has carefully reviewed the order for legality, authenticity, and accuracy and TIPS shall not be liable or responsible for the same. In the event of a conflict between the terms of this TIPS Vendor Agreement and those contained in any Supplemental Agreement, the provisions set forth herein shall control unless otherwise agreed to and authorized by the Parties in writing within the Supplemental Agreement.

9. **Right of Refusal.** Vendor has the right not to sell to a TIPS Member under the awarded agreement at Vendor's discretion unless otherwise required by law.

10. **Reporting TIPS Sales**. Vendor must report all TIPS Sales to TIPS. If a TIPS sale is initiated by Vendor receiving a TIPS Member's purchase order from TIPS directly, Vendor may consider that specific TIPS Sale reported. Otherwise, with the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either: (1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or; (2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement. No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com.

11. **TIPS Administration Fees.** The collection of administrative fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The administration fee ("TIPS Administration Fee") is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of the amount paid by the TIPS Member for each TIPS Sale, less shipping cost, bond cost, and taxes if applicable and identifiable, which is legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding solicitation and is incorporated herein by reference. TIPS Administration Fees are due to TIPS immediately upon Vendor's receipt of payment, including partial payment, for a TIPS Sale. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. Upon receipt of payment for a TIPS Sale, including partial payment (which renders TIPS Administration Fees immediately due), Vendor shall issue to TIPS the corresponding TIPS Administration Fee payment as soon as possible but not later than thirty-one calendar days following Vendor's receipt of payment. Vendor shall pay TIPS via check unless otherwise agreed to by the Parties in writing. Vendor shall include clear documentation with the issued payment dictating to which sale(s) the amount should be applied. Vendor may create a payment report within their TIPS Vendor Portal which is the preferred documentation dictating to which TIPS Sale(s) the amount should be applied. Failure to pay all TIPS Administration Fees pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion as well as the initiation of collection and legal actions by TIPS against Vendor to the extent permitted by law. Any overpayment of participation fees to TIPS by Vendor will be refunded to the Vendor

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date that TIPS received the payment will render the overpayment non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect TIPS Administration Fees due to TIPS pursuant to this Agreement.

12. **Term of the Agreement.** This Agreement with TIPS is for approximately five years with a one-year, consecutive option for renewal as described herein. Renewal options are not automatic and shall only be effective if offered by TIPS at its sole discretion. If TIPS offers a renewal option, the Vendor will be notified via email issued to Vendor's then-listed Primary Contact. The renewal option shall be deemed accepted by Vendor unless Vendor notifies TIPS of its objection to the renewal option in writing and confirms receipt by TIPS.

    Actual Effective Date: Agreement is effective upon signature by authorized representatives of both Parties. The Effective Date does not affect the "Term Calculation Start Date."

    Term Calculation Start Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, Vendor shall calculate the foregoing term as starting on the last day of the month that "Award Notifications" are anticipated as published in the Solicitation, regardless of the actual Effective Date.

    Example of Term Calculation Start Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023, in this example.

    Contract Expiration Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, the term expiration date shall be five years from the Term Calculation Start Date.

    Example of Contract Expiration Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023, and the Contract Expiration Date of the resulting initial "five-year" term, (which is subject to an extension(s)) will be May 31, 2028 in this example.

    Option(s) for Renewal: Any option(s) for renewal shall begin on the Contract Expiration Date, or the date of the expiration of the prior renewal term where applicable, and continue for the duration specified for the renewal option herein.

    Example of Option(s) for Renewal: In this example, if TIPS offers a one-year renewal and the Contract Expiration Date is May 31, 2028, then the one-year renewal is effective from May 31, 2028 to May 31, 2029.

    TIPS may offer to extend Vendor Agreements to the fullest extent the TIPS Solicitation resulting in this Agreement permits.

13. **TIPS Pricing.** Vendor agrees and understands that for each TIPS Contract that it holds, Vendor submitted, agreed to, and received TIPS' approval for specific pricing, discounts, and other pricing terms and incentives which make up Vendor's TIPS Pricing for that TIPS Contract ("TIPS Pricing"). Vendor confirms that Vendor will not add the TIPS Administration Fee as a charge or line-item in a TIPS Sale. Vendor hereby certifies that Vendor shall only offer goods and services through this TIPS Contract if those goods and services are included in or added to Vendor's TIPS Pricing and approved by TIPS. TIPS reserves the right to review Vendor's pricing update requests as specifically as line-item by line-item to determine compliance. However, Vendor contractually agrees that all submitted pricing updates shall be within the original terms of the Vendor's TIPS Pricing (scope, proposed discounts, price increase limitations, and other pricing terms and incentives originally proposed by Vendor) such that TIPS may accept Vendors price increase requests as submitted without additional vetting at TIPS discretion. Any pricing quoted by Vendor to a TIPS Member or on a TIPS Quote shall never exceed Vendor's TIPS Pricing for any good or service offered through TIPS. TIPS Pricing price increases and modifications, if permitted, will be honored according to the terms of the solicitation and Vendor's proposal, incorporated herein by reference.

14. **Indemnification of TIPS.** **VENDOR AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND TIPS, TIPS MEMBERS, TIPS OFFICERS, TIPS EMPLOYEES, TIPS DIRECTORS, AND TIPS TRUSTEES (THE "TIPS INDEMNITEES") FROM AND AGAINST ALL CLAIMS AND SUITS BY THIRD-PARTIES FOR DAMAGES, INJURIES TO PERSONS (INCLUDING DEATH), PROPERTY DAMAGES, LOSSES, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES, ARISING OUT OF OR RELATING TO VENDOR'S PERFORMANCE UNDER THIS AGREEMENT (INCLUDING THE PERFORMANCE OF VENDOR'S OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES), REGARDLESS OF THE NATURE OF THE CAUSE OF ACTION, INCLUDING WITHOUT LIMITATION CAUSES OF ACTION BASED UPON COMMON, CONSTITUTIONAL, OR STATUTORY LAW OR BASED IN WHOLE OR IN PART UPON ALLEGATIONS OF NEGLIGENT OR INTENTIONAL ACTS OR OMISSIONS ON THE PART OF VENDOR, ITS**

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED TO BY TIPS.** APART FROM THIS INDEMNIFICATION PROVISION REQUIRING INDEMNIFICATION OF THE TIPS INDEMNITEES' ATTORNEY'S FEES AS SET FORTH ABOVE, RECOVERY OF ATTORNEYS' FEES BY THE PREVAILING PARTY IS AUTHORIZED ONLY IF AUTHORIZED BY TEX. EDUC. CODE § 44.032(F).

15. **Indemnification and Assumption of Risk – Vendor Data.** VENDOR AGREES THAT IT IS VOLUNTARILY PROVIDING DATA (INCLUDING BUT NOT LIMITED TO: VENDOR INFORMATION, VENDOR DOCUMENTATION, VENDOR'S PROPOSALS, VENDOR PRICING SUBMITTED OR PROVIDED TO TIPS, TIPS CONTRACT DOCUMENTS, TIPS CORRESPONDENCE, VENDOR LOGOS AND IMAGES, VENDOR'S CONTACT INFORMATION, VENDOR'S BROCHURES AND COMMERCIAL INFORMATION, VENDOR'S FINANCIAL INFORMATION, VENDOR'S CERTIFICATIONS, AND ANY OTHER VENDOR INFORMATION OR DOCUMENTATION, INCLUDING WITHOUT LIMITATION SOFTWARE AND SOURCE CODE UTILIZED BY VENDOR, SUBMITTED TO TIPS BY VENDOR AND ITS AGENTS) ("VENDOR DATA") TO TIPS. FOR THE SAKE OF CLARITY, AND WITHOUT LIMITING THE BREADTH OF THE INDEMNITY OBLIGATIONS IN SECTION 14 ABOVE, VENDOR AGREES TO PROTECT, INDEMNIFY, AND HOLD THE TIPS INDEMNITEES HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, ACTIONS, DEMANDS, ALLEGATIONS, SUITS, JUDGMENTS, COSTS, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES AND ALL OTHER LIABILITY OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATING TO: (I) ANY UNAUTHORIZED, NEGLIGENT OR WRONGFUL USE OF, OR CYBER DATA BREACH INCIDENT AND VIRUSES OR OTHER CORRUPTING AGENTS INVOLVING, VENDOR'S DATA, PRICING, AND INFORMATION, COMPUTERS, OR OTHER HARDWARE OR SOFTWARE SYSTEMS, AND; (II) ALLEGATIONS OR CLAIMS THAT ANY VENDOR DATA INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF A THIRD-PARTY OR VENDOR.

16. **Procedures Related to Indemnification.** In the event that an indemnity obligation arises, Vendor shall pay all amounts set forth in Section 14 and 15 above (including any settlements) and – if it has accepted its indemnity obligation without qualification – control the legal defense to such claim or cause of action, including without limitation attorney selection, strategy, discovery, trial, appeal, and settlement, and TIPS shall, at Vendor's cost and expense (with respect to reasonable out of pocket costs and expenses incurred by TIPS which shall be reimbursed to TIPS by Vendor), provide all commercially reasonable assistance requested by Vendor. In controlling any defense, Vendor shall ensure that all assertions of governmental immunity and all applicable pleas and defenses shall be promptly asserted.

17. **Indemnity for Underlying Sales and Supplemental Agreements.** Vendor shall be solely responsible for any customer claims or any disputes arising out of TIPS Sales or any Supplemental Agreement as if sold in the open-market. The Parties agree that TIPS shall not be liable for any claims arising out of Vendor's TIPS Sales or Supplemental Agreements, including but not limited to: allegations of product defect or insufficiency, allegations of service defect or insufficiency, allegations regarding delivery defect or insufficiency, allegations of fraud or misrepresentation, allegations regarding pricing or amounts owed for TIPS sales, and/or allegations regarding payment, over-payment, under-payment, or non-payment for TIPS Sales. Payment/Drafting, overpayment/over-drafting, under-payment/under-drafting, or non-payment for TIPS Sales between customer and Vendor and inspections, rejections, or acceptance of such purchases shall be the exclusive respective obligations of Vendor/Customer, and disputes shall be handled in accordance with the terms of the underlying Supplemental Agreement(s) entered into between Vendor and Customer. Vendor acknowledges that TIPS is not a dealer, subcontractor, agent, or reseller of Vendor's goods and services and shall not be responsible for any claims arising out of alleged insufficiencies or defects in Vendor's goods and services, should any arise.

18. **Confidentiality of Vendor Data.** Vendor understands and agrees that by signing this Agreement, all Vendor Data is hereby released to TIPS, TIPS Members, and TIPS third-party administrators to effectuate Vendor's TIPS Contract except as provided for herein. The Parties agree that Vendor Data is accessible by all TIPS Members as if submitted directly to that TIPS Member Customer for purchase consideration. If Vendor otherwise considers any portion of Vendor's Data to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code (the "Public Information Act") or other law(s) and orders, Vendor must have identified the claimed confidential materials through proper execution of the Confidentiality Claim Form which is required to be submitted as part of Vendor's proposal resulting in this Agreement and incorporated by reference. The Confidentiality Claim Form included in Vendor's proposal and incorporated herein by reference is the sole indicator of whether Vendor considers any Vendor Data confidential in the event TIPS receives a Public Information Request. If TIPS receives a request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For Vendor Data deemed confidential by you in this manner, TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination and opinion. In the event that TIPS receives a written request for information pursuant to the Public Information Act that affects Vendor's interest in any information or data furnished to TIPS by Vendor, and TIPS requests an opinion from the Attorney General, Vendor may, at its own option and expense, prepare comments and submit information directly to the Attorney General stating why the requested information is exempt from disclosure pursuant to the requirements of the Public Information Act. Vendor is solely responsible for submitting the memorandum brief and information to the Attorney General within the time period prescribed by the Public Information Act. Notwithstanding any other information provided in this solicitation

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

or Vendor designation of certain Vendor Data as confidential or proprietary, Vendor's acceptance of this TIPS Vendor Agreement constitutes Vendor's consent to the disclosure of Vendor's Data, including any information deemed confidential or proprietary, to TIPS Members or as ordered by a Court or government agency, including without limitation the Texas Attorney General. Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or as required by law.

19. **Vendor's Authorized Resellers.** TIPS recognizes that many vendors operate in the open market through the use of resellers or dealers. For that reason, TIPS permits Vendor to authorize Authorized Resellers within its Vendor Portal and make TIPS Sales through the Authorized Reseller(s). Once authorized by Vendor in the Vendor Portal, the Authorized Reseller(s) may make TIPS sales to TIPS Members. However, all purchase documents must include: (1) Authorized Reseller's Name; (2) Vendor's Name, as known to TIPS, and; (3) Vendor's TIPS Contract Name and Number under which it is making the TIPS Sale. Either Vendor or Reseller may report the sale pursuant to the terms herein. However, Vendor agrees that it is legally responsible for all reporting and fee payment as described herein for TIPS Sales made by Authorized Resellers. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. The Parties intend that Vendor shall be responsible and liable for TIPS Sales made by Vendor's Authorized Resellers. Vendor agrees that it is voluntarily authorizing this Authorized Reseller and in doing so, Vendor agrees that it is doing so at its own risk and agrees to protect, indemnify, and hold TIPS harmless in accordance with Sections 14-17 above related to Authorized Reseller TIPS Sales made pursuant to this Agreement or purporting to be made pursuant to this Agreement that may be asserted against Vendor whether rightfully brought or otherwise. The Parties further agree that it is no defense to Vendor's breach of this Agreement that an Authorized Reseller caused Vendor of breach this Agreement.

20. **Circumvention of TIPS Sales**. When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Any request for quote, customer communication, or customer purchase initiated through or referencing a TIPS Contract shall be completed through TIPS pursuant to this Agreement. Any encouragement or participation by Vendor in circumventing a TIPS sale being completed may result in immediate termination of Vendor's TIPS Contract(s) for cause as well as preclusion from future TIPS opportunities at TIPS sole discretion.

21. **State of Texas Franchise Tax.** By signature hereon, Vendor hereby certifies that Vendor is not currently delinquent in the payment of any franchise taxes owed to the State of Texas under Chapter 171 of the Texas Tax Code.

22. **Termination.**

A) Termination for Convenience. TIPS may, by written notice to Vendor, terminate this Agreement for convenience, in whole or in part, at any time by giving thirty (30) days' written notice to Vendor of such termination, and specifying the effective date thereof.

B) Termination for Cause. If Vendor fails to materially perform pursuant to the terms of this Agreement, TIPS shall provide written notice to Vendor specifying the default. If Vendor does not cure such default within thirty (30) days, TIPS may terminate this Agreement, in whole or in part, for cause. If TIPS terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.

C) Vendor's Termination. If TIPS fails to materially perform pursuant to the terms of this Agreement, Vendor shall provide written notice to TIPS specifying the default ("Notice of Default"). If TIPS does not cure such default within thirty (30) days, Vendor may terminate this Agreement, in whole or in part, for cause. If Vendor terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.

D) Upon termination, all TIPS Sale orders previously accepted by Vendor shall be fulfilled and Vendor shall be paid for all TIPS Sales executed pursuant to the applicable terms. All TIPS Sale orders presented to Vendor but not fulfilled by Vendor, prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. TIPS shall submit to Vendor an invoice for any outstanding TIPS Administration Fees and approved expenses and Vendor shall pay such fees and expenses within 30 calendar days of receipt of such valid TIPS invoice. Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS' sole discretion and that any Vendor may be removed from the TIPS program at any time with or without cause. This termination clause does not affect TIPS Sales Supplemental Agreements pursuant to this term regarding

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

termination and the Survival Clause term.

E) Vendor hereby waives any and all claims for damages, including, but not limited, to consequential damages or lost profits, that might arise from TIPS' act of terminating this Agreement.

23. **Survival Clause.** It is the intent of the Parties that this Agreement and procurement method applies to any TIPS Sale made during the life of this Agreement even if made on or near the Contract Expiration Date as defined herein. Thus, all TIPS Sales, including but not limited to: leases, service agreements, license agreements, open purchase orders, warranties, and contracts, even if they extend months or years past the TIPS Contract Expiration Date, shall survive the expiration or termination of this Agreement subject to the terms and conditions of the Supplemental Agreement between Customer and Vendor or unless otherwise specified herein.

24. **Audit Rights.** Due to transparency statutes and public accountability requirements of TIPS and TIPS Members, Vendor shall at their sole expense, maintain documentation of all TIPS Sales for a period of three years from the time of the TIPS Sale. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Vendor's TIPS Pricing or TIPS Sales with thirty-days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without said notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with Vendor's TIPS Pricing, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format, and at the location acceptable to TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member. These audit rights shall survive termination of this Agreement for a period of one (1) year from the effective date of termination.

25. **Conflicts of Interest.** The Parties confirm that they have not offered, given, or accepted, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, service to the other in connection with this Agreement. Vendor affirms that, to the best of Vendor's knowledge, this Agreement has been arrived at independently, and is awarded without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement. Vendor agrees that it has disclosed any necessary affiliations with Region 8 Education Service Center and the TIPS Department, if any, through the Conflict of Interest attachment provided in the solicitation resulting in this Agreement.

26. **Volume of TIPS Sales.** Nothing in this Agreement or any TIPS communication may be construed as a guarantee that TIPS or TIPS Members will submit any TIPS orders to Vendor at any time.

27. **Compliance with the Law.** The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations applicable to their entity in connection with the programs contemplated under this Agreement.

28. **Severability.** If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, then such term(s) or provision(s) shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Agreement, and the remainder of the provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, unless such holding causes the obligations of the Parties hereto to be impossible to perform or shall render the terms of this Agreement to be inconsistent with the intent of the Parties hereto.

29. **Force Majeure.** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement through no fault of its own then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon. Upon delivering such notice, the obligation of the affected party, so far as it is affected by such Force Majeure as described, shall be suspended during the continuance of the inability then claimed but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch. In the event that Vendor's obligations are suspended by reason of Force Majeure, all TIPS Sales accepted prior to the Force Majeure event shall be the legal responsibility of Vendor and the terms of the TIPS Sale Supplemental Agreement shall control Vendor's failure to fulfill for a Force Majeure event.

30. **Immunity.** Vendor agrees that nothing in this Agreement shall be construed as a waiver of sovereign or government immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to Region 8 Education Service Center or its TIPS Department. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to Region 8 Education Service Center or its TIPS Department under this Agreement or under

Docusign Envelope ID: 98DAB558-8FB3-8996-82AE-1E2CAF8B5242

applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

31. **Insurance Requirements.** Vendor agrees to maintain the following minimum insurance requirements for the duration of this Agreement. Any TIPS Sale Supplemental Agreement containing a "Venue" clause that conflicts with these terms is rendered void and unenforceable.

50. **Indemnity Limitation for TIPS Sales.** Texas and other jurisdictions restrict the ability of governmental entities to indemnify others. Vendor agrees that if any "Indemnity" provision which requires the TIPS Member to indemnify Vendor is included in any TIPS sales agreement/contract between Vendor and a TIPS Member, that clause must either be stricken or qualified by including that such indemnity is only permitted, "to the extent permitted by the laws and constitution of [TIPS Member's State]" unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing an "Indemnity" clause that conflicts with these terms is rendered void and unenforceable.

Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause provides for only voluntary and non-binding arbitration unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Arbitration" clause that conflicts with these terms is rendered void and unenforceable.

In Witness Whereof, the parties hereto, each acting under due and proper authority, have signed this Agreement.

36 **Minimum Percentage Discount Offered to TIPS Members on all Goods and Services (READ CAREFULLY)**

Please read thoroughly and carefully as an error on your response can render your contract award unusable.

TIPS Members often turn to TIPS Contracts for ease of use and to receive discounted pricing.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer? Only limited goods/services specifically identified and excluded from this discount in Vendor's original proposal may be excluded from this discount.

Vendor must respond with a percentage from 0%-100%. The percentage discount that you input below will be applied to your "Catalog Pricing", as defined in the solicitation, for all TIPS Sales made during the life of the contract. You cannot alter this percentage discount once the solicitation legally closes. You will always be required to discount every TIPS Sale by the percentage included below with the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal. If you add goods or services to your "Catalog Pricing" during the life of the contract, you will be required to sell those new items with this discount applied.

Example: In this example, you enter a 10% minimum percentage discount below. In year-one of your TIPS Contract, your published "Catalog Pricing" (website/store/published pricing) for "Tablet A" is $100 and for "Tablet Set-Up Service" is $100. In this example, you must sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - $90, "Tablet Set-Up Service" - $90. In year two of your TIPS Contract, you update your "Catalog Pricing" with the market. You add "Tablet B" to your "Catalog Pricing" for $200 and have increased the price of "Tablet A" to $110 and the price of "Tablet Set-Up Service" to $110. In this example, after the "Catalog Pricing" update, you must still sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - $99, "Tablet Set-Up Service" - $99, and "Tablet B" - $180.00.

With the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal, if you cannot honor the discount on all goods and items now included or which may be added in the future with certainty, then you should offer a lesser discount percentage below.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer?

17%

37 **Honoring Vendor's Minimum Percentage Discount**

Vendor is asked in these Attribute Questions to provide a Minimum Percentage Discount offered to TIPS Members on all goods and services sold under the TIPS Contract. Points will be assigned for your response and scoring of your proposal will be affected. A "YES" answer will be awarded the maximum 10 points and a "NO" answer will be awarded 0 points.

Does Vendor agree to honor the Minimum Percentage Discount off of their TIPS "Catalog Pricing" that Vendor proposed for all TIPS Sales made for the duration of the TIPS Contract?

Yes, Vendor agrees

In the event of conflict between the terms of the finalized Vendor Agreement and one of the incorporated documents the terms and conditions which are in the best interest of governmental/qualifying non-profit TIPS Members shall control at TIPS sole discretion.

If Vendor responds, "No, Vendor does not agree" to this Attribute, after this solicitation legally closes and TIPS begins evaluating Vendor's file, TIPS will provide Vendor with a draft Word Document version of the Vendor Agreement and will be instructed to include all requested negotiations as redline edits for TIPS consideration. This is the only proper way to submit proposed deviations for TIPS consideration. TIPS reserves the right to accept, decline, or modify Vendor's requested negotiated terms. By submitting a proposal, Vendor agrees that it has read, understands, and agrees to the published TIPS Administration Fee amount, calculation, and payment requirements. Any TIPS Sale Supplemental Agreement containing an "Indemnity" clause that conflicts with these terms is rendered void and unenforceable.

74 **2 CFR PART 200 AND FEDERAL CONTRACT PROVISIONS EXPLANATION**

TIPS and TIPS Members will sometimes seek to make purchases with federal funds. In accordance with 2 C.F.R. Part 200 of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (sometimes referred to as “EDGAR”),Vendor's response to the following questions labeled "2 CFR Part 200 or Federal Provision" will indicate Vendor's willingness and ability to comply with certain requirements which may be applicable to TIPS purchases paid for with federal funds, if accepted by Vendor.

Your responses to the following questions labeled "2 CFR Part 200 or Federal Provision" will dictate whether TIPS can list this awarded contract as viable to be considered for a federal fund purchase. **Failure to certify all requirements labeled "2 CFR Part 200 or Federal Provision" will mean that your contract is listed as not viable for the receipt of federal funds. However, it will not prevent award.**

If you do enter into a TIPS Sale when you are accepting federal funds, the contract between you and the TIPS Member will likely require these same certifications. Specifically, if Vendor utilizes the Cost-Plus Markup method anywhere in its proposal, Vendor cannot and will not be listed as federally compliant for TIPS purposes unless Vendor also certifies "Yes" in response to the Attribute entitled, "2 CFR Part 200 - Prohibition of Cost- Plus."

75

2 CFR Part 200 or Federal Provision - Prohibition of Cost Plus

Contracts paid with federal funds which exceed the simplified acquisition threshold currently set at $250,000 (2 CFR 200.320), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, may not utilize a cost plus percentage of cost and percentage of cost method of contract pricing. Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members for a TIPS Sale resulting from this procurement process which exceeds the simplified acquisition threshold, Vendor shall not utilize a cost plus a percentage of cost and percentage of cost method of contract pricing for that expenditure. If Vendor fails to certify and proposes a Cost Plus Markup Method of pricing anywhere in their proposal, Vendor will **not** be listed as federally/EDGAR compliant for TIPS purposes.

2 CFR Part 200 or Federal Provision - Vendor Willingness to Accept Federal Funds

This certification is not required by federal law. However, TIPS Members are public entities and qualifying non-profits which often receive federal funding and grants (ESSER, CARES Act, EDGAR, etc.) ***Accepting such funds often requires additional required certifications and responsibilities for Vendor.*** The following attribute questions include these required certifications. Your response to this questions, the following certifications, and other factors will determine whether your contract award will be deemed as eligible for federal fund expenditures by TIPS Members.

If awarded, is Vendor willing to accept payment for goods and services offered under this contract paid for by a TIPS Member with federal funds?

77

Notice: Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members reserve all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

To Whom It May Concern:

Please accept this reference for TinyMobileRobots who provided a robot painter to Fairbanks Local Schools.

TinyMobileRobots provided the Tiny Line Maker Pro-X in 2024. We understand that they have submitted an assignee application to the TIPS-USA Cooperative Purchasing Program. Fairbanks Local Schools is a customer of TinyMobileRobots. They performed satisfactorily and we would do business with them again. As a customer of the TinyMobileRobots, we would highly recommend Tiny Mobile Robots to TIPS public entities and non-profit members.

I am writing to recommend the product TinyMobileRobot. The City of Northglenn has been using the autonomous robot for the past 3 years to assist with marking athletic fields. By not only freeing up a person to complete other tasks while the robot paints, it offers more benefits to the city. The robot painter uses ¾ less paint than the traditional Grayco sprayer previously used. A tablet with hundreds of pre-programmed fields from which to choose was provided along with the robot painter. Having the ability at our fingertips to reorient fields with the push of a button is one of the biggest time savers with the whole operation. The ability to modify and create any dimensions of field size needed by the user-friendly program application provided is a great asset.

I am happy to recommend the Tiny Mobile Robot. If you have any questions, feel free to contact me.

11	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested Solutions.	National Auto Fleet Group was founded in 2010 as a new division of 72 Hour LLC, born from a single dealership in Southern California with a bold vision for streamlined fleet solutions. Since then, we've expanded our reach to include a growing network of dealerships both within and beyond California, allowing us to serve public agencies and government entities with greater efficiency and scale. From day one, our company has embraced a people-first mindset by hiring from within, investing in long-term careers, and building a culture rooted in loyalty and growth. Many of our original Fleet Managers are still with us today, a reflection of our commitment to strong internal leadership and lasting relationships. As the automotive landscape has evolved, so have we by adapting to emerging technologies, sustainability trends, and industry innovations. And yet, our core values remain unchanged: integrity, service, and a deep responsibility to the members we serve. We live by our promise to deliver the RIGHT vehicle, at the RIGHT time, to the RIGHT place, at the RIGHT price. Proudly family-owned and operated, National Auto Fleet Group carries forward generations of automotive experience with a forward-looking approach. With future generations already preparing to carry the torch, we remain focused on delivering unmatched value and service for decades to come.	*
12	What are your company's expectations in the event of an award?	If awarded, this would mark our sixth Sourcewell contract, which is an achievement we're incredibly proud of. Our expectations are simple: to continue delivering exceptional customer service, to raise the bar on satisfaction, and to deepen our value to your members. We plan to leverage this award to launch new growth strategies and expand the reach of our offerings to even more agencies across the country. As part of that growth, we're excited to introduce our Partner Program, detailed in the "Marketing Plan for NAFG 081325" attachment. This next-generation tool empowers members to choose preferred upfitters, creating a seamless quoting and service experience through National Auto Fleet Group. We believe there's immense value in building these flexible, member-driven partnerships and we're committed to providing turnkey solutions that are not just efficient, but genuinely satisfying from start to finish.	*

In addition, we've provided letters of commitment from several of our nationally recognized upfitting partners, including The Knapheide Manufacturing Company, as well as regional leaders such as Phenix Truck Body in Southern California. These suppliers serve as trusted partners, offering localized support to help us fulfill orders efficiently and with precision. Lastly, we've attached supporting documentation to show the consistent growth we've achieved since receiving our first Sourcewell contract in 2012. Our direct sales force includes both in-house employees and partner dealership staff, totaling over 300 full-time and part-time individuals. These professionals are strategically located across the U.S., enabling us to support members nationwide. We also leverage strong relationships with larger-class dealerships to fulfill lower-class vehicle needs creating a versatile, cross-functional sales team that serves both our dealership network and the NAFG Fleet Division. Our indirect sales force includes more than 100 personnel from our upfitter and supplier partner network, and that number continues to grow each year. This collaborative network supports quoting, fulfillment, and customer service, ensuring our members receive turnkey solutions that are seamless from start to finish. Together, our direct and indirect teams have enabled NAFG to successfully grow, scale, and serve the evolving needs of Sourcewell members. As membership expands, we are fully committed to continuing that growth by bringing on additional staff to meet rising demand and, more importantly, exceed expectations.	*

Our network of Authorized Sellers spans both the United States, supported by a strong franchise system built through our 17 proposed OEMs. Each of these manufacturers has established extensive dealer networks across North America, with factory-authorized stores strategically located to ensure all members have access to local service, support, and warranty coverage. This built-in infrastructure enables us to deliver Solutions efficiently and reliably no matter where a member is located within the US. With certified dealerships in all 50 U.S. states, we are equipped to provide responsive delivery, servicing, and warranty fulfillment with consistency and scale. NAFG feel's the North American automotive supply chain, particularly for the OEMs we represent, is one of the strongest and most reliable in the world. 28	Service force.	The 17 OEMs we represent offer access to thousands of authorized service centers and warranty repair facilities across the United States. This expansive service network ensures that Sourcewell members have convenient, reliable support no matter where they are located with service centers in every state. All OEM service locations are fully equipped to handle maintenance and warranty needs for their respective brands, providing timely and expert service that supports the full lifecycle of the vehicles we deliver. While service accessibility is generally comprehensive across the continental U.S., members in Alaska and Hawaii may experience greater distances between franchise locations, which could impact travel time to the nearest authorized service center. Even in those cases, we work closely with our OEM partners to coordinate support and minimize disruption.	*

Depending on the needs of the member, vehicles are either routed to an upfitting partner or shipped directly to the desired end-user location. Throughout the process, our team remains the primary point of contact—managing communication, timelines, and logistics between the member, the manufacturer, and any third-party service providers. This ensures a streamlined, transparent, and responsive ordering experience from start to finish.	*

33	Describe your ability and willingness to provide your products and services to Sourcewell participating entities.	We are fully committed to serving all Sourcewell participating entities. In fact, Sourcewell members are the core of our business making up over 90% of our government sales activity over the past three years. We provide a full scale Solution designed specifically with Sourcewell members in mind. From simplified online quoting to customized upfitting and transparent pricing. Whether it’s a school district ordering a fleet of vans or a public works department in need of a specialty upfit, we treat every request with urgency, accuracy, and care. Our willingness to support members isn’t just operational, it’s cultural. Our entire team are all aligned around one mission: to make it as easy as possible for Sourcewell members to get what they need, when they need it.	*
34	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	NAFG are both willing and eager to extend our products and services to Sourcewell members in Canada. Expanding into the Canadian market is a natural next step for our organization, and we believe strongly in building success through partnerships with established, local Canadian dealer groups. Our proven business model, competitive pricing, and seamless digital tools provide a strong foundation for growth. Additionally, our straightforward approach to U.S. Dollar to Canadian Dollar conversion ensures transparency and simplicity for Sourcewell members across borders. We’re excited about the opportunity to support Canadian members with the same commitment to service, reliability, and value that we’ve delivered in the U.S. for over a decade.	*
35	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed agreement.	National Auto Fleet Group will fully support 100% of geographic areas within the United States under the proposed agreement. We will continue to serve all Sourcewell members through our 24/7 online portal, offering around-the-clock access to quotes, order tracking, and support. While we anticipate some logistical challanges in Canada, we are committed to expanding our infrastructure and dealer partnerships to offer equally robust service and customer care to Canadian members. One important note: while we do serve nonprofit organizations, these entities may not qualify for the same discounted pricing available to government agencies. Nonprofits are subject to a separate pricing program, and each request will be reviewed on a case-by-case basis to determine eligibility and ensure fair, appropriate solutions.	*

36	Define any specific requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	The only potential contract requirements or restrictions for participating entities in Hawaii, Alaska, and U.S. Territories are related to logistics and shipping constraints. Due to geographic distance and limited access to certain shipping ports, there may be additional freight, handling, and port fees associated with vehicle delivery to these regions. For example, vehicles destined for Alaska or Hawaii, particularly those that include upfits, are often coordinated through mainland processing before being shipped to the final destination. In these cases, members are informed in advance and may elect to include the additional shipping and port costs directly into their quote, ensuring full transparency and cost accuracy from the start. Despite these logistical considerations, National Auto Fleet Group is fully equipped and experienced in fulfilling orders for members in these areas, and we will continue to do so with the same level of attention, care, and service as we provide in the continental U.S.	*
37	Describe in detail your history and experience selling vehicles to state and local government agencies, public and private K-12 and higher education, and non-profits.	National Auto Fleet Group (NAFG) has over two generations of expertise in selling vehicles to state and local government agencies, public and private K-12 and higher education institutions, and non-profit organizations across the United States. As a minority family-owned business, we have built a strong reputation for our ability to navigate the complexities involved in government fleet vehicle purchasing. We specialize in offering hassle-free, reliable, and cost-effective solutions through our Sourcewell contracs since Sourcewell has done the bidding already on behalf of the members. Sourcewell contracts empower public agencies to bypass the tedious and time-consuming bidding process, allowing them to focus their efforts on other projects while we handle the procurement. NAFG holds two highly awarded Sourcewell contracts, which streamline vehicle purchases by providing a range of options—from light-duty vehicles like cars, vans, and SUVs to heavy-duty trucks, buses, and specialized vehicles for public entities. Through our partnerships with manufacturers and upfitters, we cater to the specific needs of government entities, school districts, and non-profits, ensuring the vehicles are ready for immediate in-service needs along with all necessary upfitting if needed. Our experience spans from working with small rural schools requiring a single van, to large cities replacing fleets of hunderds of utility trucks. No matter the scale or complexity, we are committed to offering the highest level of customer service and delivering vehicles that meet our clients' needs, budgets, and timelines. By leveraging the efficiency of Sourcewell's competitive contracts, we help our customers save both time and money, making vehicle purchasing seamless and efficient.	*
38	Will Proposer extend terms of any awarded master agreement to nonprofit entities? We understand the importance of supporting nonprofit organizations, and we are committed to offering the same competitive pricing, efficient service, and high-quality vehicles that we provide to our government and educational agency customers.	*

39	Describe your marketing strategy for promoting this opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	National Auto Fleet Group (NAFG) uses a comprehensive, multi-tiered marketing strategy to promote the Sourcewell contract and streamline the vehicle purchasing process for government and education entities. Our marketing strategy combines digital, in-person, and relationship-based outreach to maximize exposure, drive engagement, and support long-term growth. Website and Inbound Marketing: Our professional, customer-focused website serves as a key marketing gateway. Members can browse in-stock vehicles, explore pricing, register for access, build vehicles, and request quotes. We create inbound opportunities through tailored content such as how-to videos, member success stories, and social media posts, directing potential members to our website and empowering them to make informed purchasing decisions. Email Marketing: Email remains one of our most effective outreach tools, given its high usage among public agency staff. We use visually rich, mobile-friendly email campaigns that include flyers with Sourcewell contract details, manufacturer incentives, seasonal promotions, first-time buyer offers, and factory cutoff reminders. These emails feature embedded videos, images, and direct links to the Sourcewell homepage and NAFG quoting tools. Our platform also allows us to track performance metrics such as open rates, click-throughs, and unsubscribes to continuously refine our messaging.

In-Person Marketing and Trade Shows:
We attend major industry trade shows, including GFX, IAPPO, NIGP, ACT, CAPPO, and CASBO to establish direct connections with members and vendors. These face-to-face meetings foster trust and long-term relationships. We also deliver in-person presentations to local cities, counties, school districts, water districts, and port authorities to explain how the NAFG–Sourcewell process works, how to buy without bidding, and the vehicle options available.

Customer Advocacy (Word-of-Mouth Marketing):
NAFG's reputation for exceptional service drives organic growth through member referrals. Our commitment to white-glove support from quote to post-delivery often results in repeat customers and unsolicited endorsements. We've built our brand through consistent follow-through, fast solutions, and personalized care—even years after a vehicle has been delivered.

Cross-Promotion Marketing with Sourcewell Vendors:
We actively collaborate with fellow Sourcewell vendors such as NCL Government Capital to offer joint marketing materials and turnkey financing options. For example, we've co-developed videos, infographics, and flyers showcasing how to lease or purchase vehicles through multiple Sourcewell contracts. We also cross-market with Hoglund Bus Company, highlighting how members can pair NAFG chassis with various Hoglund bus bodies. *

Preferred Vendor Program – NAFG Partner Page:
To increase our national network and visibility, we launched www.nafgpartner.com, a dedicated site encouraging body upfitters to join as preferred vendors. Partners receive benefits such as website and social media endorsements, referral opportunities, and PR support. To qualify, vendors agree to co-promote NAFG and refer their clients in need of chassis. This helps members easily locate qualified body upfitters in their area, while deepening vendor collaboration and contract awareness.

Customer Relationship Marketing:
Our sales team takes a relationship-first approach by focusing on solution-based selling and long-term support, not just transactions. We pride ourselves on building trust and delivering value, which translates to loyal clients and strong word-of-mouth.

Examples of Impactful Relationship Marketing:

A member used three Sourcewell contracts (NAFG, NCL Gov Capital, GovDeals) to finance, purchase, and dispose of a vehicle in a single seamless transaction.

A member urgently needed a vehicle due to an accident. We redirected them to our in-stock inventory and fulfilled the order within three weeks versus the standard 18-week factory lead time.

A liftgate malfunction two years after delivery was resolved at no cost thanks to our relationship with the original upfitter, ensuring continued satisfaction.

For a member uncertain about budget, we provided multi-OEM pricing through Ram, Chevrolet, and Ford—allowing them to choose without needing to shop around.

We expedited upfitting for a vehicle held up at a local body company by personally coordinating with the vendor, leading to early delivery.

This multi-pronged strategy ensures that National Auto Fleet Group not only promotes the Sourcewell contract widely but delivers measurable value to members across every stage of the vehicle procurement lifecycle.

These documents reflect our commitment to clear communication and consistent standards, while also allowing room for customization based on the specific needs of each participating entity	*
62	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Yes, National Auto Fleet Group accepts P-card payments from Sourcewell membes. We accept P-card transactions up to $2,500 per vehicle with no additional fee. This policy allows us to support convenient procurement while maintaining cost transparency and flexibility for all participating entities.	*
63	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	National Auto Fleet Group utilizes a line-item discount model based on Manufacturer Suggested Retail Pricing (MSRP). We are offering Sourcewell participating entities competitive discounts across 17 OEM brands, as detailed in the Price File. In addition to vehicle pricing, NAFG provides the option to customize vehicles with upfits based on the member’s needs. Each line includes the standard MSRP, the Sourcewell discounted price, and all applicable OEM available options. Where available, SKUs and product identifiers are listed to support clarity and consistency.	*

64	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	National Auto Fleet Group's pricing proposal includes line-item discounts off MSRP across 17 OEM brands. Including all factory options. The percentage discounts vary by manufacturer and vehicle model, and are fully detailed in the uploaded "Price File" ZIP under each respective tab. Below is a summary of the estimated discount ranges offered by brand: Ford Motor Company from -0.42% to 3.63% Chevrolet from 0.24% to 10.02% Ram Stellantis Company from 3.44% to 9.99% Dodge Stellantis Company from 4.05% to 6.93% Jeep Stellantis Company from -.073% to 6.82% Chrysler Stellantis Company from .49% to 1.81% Buick from 0.91% to 0.97% Honda from -1.48 to 3.4% Toyota from 0.07% to 5.22% Nissan from 0.73% to 17% Kia from -1.25% to 2.48% GMC from 1.28% to 5.19% Volkswagen from 1.74% to 3.08% Lincoln from .077% to 3.12% BMW from 0.32% to 2.9% Cadillac from 2.11% to 2.2% Mullen/Bollinger at 2% While a few models reflect slight negative variances due to MSRP or market fluctuations, the majority of offerings show meaningful cost savings. Upfits can be added at dealer invoice up to 20% detailed in the price file	*
65	Describe any quantity or volume discounts or rebate programs that you offer.	National Auto Fleet Group encourages members considering large-volume purchases (typically 50 units or more) to reach out directly for customized pricing and additional volume-based discounts. While standard discounts are reflected in our price file, we recognize that high-volume opportunities often warrant special consideration. In such cases, we work closely with both OEMs and upfit partners to secure the most competitive pricing available, ensuring maximum value for Sourcewell members. Depending on the uniqueness of the large order and model, some extra costs not associated with a single purchase may be added, these are provided in the Price File. Each high-volume order is evaluated individually to provide tailored, transparent, and advantageous pricing.	*
66	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "non-contracted items". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	"Open market" items or "sourced goods" that fall outside of standard configurations will be facilitated and treated as upfit components within the quoting process. National Auto Fleet Group will obtain quotes for these items on a case-by-case basis and include them as part of the final vehicle quote. In most cases, such items will be provided at cost, though a markup of up to 20% may apply depending on the complexity of the item or service and any associated handling or integration requirements. This approach ensures transparency while maintaining flexibility for Sourcewell members who require specialized, nonstandard solutions.	*

67	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	All standard costs associated with the total acquisition for a standard vehicle purchase including factory options, upfits, and administrative fees which have been accounted are within the Price Summary Page and Price table included in the submitted price file. If a Sourcewell member requests a specialized or nonstandard solution that involves additional services such as installation, training, or setup, those costs will be clearly quoted as part of the upfit and incorporated into the final vehicle quote. These services may be fulfilled either by OEM-authorized providers or trusted third-party upfitters in our partner network, depending on the nature of the request.	*
68	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	All manufacturers include a standard Factory Destination Charge as part of the vehicle's MSRP. In addition to this, members may incur separate freight or delivery costs if a vehicle requires additional transport. For example, to or from an upfitter or final delivery location. These secondary freight charges vary depending on distance, delivery type, and location, and will be clearly itemized in the member's quote for full visibility and approval before purchase. National Auto Fleet Group ensures that all such charges are communicated upfront and incorporated seamlessly into the overall pricing.	*
69	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Shipping to Alaska, Hawaii, Canada, and U.S. Territories may involve additional logistical expenses, including but not limited to ferry charges, port handling fees, and extended driver delivery costs. These region-specific costs are carefully calculated based on the delivery route and vehicle type. All such charges will be disclosed on the member's quote for review and approval prior to finalizing the purchase. National Auto Fleet Group is experienced in managing deliveries to these regions and ensures all logistics are handled efficiently, transparently, and in compliance with regional requirements.	*
70	Describe any unique distribution and/or delivery methods or options offered in your proposal.	National Auto Fleet Group operates within a highly developed, nationwide franchise dealer distribution network, supported by relationships with 17 major OEMs. This network enables us to deliver vehicles quickly and efficiently to members and their end users across the country. Our digital order tracking system also allows members to monitor each step in the delivery process, enhancing communication and transparency throughout.	*
71	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	National Auto Fleet Group employs a robust self-audit process to ensure full compliance with our Sourcewell agreement, including verification that participating entities receive accurate, contract-based pricing. Sourcewell members can generate quotes directly through our user-friendly online platform, which is updated daily to reflect the most current manufacturer MSRP data. This ensures that pricing remains accurate and aligned with the most recent OEM updates. Our system is designed to deliver 99.99% pricing accuracy, and every quote reflects both the Sourcewell contract discount and any applicable administrative fees. In addition to this front-end visibility, our internal processes include regular pricing audits, cross-checks, and validation against contract terms. We also maintain a streamlined reporting system that allows us to deliver accurate quarterly sales and administrative reports to Sourcewell within a 15-30 day turnaround window, helping ensure transparency and ongoing contract compliance.	*

72	If you are awarded an agreement, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the agreement.	One of the key internal metrics National Auto Fleet Group uses to track and measure success under the Sourcewell contract is maintained through our online platform, which logs all member-generated quotes in real time. We carefully monitor how many quotes are created, which are converted into purchase orders, and how frequently members engage with the system. This gives us immediate insight into usage trends, quote-to-order conversion rates, and which vehicle types or configurations are seeing the most interest. Each month, we evaluate these indicators and closely monitor sales volume, frequency, and geographic distribution. We also track whether orders come from new or returning members, allowing us to measure how well we're growing the Sourcewell member base and maintaining long-term relationships. In addition to these core metrics, we review: 1. Average order size and upfit complexity 2. Delivery timelines and fulfillment rates 3. Quote accuracy and pricing consistency 4. Regional sales performance and market penetration This data informs both our strategic decision-making and our day-to-day service operations. Ultimately, we use these metrics to ensure we're not only meeting contractual obligations, but exceeding expectations by delivering consistent value, responsive service, and a positive experience for every Sourcewell member.	*
73	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	National Auto Fleet Group proposes the following Administrative Fee structure payable to Sourcewell for all completed transactions under this Master Agreement: $300 per vehicle purchased directly through NAFG $200 per vehicle purchased through our approved partner dealer, Alan Jay Automotive At this time, no other partner dealer groups are included in the scope of this agreement for administrative fee purposes. This fee will be submitted on all completed transactions during each applicable reporting period, in accordance with the terms outlined in the Master Agreement.	*

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and the Alan Jay Automotive Management (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

a. Scanning and uploading the document, or

b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to,

Docusign Envelope ID: CB0C9A43-C755-8504-8140-526D14F9DA00

Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

ATTACHMENT 9
ADDITIONAL SPECIAL CONTRACT CONDITIONS

A. Special Contract Conditions revisions: the corresponding subsections of the Special Contract Conditions referenced below are replaced in their entirety with the following:

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(14), F.S.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract and, if applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. Purchase orders issued pursuant to the Contract must be received by the Contractor no later than the close of business on the last day of the Contract's term. The Contractor is required to accept timely purchase orders specifying delivery schedules that extend beyond the Contract term even when such extended delivery will occur after expiration of the Contract. Purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the Contract shall survive the termination or expiration of the Contract and apply to the Contractor's performance. The duration of purchase orders for recurring deliverables shall not exceed the expiration of the Contract by more than twelve months. However, if an extended pricing plan offered in the state term or agency contract is selected by the ordering entity, the contract terms on pricing plans and renewals shall govern the maximum duration of purchase orders reflecting such pricing plans and renewals. Any purchase order terms and conditions conflicting with these Special Contract Conditions shall not become a part of the Contract.

3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to Section 287.057(24), F.S., all payments shall be assessed a Transaction Fee of one percent (1.0%), or as may otherwise be established by law, which the vendor shall pay to the State.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to subsection 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The vendor shall receive a credit for any Transaction Fee paid by the vendor for the purchase of any item(s) if such item(s) are returned to the vendor through no fault, act, or omission of the vendor. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement.

Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or submission of required reporting of transactions shall constitute grounds for declaring the Vendor in default.

5.1 Conduct of Business.
The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. The provisions of subparagraphs 287.058(1)(a)-(c) and (g), F.S., are hereby incorporated by reference.

Nothing contained within this Contract shall be construed to prohibit the Contractor from disclosing information relevant to performance of the Contract or purchase order to members or staff of the Florida Senate or Florida House of Representatives.

Pursuant to section 287.057(26), F.S., the Contractor shall answer all questions of, and ensure a representative will be available to, a continuing oversight team.
The Contractor will comply with all applicable disclosure requirements set forth in section 286.101, F.S. In the event the Department of Financial Services issues the Contractor a final order determining a third or subsequent violation pursuant to section 286.101(7)(c), F.S., the Contractor shall immediately notify the Department and applicable Customers and shall be disqualified from Contract eligibility.

5.4 Convicted, Discriminatory, Antitrust Violator, and Suspended Vendor Lists.
In accordance with sections 287.133, 287.134, and 287.137, F.S., the Contractor is hereby informed of the provisions of sections 287.133(2)(a), 287.134(2)(a), and 287.137(2)(a), F.S. For purposes of this Contract, a person or affiliate who is on the Convicted Vendor List, the Discriminatory Vendor List, or the Antitrust Violator Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors, or consultants have been placed on the Convicted Vendor List, the Discriminatory Vendor List, or the Antitrust Violator Vendor List during the term of the Contract.

In accordance with section 287.1351, F.S., a vendor placed on the Suspended Vendor List may not enter into or renew a contract to provide any goods or services to an agency after its placement on the Suspended Vendor List.

A firm or individual placed on the Suspended Vendor List pursuant to section 287.1351, F.S., the Convicted Vendor List pursuant to section 287.133, F.S., the Antitrust Violator Vendor List pursuant to section 287.137, F.S., or the Discriminatory Vendor List pursuant to section 287.134, F.S., is immediately disqualified from Contract eligibility.

Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for the longer of five years after the expiration or termination of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State's Records Management website. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor agrees to impose the same obligations to cooperate with the Inspector General and retain records on any subcontractors used to provide goods or services under the Contract.

6.10 Cooperative Purchasing. Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by Contractor. Such purchases are independent of the Contract between the Department and the Contractor, and the Department is not a party to these transactions. Agencies seeking to make purchases under this Contract are required to follow the requirements of Rule 60A-1.045(6), F.A.C.

8.1.1 Termination of Contract.
The Department may terminate the Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in Chapter 119, F.S., made or received by the Contractor in conjunction with the Contract unless the records are exempt from s. 24(a) of Art. I of the State Constitution and section 119.071(1), F.S.

8.1.2 Statutory Notice.
Pursuant to section 119.0701(2)(a), F.S., for contracts for services with a contractor acting on behalf of a public agency, as defined in section 119.011(2), F.S., the following applies:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT PUBLICRECORDS@DMS.FL.GOV, (850) 487-1082 OR 4050 ESPLANADE WAY, SUITE 160, TALLAHASSEE, FLORIDA 32399-0950.

Pursuant to section 119.0701(2)(b), F.S., for contracts for services with a contractor acting on behalf of a public agency as defined in section 119.011(2), F.S., the Contractor shall:

(a) Keep and maintain public records required by the public agency to perform the service.

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

(b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the Contract term and following the completion of the Contract if the Contractor does not transfer the records to the public agency.

(d) Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

12.1 Performance or Compliance Audits.

SECTION 2. CONTRACT TERM AND TERMINATION.

2.1 Initial Term.
The initial term will begin on the date set forth in the Contract documents or on the date the Contract is signed by all Parties, whichever is later.

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(13), F.S.

2.3 Suspension of Work and Termination.

2.3.1 Suspension of Work.
The Department may, at its sole discretion, suspend any or all activities under the Contract, at any time, when it is in the best interest of the State of Florida to do so. The Customer may suspend a resulting contract or purchase order, at any time, when in the best interest of the Customer to do so. The Department or Customer will provide the Contractor written notice outlining the particulars of the suspension. After receiving a suspension notice, the Contractor must comply with the notice and will cease the performance of the Contract or purchase order. Suspension of work will not entitle the Contractor to any additional compensation. The Contractor will not resume performance of the Contract or purchase order until so authorized by the Department.

2.3.2 Termination for Convenience.
The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor.

2.3.3 Termination for Cause.
If the performance of the Contractor is not in compliance with the Contract requirements or the Contractor has defaulted, the Department may:

(a) immediately terminate the Contract;
(b) notify the Contractor of the noncompliance or default, require correction, and specify the date by which the correction must be completed before the Contract is terminated; or

SECTION 3. PAYMENT AND FEES.

3.1 Pricing.
The Contractor will not exceed the pricing set forth in the Contract documents.

3.2 Price Decreases.
The following price decrease terms will apply to the Contract:

3.2.1 Quantity Discounts. Contractor may offer additional discounts for one-time delivery of large single orders;

3.2.2 Preferred Pricing. The Contractor guarantees that the pricing indicated in this Contract is a maximum price. Additionally, Contractor's pricing will not exceed the pricing offered under comparable contracts. Comparable contracts are those that are similar in size, scope, and terms. In compliance with section 216.0113, F.S., Contractor must annually submit an affidavit from the Contractor's authorized representative attesting that the Contract complies with this clause.

3.2.3 Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. The Contractor must submit documentation identifying the proposed: (1) starting and ending dates of the promotion, (2) commodities or contractual services involved, and (3) promotional prices compared to then-authorized prices.

Invoices must contain sufficient detail for an audit and contain the Contract Number and the Contractor's Federal Employer Identification Number.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract and, if applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. Purchase orders issued pursuant to the Contract must be received by the Contractor no later than the close of business on the last day of the Contract's term. Purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the Contract shall survive the termination or expiration of the Contract and apply to the Contractor's performance. The duration of purchase orders for recurring deliverables shall not exceed the expiration of the Contract by more than twelve months. 3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(22), F.S. All payments issued by Customers to registered Vendors for purchases of commodities or contractual services will be assessed Transaction Fees as prescribed by rule 60A-1.031, F.A.C., or as may otherwise be established by law. Vendors must pay the Transaction Fees and agree to automatic deduction of the Transaction Fees when automatic deduction becomes available. Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions will constitute grounds for declaring the Vendor in default and subject the Vendor to exclusion from business with the State of Florida.

6.8 Waiver.
The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.
The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.
Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by Contractor. The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

7.6 Limitation of Liability.
Unless otherwise specifically enumerated in the Contract or in the purchase order, neither the Department nor the Customer shall be liable for special, indirect, punitive, or consequential damages, including lost data or records (unless the Contract or purchase order requires the Contractor to back-up data or records), even if the Department or Customer has been advised that such damages are possible. Neither the Department nor the Customer shall be liable for lost profits, lost revenue, or lost institutional operating savings. The Department or Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.
The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer's or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.
The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.

11.2.1 Proposal of Corrective Action Plan.
In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department or Customer determines that there is a performance deficiency that requires correction by the Contractor, then the Department or Customer will notify the Contractor. The correction must be made within a time-frame specified by the Department or Customer. The Contractor must provide the Department or Customer with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department or Customer.

11.2.2 Retainage for Unacceptable Corrective Action Plan or Plan Failure.
If the corrective action plan is unacceptable to the Department or Customer, or implementation of the plan fails to remedy the performance deficiencies, the Department or Customer will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department or Customer for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited to compensate the Department or Customer for the performance deficiencies.

11.3 Performance Delay.

11.3.1 Notification.
The Contractor will promptly notify the Department or Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department’s delay.

11.3.2 Liquidated Damages.
The Contractor acknowledges that delayed performance will damage the DepartmentCustomer, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay, and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that created or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers and the Department with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.
The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners, or agents of the Contractor, pertaining to the Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners, or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. 13.1 Background Check.
The Department or Customer may require the Contractor to conduct background checks of its employees, agents, representatives, and subcontractors as directed by the Department or Customer. The cost of the background checks will be borne by the Contractor. The Department or Customer may require the Contractor to exclude the Contractor's employees, agents, representatives, or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. Upon the request of the Department or Customer, the Contractor will re-screen any of its employees, agents, representatives, and subcontractors during the term of the Contract.

13.2 E-Verify.
The Contractor must use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is https://www.uscis.gov/e-verify. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.
If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. WARRANTY OF CONTRACTOR'S ABILITY TO PERFORM.

The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the Suspended Vendor List, Convicted Vendor List, or the Discriminatory Vendor List, or on any similar list maintained by any other state or the federal government. Purchasing Card platform during the term of Contract, the Contractor shall make any necessary changes to accommodate the State ‘s new Purchasing Card platform within 30 calendar days of notification of such change.

3.16 Punchout Catalog and Electronic Invoicing

The Contractor is encouraged to provide a MFMP punchout catalog. The punchout catalog provides an alternative mechanism for suppliers to offer the State access to Products awarded under the Contract. The punchout catalog also allows for direct communication between the MFMP eProcurement System and a supplier’s Enterprise Resource Planning (ERP) system, which can reflect real-time Product inventory/availability information.

Through utilization of the punchout catalog model, a Florida buyer will “punch out” to a supplier’s website. Using the search tools on the supplier’s Florida punchout catalog site, the user selects the desired Products. When complete, the user exits the supplier’s punchout catalog site and the shopping cart (full of Products) is “brought back” to MFMP. No orders are sent to a supplier when the user exits the supplier’s punchout catalog site. Instead, the chosen Products are “brought back” to MFMP as line items in a purchase order. The user can then proceed through the normal workflow steps, which may include adding/editing the Products (i.e., line items) in the purchase order. An order is not submitted to a supplier until the user approves and submits the purchase order, at which point the supplier receives an email with the order details.

The Contractor may supply electronic invoices in lieu of paper-based invoices for those transactions processed through MFMP. Electronic invoices may be submitted to the agency through one of the mechanisms as listed below:

1) EDI (Electronic Data Interchange)
   This standard establishes the data contents of the Invoice Transaction Set (810) for use within the context of an Electronic Data Interchange (EDI) environment. This transaction set can be used for invoicing via the Ariba Network (AN) for catalog and non-catalog goods and services.

2) PO Flip via AN
   This online process allows Contractors to submit invoices via the AN for catalog and non-catalog goods and services. Contractors have the ability to create an invoice directly from their inbox in their AN account by simply "flipping" the PO into an invoice. This option does not require any special software or technical capabilities.

The Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third-party provider of MFMP, a State contractor, the right and license to use, reproduce, transmit, distribute, and publicly display within MFMP. In addition, the Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third-party provider the right and license to reproduce and display within MFMP the Contractor's trademarks, system marks, logos, trade dress, or other branding designation that identifies the products made available by the Contractor under the Contract.

The Contractor will work with the MFMP management team to obtain specific requirements for the electronic invoicing if needed.

THE E-VERIFY PROGRAM FOR EMPLOYMENT VERIFICATION MEMORANDUM OF UNDERSTANDING

ARTICLE I

PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Department of Homeland Security (DHS) and **BEARD EQUIPMENT COMPANY** (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). This MOU explains certain features of the E-Verify program and enumerates specific responsibilities of DHS, the Social Security Administration (SSA), and the Employer. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Eligibility Verification Form (Form I-9). For covered government contractors, E-Verify is used to verify the employment eligibility of all newly hired employees and all existing employees assigned to Federal contracts or to verify the entire workforce if the contractor so chooses.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). Authority for use of the E-Verify program by Federal contractors and subcontractors covered by the terms of Subpart 22.18, "Employment Eligibility Verification", of the Federal Acquisition Regulation (FAR) (hereinafter referred to in this MOU as a "Federal contractor with the FAR E-Verify clause") to verify the employment eligibility of certain employees working on Federal contracts is also found in Subpart 22.18 and in Executive Order 12989, as amended.

ARTICLE II

FUNCTIONS TO BE PERFORMED

A. RESPONSIBILITIES OF SSA

1. SSA agrees to provide the Employer with available information that allows the Employer to confirm the accuracy of Social Security Numbers provided by all employees verified under this MOU and the employment authorization of U.S. citizens.

2. SSA agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. SSA agrees to provide the Employer with names, titles, addresses, and telephone numbers of SSA representatives to be contacted during the E-Verify process.

3. SSA agrees to safeguard the information provided by the Employer through the E-Verify program procedures, and to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security Numbers and for evaluation of the E-Verify program or such other persons or entities who may be authorized by SSA as governed

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

4. SSA agrees to provide a means of automated verification that is designed (in conjunction with DHS's automated system if necessary) to provide confirmation or tentative nonconfirmation of U.S. citizens' employment eligibility within 3 Federal Government work days of the initial inquiry.

5. SSA agrees to provide a means of secondary verification (including updating SSA records as may be necessary) for employees who contest SSA tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of U.S. citizens' employment eligibility and accuracy of SSA records for both citizens and non-citizens within 10 Federal Government work days of the date of referral to SSA, unless SSA determines that more than 10 days may be necessary. In such cases, SSA will provide additional verification instructions.

B. RESPONSIBILITIES OF DHS

1. After SSA verifies the accuracy of SSA records for employees through E-Verify, DHS agrees to provide the Employer access to selected data from DHS's database to enable the Employer to conduct, to the extent authorized by this MOU:

- Automated verification checks on employees by electronic means, and
- Photo verification checks (when available) on employees.

2. DHS agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to make available to the Employer at the E-Verify Web site and on the E-Verify Web browser, instructional materials on E-Verify policies, procedures and requirements for both SSA and DHS, including restrictions on the use of E-Verify. DHS agrees to provide training materials on E-Verify.

4. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in the E-Verify program. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

5. DHS agrees to issue the Employer a user identification number and password that permits the Employer to verify information provided by employees with DHS's database.

6. DHS agrees to safeguard the information provided to DHS by the Employer, and to limit access to such information to individuals responsible for the verification of employees' employment eligibility and for evaluation of the E-Verify program, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security Numbers and employment eligibility, to enforce the Immigration and

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

Nationality Act (INA) and Federal criminal laws, and to administer Federal contracting requirements.

7. DHS agrees to provide a means of automated verification that is designed (in conjunction with SSA verification procedures) to provide confirmation or tentative nonconfirmation of employees' employment eligibility within 3 Federal Government work days of the initial inquiry.

8. DHS agrees to provide a means of secondary verification (including updating DHS records as may be necessary) for employees who contest DHS tentative nonconfirmations and photo non-match tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

C. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system.

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted regarding E-Verify.

3. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

4. The Employer agrees that any Employer Representative who will perform employment verification queries will complete the E-Verify Tutorial before that individual initiates any queries.

A. The Employer agrees that all Employer representatives will take the refresher tutorials initiated by the E-Verify program as a condition of continued use of E-Verify.

B. Failure to complete a refresher tutorial will prevent the Employer from continued use of the program.

5. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

• If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

• If an employee presents a DHS Form I-551 (Permanent Resident Card) or Form I-766 (Employment Authorization Document) to complete the Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The photocopy must be of sufficient quality to allow for verification of the photo

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

and written information. The employer will use the photocopy to verify the photo and to assist DHS with its review of photo non-matches that are contested by employees. Note that employees retain the right to present any List A, or List B and List C, documentation to complete the Form I-9. DHS may in the future designate other documents that activate the photo screening tool.

6. The Employer understands that participation in E-Verify does not exempt the Employer from the responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures, except for the following modified requirements applicable by reason of the Employer's participation in E-Verify: (1) identity documents must have photos, as described in paragraph 5 above; (2) a rebuttable presumption is established that the Employer has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of any individual if it obtains confirmation of the identity and employment eligibility of the individual in good faith compliance with the terms and conditions of E-Verify; (3) the Employer must notify DHS if it continues to employ any employee after receiving a final nonconfirmation, and is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A) if the Employer continues to employ an employee after receiving a final nonconfirmation; and (5) no person or entity participating in E-Verify is civilly or criminally liable under any law for any action taken in good faith based on information provided through the confirmation system. DHS reserves the right to conduct Form I-9 and E-Verify system compliance inspections during the course of E-Verify, as well as to conduct any other enforcement activity authorized by law.

7. The Employer agrees to initiate E-Verify verification procedures for new employees within 3 Employer business days after each employee has been hired (but after the Form I-9 has been completed), and to complete as many (but only as many) steps of the E-Verify process as are necessary according to the E-Verify User Manual, or in the case of Federal contractors with the FAR E-Verify clause, the E-Verify User Manual for Federal Contractors. The Employer is prohibited from initiating verification procedures before the employee has been hired and the Form I-9 completed. If the automated system to be queried is temporarily unavailable, the 3-day time period is extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability. Employers may initiate verification by notating the Form I-9 in circumstances where the employee has applied for a Social Security Number (SSN) from the SSA and is waiting to receive the SSN, provided that the Employer performs an E-Verify employment verification query using the employee's SSN as soon as the SSN becomes available.

8. The Employer agrees not to use E-Verify procedures for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use not authorized by this MOU. Employers must use E-Verify for all new employees, unless an Employer is a Federal contractor that qualifies for the exceptions described in Article II.D.1.c. Except as provided in Article II.D, the Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. The Employer understands that if the Employer

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

uses the E-Verify system for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its access to SSA and DHS information pursuant to this MOU.

9. The Employer agrees to follow appropriate procedures (see Article III. below) regarding tentative nonconfirmations, including notifying employees in private of the finding and providing them written notice of the findings, providing written referral instructions to employees, allowing employees to contest the finding, and not taking adverse action against employees if they choose to contest the finding. Further, when employees contest a tentative nonconfirmation based upon a photo non-match, the Employer is required to take affirmative steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

10. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo non-match, does not establish, and should not be interpreted as evidence, that the employee is not work authorized. In any of the cases listed above, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, refusing to assign the employee to a Federal contract or other assignment, or otherwise subjecting an employee to any assumption that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo non-match or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 or OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

11. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA, as applicable, by not discriminating unlawfully against any individual in hiring, firing, or recruitment or referral practices because of his or her national origin or, in the case of a protected individual as defined in section 274B(a)(3) of the INA, because of his or her citizenship status. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the unfair immigration-related employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-

Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

12. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

13. The Employer agrees that it will use the information it receives from SSA or DHS pursuant to E-Verify and this MOU only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords) to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

14. The Employer acknowledges that the information which it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)), and that any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

15. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, including by permitting DHS and SSA, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a timely and accurate manner to DHS requests for information relating to their participation in E-Verify.

D. RESPONSIBILITIES OF FEDERAL CONTRACTORS WITH THE FAR E-VERIFY CLAUSE

1. The Employer understands that if it is a subject to the employment verification terms in Subpart 22.18 of the FAR, it must verify the employment eligibility of any existing employee assigned to the contract and all new hires, as discussed in the Supplemental Guide for Federal Contractors. Once an employee has been verified through E-Verify by the Employer, the Employer may not reverify the employee through E-Verify.

a. Federal contractors with the FAR E-Verify clause agree to become familiar with and comply with the most recent versions of the E-Verify User Manual for Federal Contractors and the E-Verify Supplemental Guide for Federal Contractors.

b. Federal contractors with the FAR E-Verify clause agree to complete a tutorial for Federal contractors with the FAR E-Verify clause.

c. Federal contractors with the FAR E-Verify clause not enrolled at the time of contract award: An Employer that is not enrolled in E-Verify at the time of a contract award must enroll as a Federal contractor with the FAR E-Verify clause in E-Verify within 30 calendar days of contract award and, within 90 days of enrollment, begin to use E-Verify to initiate verification of employment eligibility of new hires of the Employer who are working in the United States,

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

whether or not assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within 3 business days after the date of hire. Once enrolled in E-Verify as a Federal contractor with the FAR E-Verify clause, the Employer must initiate verification of employees assigned to the contract within 90 calendar days from the time of enrollment in the system and after the date and selecting which employees will be verified in E-Verify or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Employers that are already enrolled in E-Verify at the time of a contract award but are not enrolled in the system as a Federal contractor with the FAR E-Verify clause: Employers enrolled in E-Verify for 90 days or more at the time of a contract award must use E-Verify to initiate verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire. Employers enrolled in E-Verify as other than a Federal contractor with the FAR E-Verify clause, must update E-Verify to indicate that they are a Federal contractor with the FAR E-Verify clause within 30 days after assignment to the contract. If the Employer is enrolled in E-Verify for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within 3 business days after the date of hire. An Employer enrolled as a Federal contractor with the FAR E-Verify clause in E-Verify must initiate verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

e. Institutions of higher education, State, local and tribal governments and sureties: Federal contractors with the FAR E-Verify clause that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), State or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors with the FAR E-Verify clause may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. The provisions of Article II.D, paragraphs 1.a and 1.b of this MOU providing timeframes for initiating employment verification of employees assigned to a contract apply to such institutions of higher education, State, local and tribal governments, and sureties.

f. Verification of all employees: Upon enrollment, Employers who are Federal contractors with the FAR E-Verify clause may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only new employees and those existing employees assigned to a covered Federal contract. After enrollment, Employers must elect to do so only in the manner designated by DHS and initiate E-Verify verification of all existing employees within 180 days after the election.

g. Form I-9 procedures for existing employees of Federal contractors with the FAR E-Verify clause: Federal contractors with the FAR E-Verify clause may choose to complete new Forms I-9 for all existing employees other than those that are completely exempt from this process. Federal contractors with the FAR E-Verify clause may also update previously completed Forms I-9 to initiate E-Verify verification of existing employees who are not completely exempt as long as that Form I-9 is complete (including the SSN), complies with

Article II.C.5, the employee's work authorization has not expired, and the Employer has reviewed the information reflected in the Form I-9 either in person or in communications with the employee to ensure that the employee's stated basis in section 1 of the Form I-9 for work authorization has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen). If the Employer is unable to determine that the Form I-9 complies with Article II.C.5, if the employee's basis for work authorization as attested in section 1 has expired or changed, or if the Form I-9 contains no SSN or is otherwise incomplete, the Employer shall complete a new I-9 consistent with Article II.C.5, or update the previous I-9 to provide the necessary information. If section 1 of the Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired subsequent to completion of the Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.C.5, subject to any additional or superseding instructions that may be provided on this subject in the Supplemental Guide for Federal Contractors. Nothing in this section shall be construed to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU, or to authorize verification of any existing employee by any Employer that is not a Federal contractor with the FAR E-Verify clause.

2. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

ARTICLE III

REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. The Employer will refer employees to SSA field offices only as directed by the automated system based on a tentative nonconfirmation, and only after the Employer records the case verification number, reviews the input to detect any transaction errors, and determines that the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security Number to SSA for verification again if this review indicates a need to do so. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

3. If the employee contests an SSA tentative nonconfirmation, the Employer will provide the employee with a system-generated referral letter and instruct the employee to visit an SSA office within 8 Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it

DocuSign Envelope ID: F699F8B1-745A-45DD-A1CA-9D776BEBC763

determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

4. The Employer agrees not to ask the employee to obtain a printout from the Social Security Number database (the Numident) or other written verification of the Social Security Number from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must print the tentative nonconfirmation notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. If the Employer finds a photo non-match for an employee who provides a document for which the automated system has transmitted a photo, the employer must print the photo non-match tentative nonconfirmation notice as directed by the automated system and provide it to the employee so that the employee may determine whether he or she will contest the finding. The Employer must review the tentative nonconfirmation with the employee in private.
3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation received from DHS automated verification process or when the Employer issues a tentative nonconfirmation based upon a photo non-match. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will provide the employee with a referral letter and instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within 8 Federal Government work days.

5. If the employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will provide the employee with a referral letter to DHS. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will send a copy of the employee's Form I-551 or Form I-766 to DHS for review by:

- Scanning and uploading the document, or
- Sending a photocopy of the document by an express mail account (paid for at employer expense).

7. If the Employer determines that there is a photo non-match when comparing the photocopied List B document described in Article II.C.5 with the image generated in E-Verify, the Employer must forward the employee's documentation to DHS using one of the means described in the preceding paragraph, and allow DHS to resolve the case.

ARTICLE IV

SERVICE PROVISIONS

SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V

PARTIES

A. This MOU is effective upon the signature of all parties, and shall continue in effect for as long as the SSA and DHS conduct the E-Verify program unless modified in writing by the mutual consent of all parties, or terminated by any party upon 30 days prior written notice to the others. Any and all system enhancements to the E-Verify program by DHS or SSA, including but not limited to the E-Verify checking against additional data sources and instituting new verification procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes. DHS agrees to train employers on all changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual, the E-Verify User Manual for Federal Contractors or the E-Verify Supplemental Guide for Federal Contractors. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials. An Employer that is a Federal contractor with the FAR E-Verify clause may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such a circumstance, the Federal contractor with the FAR E-Verify clause must provide written notice to DHS. If an Employer that is a Federal contractor with the FAR E-Verify clause fails to provide such notice, that Employer will remain a participant in the E-Verify program, will remain bound by the terms of this MOU that apply to participants that are not Federal contractors with the FAR E-Verify clause, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

B. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established procedures or legal requirements. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, termination of this MOU by any party for any reason may negatively affect its performance of its contractual responsibilities.

C. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as they may determine necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

D. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

E. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

F. The Employer understands that the fact of its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

H. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively.

Docusign Envelope ID: 26BAA3AA-CD83-4D6B-90C0-5312BB57EA3A

"Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must comply with all applicable Davis-Bacon Act provisions.

iii) **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708).** Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies, materials, or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Agreement. Supplier certifies that during the term of an award for all Agreements by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

iv) **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT.** If the federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all Agreements by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

v) **CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387).** Contracts and subgrants of amounts in excess of

Docusign Envelope ID: 26BAA3AA-CD83-4D6B-90C0-5312BB57EA3A

$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Agreement it will comply with applicable requirements as referenced above.

11	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested Solutions.	Scag Power Equipment, a division of Metalcraft of Mayville, was founded in 1983. Since then, it has grown into one of the leading manufacturers of commercial mowing and turf & debris management equipment in the outdoor power equipment industry. Scag's core values and business philosophy is deeply rooted in the corporate objectives of its parent company Metalcraft of Mayville: God–Conduct our day-to-day business so as to honor and glorify our Lord Jesus Christ. Customers–Work continuously to provide excellent service at a fair price while striving to be the best at whatever we do. Employees–Provide an environment in which each individual can maximize their unique talents. Stockholder–Profitably grow the business in a manner that's consistent with our corporate objectives. Our workforce has a wide array of specialized skills that span multiple disciplines. Of the many factors that fuel our success, the one that best relates to our success in the outdoor power equipment business is our parent company's expertise as a metal fabricator. While other companies outsource most of the necessary steel components required to build their machines, this expertise combined with Scag's cutting edge designs set us apart, particularly when it comes to controlling costs and assuring quality. With more than 1000 employees and 1 million square feet of manufacturing space (all located in Wisconsin), Scag also provides world-class laser cutting, robotic welding and automation, powder paint lines in a dust free environment, and state-of-the-art assembly. Additionally, Scag's sales, marketing, engineering, technical support and R&D are all housed under one roof in Mayville, Wisconsin. Scag tests all of its products both in R&D, as well as under "real world" conditions, to assure quality and longevity its customers can count on. In fact, Scag is the only outdoor power equipment manufacturer to be AS9100 Certified: AS9100 is the most recent standard for organizations that design, develop or provide aviation, space and defense products and services, including parts, components and assemblies. No, Scag is not planning on building flight-critical components. We did, however, see AS9100 as the most stringent quality certification available and want all of our plants to measure up to this standard of quality.	*
12	What are your company's expectations in the event of an award?	Scag would expect to grow its cooperative contract business in proportion to the growth of Sourcewell and its members. We would expect to broaden our brand awareness, interest and preference among participating Sourcewell members while encouraging qualified non-cooperative entities to sign up. Scag understands the influence of having a qualitiy partner like Sourcewell and believe associating with Sourcewell will increase our credibility and brand awareness among its customers.	*
13	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response. DO NOT PROVIDE ANY TAX INFORMATION OR PERSONALLY IDENTIFIABLE INFORMATION.	See attached credit references in Step 2. Additional information, if necessary, is available upon request.	*
14	What is your US market share for the Solutions that you are proposing?	The Outdoor Power Equipment Institute collects shipment data among the various manufacturers and provides market share estimates on a regular basis. Based on OPEI reporting the past three years, Scag consistently ranks as having 12% to 14% market share.	*
15	What is your Canadian market share for the Solutions that you are proposing?	No Canadian market share data currently existis. Scag does, however, have a Canadian distributor based in Ontario. It's provincial Scag sales grew 30% in 2024.	*
16	Disclose all current and completed bankruptcy proceedings for Proposer and any included possible Responsible Party within the past seven years. Proposer must provide notice in writing to Sourcewell if it enters a bankruptcy proceeding at any time during the pendency of this RFP evaluation.	Metalcraft of Mayville, Inc., d.b.a. Scag Power Equipment has never petitioned for bankruptcy protection.	*

17	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer the question that best applies to your organization, either a) or b). a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	Option B. Scag Power Equipment is the manufacturer of all Scag branded mowing and turf & debris management products. Scag products are sold via two-step distribution both domestically and internationally. Scags internal team works closely with these distributors (7 in the U.S./1 in Canada) to provide annual pricing & programs, sales strategies & promotions, and sales & service training and support, including warranty. The distributors, in turn, assign territory managers to provide sales and service support to independent outdoor power equipment dealers. It is the TM's responsibility to develop and maintain the network of authorized servicing dealers. The dealer is the final link in the retail chain, proving sales, service and parts support to the consumer. The Scag network of authorized servicing dealers in the U.S. is 1200 strong. In addition to sales personnel, all Scag dealers are required to have a technical service department that provides standard repairs, warranty service, preventive maintenance and parts availability. In addition to being certified to service Scag products, the dealers are also required to be authorized to work on the engines that power them. The Scag distributor, in addition to its sales staff, offers technical support through a technical service department and field service experts all trained by the Scag technical support team. So, there are three legs to the customer service stool: the Scag corporate technical support team, the distributor technical support team and the authorized dealer. The Scag corporate team and the TMs of our Scag Southwest distributor are Scag employees; territory sales and service personnel are employees of the distributor; dealers are independent businesses supported by Scag and its distributors.	*
18	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	The Clean Air Act requires that all engines and vehicles be covered by a certificate of conformity before they can enter into commerce. Scag holds these certificates for all the engines used in its finished products.	*
19	Disclose all current and past debarments or suspensions for Proposer and any included possible Responsible Party within the past seven years. Proposer must provide notice in writing to Sourcewell if it enters a debarment or suspension status any time during the pendency of this RFP evaluation.	Metalcraft of Mayville, Inc., d.b.a. Scag Power Equipment has not been suspended or debarred from doing business with the government within or beyond the past seven years.	*
20	Describe any relevant industry awards or recognition that your company has received in the past five years.	* 2020 and 2023 NAEDA Dealer's Choice Award (North American Equipment Dealers Association) *2021, 2022 and 2024 NAEDA Gold Award *2024 Editor's Choice Award given to Scag V-Ride XL by "Green Industry Pros" magazine *Twenty for 2024 Award given to Scag V-Ride XL by "OPE+" magazine.	*
21	What percentage of your sales are to the governmental sector in the past three years?	We do not track these sales as individual categories (i.e., federal government, state government, municipal, educational, etc.). Based on our sales to group purchasing organizations and sales made under our corporate bid program (sales to tax exempt entities), we would estimate our sales at 6% to 8% over the past three years.	*
22	What percentage of your sales are to the education sector in the past three years?	We do not track these sales as individual categories (i.e., federal government, state government, municipal, educational, etc.). Based on our sales to group purchasing organizations and sales made under our corporate bid program (sales to tax exempt entities), we would estimate our sales at 4% to 6% over the past three years.	*
23	List all state, cooperative purchasing agreements that you hold. What is the annual sales volume for each of these agreement over the past three years?	Sourcewell Average annual sales volume is $3.42 million (22-24, excludes Q4 2024)	*
24	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	GSA Contract #47QSHA22D002A. Average annual sales volume the last three years is $123,000.	*

Table 3: Ability to Sell and Deliver Solutions (150 Points)

Describe your company's capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *	
26	Sales force.	Scag Power Equipment employs a factory Director of Business and Dealer Development who works with the sales teams at each individual distributor. Each of our 7 US distributors/1 Canadian distributor employ their own Territory sales managers who work directly with our 1200 authorized dealers. These territory managers work with the sales, service and marketing personnel within their respective dealerships. All dealership sales personnel are required to complete online Scag "Dealer University" training on all Scag products and services. Dealers must complete Bronze and Silver level training to maintain their dealership status. Gold training is required for any dealer who wants to be a Scag Pro Gold dealer. This is in-person training. In all, there are well over 2,000 factory, distributor and dealer sales people in the field. The vast majority are at the dealer level and 3rd party employed, and they are the customers main point of contact at retail.	*
27	Describe the network of Authorized Sellers who will deliver Solutions, including dealers, distributors, resellers, and other distribution methods.	Scag Power Equipment offers its products for retail using the two step distribution method. All retail activity is done exclusively through our network of 1200 of the industry's "best in class" sales and servicing dealerships. These dealers receive products and parts from our strategically located distributors, which assure a local source of equipment and service support for all end user customers.	*
28	Service force.	Scag Power Equipment employs a full-time factory technical service/support team of three: Manager of Technical Support and two Technical Support Specialists. This in-house team works directly with distributors in the U.S. and Canada to provide technical service support for all Scag products. Our distributors, collectively, supply more than 30 associated people in their technical service, warranty and parts departments. Each one of our factory authorized dealers, as a condition of supporting our brand, must employ qualified technicians. These technicians are required to further their training and demonstrate their technical ability through our training platform: Scag University. Scag University offers both online and in-person courses. Like their sales counterparts, Bronze and Silver training are required to maintain a dealer's authorized status. Gold Service Training is required to be classified as a Pro Gold dealer. Each dealer must employ at least one technician and most employ more than one. The total number of front-line full-time technicians available to support Scag Power Equipment at any given time is approximately 1800.	*
29	Describe the ordering process. If orders will be handled by distributors, dealers or others, explain the respective roles of the Proposer and others.	The proposer develops an annual distributor program, providing pricing, retail financing programs, bid and fleet programs, and other special order opportunities. This program is given to distributors who create dealer programs in their territories. These distributors, through their TMs, conduct annual booking meetings with dealers each fall. Orders are broken down into shipping periods and go into a rolling 12 month production calendar, assuring dealers have product throughout the year. TMs continue to take supplemental orders throughout the year. Because the 12 month calendar is only firm for the upcoming 4 months, distributors can add and adjust orders as necessary throughout the year.	*

30	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	Scag Power Equipment has several processes and procedures to assure customer service at a high level throughout the chain of distribution. Our goal of having our retail dealers being completely satisfied with our product is second only to that of our end user customer. The Scag name has endured the test of time. One of the ways we measure or success has been the ability take care of our customers...tax paying or tax exempt. We see may inquiries coming through our website using our "build a mower" tool. The response to these inquiries can be measured in hours, not days. We fully support and uphold all of the warranty, service policies and guidelines described within our published literature. Because we focus on outdoor power equipment and are the single source for its design, manufacture and delivery, we can react quickly to the service needs of our customers. One of the ways we provide this level of customer service is through the ongoing training of our corporate team, distributor employees and dealer sales & service reps using the previously mentioned Scag University. Scag University is a blend of internet and hands on training modules that focus on product features, applications, safety, service, etc. This training is required for all Scag employees and distributor sales and service teams. In addition, all Scag dealers, in order to maintain their authorized status, are required to have separate people from sales and service complete the training and pass the tests. Started in 2014, Scag University has certified nearly 4,500 sales and service representatives. Between sales and service there are nearly 300 classes to complete across the Bronze, Silver and Gold levels. Gold level training classes are held in person and offered to small groups no larger than 20 per class. Scag and its distributors also work with dealers interested in achieving special recognition through the "Pro Gold" certification. This special program offers qualifying dealers special recognition, by certifying that the dealership and its employees consistently deliver the highest level of service, sales and parts support in the OPE industry. Approximately 20% of all Scag dealers qualify as Pro Gold. Finally, while some manufacturers offer part look up and service assistance through a third party subscription, Scag offers–at no charge–Scag Tech...a 24/7 information platform that is updated in real time by the factory service team. Scag Tech assures that dealers are notified of any critical information or updates in a timely manner.	*
31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities.	If re-awarded a contract, Scag's ability to provide products and services to any Sourcewell participating entity is already in place. Scag will service this contract using its vast network of authorized dealers. In the event that a certain product or part isn't available at a particular dealer, Scag will work with its distributors and/or other local dealers to transfer product when and where it is needed.	*
32	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	Scag's ability to provide products and services to any Sourcewell participating entity is not limited to the United States. Through its distributor in Canada, Scag has a network of authorized dealers ready to help customer in Canada.	*
33	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed agreement.	Scag is prepared to service all areas in the U.S. and Canada.	*
34	Identify any account type of Participating Entity which will not have full access to your Solutions if awarded an agreement, and the reasoning for this.	There are no Sourcewell participating entity sectors Scag cannot service. The selection and placement of Scag dealers across the U.S. is strategic in nature, with total U.S. coverage in mind. However, Scag does not have a dealership on every corner. Care is taken in any given market to partner with the strongest dealerships in a pattern that does not "stack" dealer on top of each other. This philosophy helps our dealers grow stronger and promotes healthy competition. It also gives our customers a reasonable array of dealer choices. There are a few regions of the U.S. including, but not limited to, the U.S. Territories, Puerto Rico, Guam, Virgin Islands (U.S.) and the Commonwealth of the Northern Mariana Islands that may be more challenging for supply and service. We have limited presence in these areas. We shall make every effort to fulfill any contract request as economically as possible. Due to the remote nature of some of these regions, additional charges may be necessary and shall be addressed with the buyer(s) on a case by case basis. In addition, our existing contracts do not have restrictions on promoting other contracts priced similarly.	*
35	Define any specific requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	Shipping costs to Hawaii, Alaska and U.S. Territories will be the responsibility of the buying member. Local delivery will remain free within 25 miles of the local Scag dealership handling the transaction. Delivery in excess of 25 miles from the dealer handling the transaction may be subject to additional delivery charges and shall be quoted on a case by case basis. The Sourcewell administration fee shall not be paid on shipping or delivery.	*
36	Will Proposer extend terms of any awarded master agreement to nonprofit entities?	No. Scag has a separate bid program allowing the local dealer to participate in "one off" bid requests.	*

Table 4: Marketing Plan (100 Points)

Line Item	Question	Response *	
37	Describe your marketing strategy for promoting this opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	Scag distributors and their dealers will be notified via email immediately upon re-awarding of the contract and update information about the cooperative on www.scag.com. Scag and its distributors currently include details of the Sourcewell opportunity in all program materials. Scag has also included a training session in Scag University detailing the benefits of the Sourcewell opportunity, including instructions on how to use the contract with qualifying entities. As always, Scag distributor sales representatives (TMs) participate in presenting and demonstrating equipment to Sourcewell members and potential members, letting them know the details of the program.	*
38	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	The various social media platforms that we participate in are predominately used as a medium for the Scag customer or potential customer to ask questions, interact with each other, and share their passion for the Scag brand. We post a blend of Scag generated content and distributor/dealer generated content. We often hear that our social media platforms are used in sales pitches by dealers/distributors to not only showcase our products, but to demonstrate the value they provide the current or perspective new user. Our factory availability is enhanced through a "Contact Us" form on www.scag.com, which is closely monitored. Inquiries are responded to as they occur with appropriate actions to assure quick response and customer satisfaction.	*
39	In your view, what is Sourcewell's role in promoting agreements arising out of this RFP? How will you integrate a Sourcewell-awarded agreement into your sales process?	It is our position that Sourcewell's role in promoting contracts arising out of this RFP is largely rooted in their position as being the only cooperative that is a government unit and public agency. This in our opinion lends additional process understanding and credibility within the qualifying entity group. This is easily demonstrated by a larger number of participating entities comparted to other established cooperative buying groups. Larger numbers of participating entities mean greater sales opportunities and more notoriety in the cooperative space. It also puts the Sourcewell brand at the top of the list when it comes to purchasing entities requesting specific brands on specific contracts. We feel that a significant component to Sourcewell's role should continue to be its social platform participation and the timely availability of digital up-to-date information on existing and new contracts on their website. We will continue to integrate a Sourcewell awarded contract into our sales process by notifying and educating our distributors and dealer sales force on how to use the contract. By understanding how the Sourcewell contract works, our sales people will make sure that qualifying entities clearly understand the availability, easy of use and cost savings of the Sourcwell opportunity.	*
40	Are your Solutions available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	We do not currently offer an e-procurement ordering process.	*

Table 5A: Value-Added Attributes (100 Points)

Line Item	Question	Response *	
41	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	For interested Sourcewell entities, training such as proper operation, applicable service and safety training are always available. Standard training, conducted at delivery or when the equipment is picked up is freely offered and an important part of the sales process. This necessary training consists of, but is not limited to, the proper safe operation of the machine(s) being purchased. The training is consistent with material published in the owner's manual and safety video (located on www.scag.com and accessed via post card QR code provided with the machine.) Required point of sale training does not replace the need to read the owner's manual and watch the safety DVD, but rather highlights key aspects of safe operation. Additional "like" safety and varying levels of service training can be conducted and customized to meet the needs of the requesting entity and, where possible, at the entity's facility. The customized training offered, in most cases would need a 30-day lead time to assemble and schedule. Although Scag prefers to have these trainings well attended, smaller group or individual or individual training can be accommodated on a case by case basis. There will be no charge for training Sourcewell member entities that have purchased Scag Power Equipment on this contract. Training may be conducted by Scag, its distributors and/or its dealer.	*

42	Describe any technological advances that your proposed Solutions offer.	Scag makes every attempt to incorporate the most modern industry-wide technology into our equipment while continuing to advance technologically in both the engineering and manufacturing of our products. As a division of a custom metal fabrication company, Scag is essentially the designer, fabricator, assembler, tester, painter, packager, shipper and marketer of all Scag whole goods. Many of our products tout engines from top manufacturers with the most modern fuel injection technology. Advanced (EVAP), Evaporative Emission Control Systems are also used to control harmful gasoline vapors. The fuel vapor, normally vented from the fuel tank directly into the atmosphere is, is now directed back into the engine with EVAP technology. Scag uses its own patented technology on certain systems such as its Custom Cut Baffle used on its Velocity Plus mower decks or the patented coil-over-shock suspension platform used on its Cheetah II zero turn. Further advances include an integrated operator information display called the Tiger Eye. The on-board Tiger Eye™ Advanced Monitoring System keeps constant watch of important system functions on your Scag® mower. Depending on the mower model and engine selection, a wide variety of systems are monitored in real-time, giving you valuable information in just a glance, right from the operator's seat. The Tiger Eye monitors of the following systems: Hour Meter, Volt Meter / Charging System, Engine Water Temperature (on liquid-cooled models), Engine Oil Pressure (on select models), Glow Plug Indicator (on diesel models), Air Filter Condition, Control Lever Circuit, PTO Circuit, Parking Brake Circuit, Seat Switch Circuit, Safety Interlock Module. Scag has also introduced an electric zero turn mower, and electric stand-on mower and a remote controlled hybrid slope mower. Prototyping in our 4700 square foot technology center is made easy with Pro-E/Creo CAD software, the ability to build our own tooling, and 3-D printing technology.	*
43	Describe any "green" initiatives that relate to your company or to your Solutions, and include a list of the certifying agency for each.	Scag uses a variety of "green" initiatives each and every day. Recycling bins for paper, plastic and aluminum are available in multiple locations throughoutits facilities. Drinking fountains have been replaced with "next generation: water bottle refilling stations, enhancing sustainability by minimizing dependency on plastic bottles. All building upgrades include low-flow toilets and low voltage LED lighting for water and energy conservation. Motion control lighting is in place in our corridors and office areas to conserve energy. Scag and its parent company use 10 million pounds of steel per month--all of which contains varying amounts of recycled content. It is typical that multiple jobs in our plant run simultaneously on a single piece of steel. This strategy is called "nesting" and is one of many important techniques used to reduce scrap and minimize waste. Of the scrap steel we do generate, we strive to recover and send back 100% of it to our steel suppliers for recycling. The finish paint on our equipment is a seven stage powder coat system. It requires parts to pass through 7 sequential stages of preparation or cleaning before it can be powder coated and cured. Three of those 7 stages are water baths or rinsing. The local water supply is used for these stages and reclaimed and recycled cleaner than it came into the plant.	*
44	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the Solutions included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	Scag has not been issued eco-labels, ratings, or certifications for the equipment in this proposal. However, the engines that are used to power the Scag commercial family products are all EPA certified for conformity with the Clean Air Act. Compliance Certificates of Conformity have been attached in the Step 2 documents section. In addition, Scag currently offers propane and diesel configuration as an alternative fuel source.	*

45	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	One unique attribute for our company is the fact that we are independently owned. The benefit to the customer is that our design decisions are not compromised by a large corporate office that also sells, sprinklers, vacuums and "widgets." We are not forced to build products that are just "good enough." The entire Scag team focuses all its resources on designing, manufacturing and assembling the finest commercial-grade mowers and turf & debris equipment money can buy. Every product starts as a piece of steel...then we punch, press, bend, cut, weld, paint, assemble, package and ship it from one of our plants to our distributors. Scag makes Scag mowers. No one makes them for us. And we don't make mowers for anyone else. In fact, we're one of the last mower manufacturers making its own components. Other companies are simply assemblers, bolting together parts that other companies have made for them. Ultimately, we control our own destiny and we are able to react quickly with new designs and product enhancements. Each mower is run at the end of the assembly line to assure that the following items are up to specification: engine RPM is set, all safety switches are checked, fluids are filled, systems are checked for leaks, and neutral and tracking adjustments are set using special dynamometers that apply load to the drive system These steps add to the value of every Scag product to ensure the product is the best it can be when it leaves the factory. Scag offers Sourcewell contract purchasers the benefits of single source responsibility. Because we design, build, test and deliver the product, we know its right.
46	Describe the safety features your equipment offers such as emergency stop, operator presence control, roll over protection systems, guarding, noise reduction, stability controls, warning lights, etc.	All Scag walk-behind, stand-on and ride-on mowers and turf & debris management products offer operator presence controls. The moment the operator lets go of a handle, steps off the operator platform, or leaves the seat, the product stops. All Scag commercial zero turn mowers feature roll over protection systems (ROPS) and seat belts. In fact, Scag builds its own ROPS. All Scag mower decks have passed throw tests and meet all other ANSI standards. Stand on and ride on mowers are designed with wide stances and low centers of gravity for enhanced stability. A new, remote-controlled slope mower is being introduced in Q1 2025 which allows mowing of slopes up to 40 degrees like those on roadside embankments without risk to the operator.
47	Describe any ergonomic features your equipment has such as anti-vibration, suspension and swivel seating, adjustable handles, ergonomic control layout for ease of reach, padded shoulder straps or harnesses, easy pull-start cords, etc.	All Scag products are ergonomically designed with operator comfort in mind. Control handles, deck lift pedals and levers, and parking brakes are all within easy reach of the operator seat and/or platform. Zero turn steering levers are adjustable based on the size of the operator. All stand-on and ride-on mowers feature iso-mounted suspension platforms and ride-ons feature suspension seats. The Cheetah II zero turn features an isolated suspension platform. Importantly, new product design and engineering includes ergonomic studies on how operators use the products. How far does someone have to reach for a lever, how do they use the controls, how do they grip a knob, is a seat easy to get in and out of, etc.
48	Describe features your equipment offers that positively impact the environment such as low-emission engines, battery powered and electric, eco-mode settings, biodegradable fuel use, water conservation technology, solar powered charging capability, smart technology, auto-shut off/no-idling systems, etc.	Scag offers a variety of engine option including low emissions, propane and diesel models. We offer a battery powered zero turn and a battery powered stand on model. A new, remote controlled slope mower is being introduced in Q1 2025 which features hybrid technology. It is powered by four electric motors recharged by a single cylinder gas engine.
49	Describe the serviceability of the products included in your proposal (parts availability, warranty and technical support, etc.)	The Scag branded product offered in this proposal is intended to be serviced at intervals described in the owner's manual provide with each machine. Maintenance points are easily identifiable and accessible for a hassle-free experience. Every authorized Scag Power Equipment dealer is required to provide standard and warranty service, plus technical support as a condition of maintaining that authorization. Parts availability is an integral part of the support offered by our dealers to their end-user customers. Our wholesale distributors are required to participate in parts stocking program driven by their historical performance. They, in turn, create and implement programs with our dealers to assist in maintaining a healthy parts inventory at the point of retail purchase.

Table 6: Pricing (400 Points)

Provide detailed pricing information in the questions that follow below.

Line Item	Question	Response *	
59	Describe your payment terms and accepted payment methods.	Payments for all Sourcewell transactions are made directly to the authorized Scag dealer with whom the purchasing entity is making the transaction. Payment is due upon delivery of the equipment.	*
60	Describe any leasing or financing options available for use by educational or governmental entities.	Our finance partners offer funding solutions in all 50 states. Leasing options may be available through Western Equipment Finance. Contact Joell Schuman at 866-806-8021.	*
61	Describe any standard transaction documents that you propose to use in connection with an awarded agreement (order forms, terms and conditions, service level agreements, etc.). Upload all template agreements or transaction documents which may be proposed to Participating Entities.	All Sourcewell transactions are conducted between the purchasing entity and the authorized Scag dealer. The purchasing entity need only produce its Sourcewell membership number to receive the Scag Sourcewell price. The dealer will provide an invoice for payment with the Scag Sourcewell contract number and the purchsing entity's member number.	*
62	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	P-Cards can be accepted for payment by participating, authorized Scag dealers with advanced notification. These equipment transactions may be subject to a 3% surcharge when not prohibited by state law. Invoice payments for these purchases will be directly to the Scag dealer.	*

63	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Scag is proposing a 22% discount off of Scag's MSRP (list price) on all qualifying whole good and accessories for the 48 contiguous states. Canada, Alaska, Hawaii and any U.S. Territory will carry the same 22% discount plus freight and any other fees associated with international shipments. All pricing will be in U.S. dollars. Qualifying products will be defined by Scag Power Equipment and limited to products considered commercial in nature and listed on the attached price list (Step 2) . Qualifying accessories must be purchased on the same transaction as the whole good that it is intended to be used with in order to qualify for the 22% discount.	*
64	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	The proposed pricing in this response represents a percentage discount of 22% off our U.S. MSRP (list price). For purchases in Hawaii, Alaska, Canada and U.S. Territories, shipping and any fees associated internationally will be the responsibility of the buying entity. Prices are listed in U.S. dollars. Final delivery of up to a 25-mile radius from the delivering dealer is free. Deliveries over 25-miles or considered "non standard" may be subject to additional feels.	*
65	Describe any quantity or volume discounts or rebate programs that you offer.	We propose to offer an additional 1% on any single order from a single entity in excess of $100,000 on invoice.	*
66	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "non-contracted items". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Scag proposes that any of its over 1200 authorized, servicing U.S. and Canadian dealerships can be used or "sourced" for warranty, standard repairs or preventive maintenance. Labor rates are established by the dealer and are market driven. Non-warrantable service parts are not part of the proposed price structure in this offering. While competition exists in the marketplace, Scag offers a full listing of its dealers via the locator tool on its website (www.scag.com). This will assist the Sourcewell contract purchaser in obtaining multiple quotes to source parts prices and labor rates. Scag does not endorse or facilitate the sourcing of any aftermarket or non-standard products or parts for use in its equipment.	*
67	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Cost elements to be considered that may impact the total cost of the acquisition may include, but are not limited to, items such as equipment set up, accessory installation labor, administrative fees on P-Card usage or finance programs. Equipment accessories ordered with a base unit, such as a grass mulch kit or grass bagging collection system required detailed installation and are best handled by a qualified Scag service technician. Labor to install these items can be quoted by the installing dealer at the dealer's hourly rate, and added to the purchaser's invoice. P-Card usage, as mentioned in Line 62, may include a 3% administrative fee. Available financing programs may have administrative or processing feels. These items are not included in the 22% whole goods and accessory discount provided by Scag.	*
68	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	In the event that items cannot be picked up by the buying entity, delivery can be arranged without charge within a 25-mile radius of the dealer filling the order. Charges for delivering newly purchased Scag equipment beyond a 25-mile radius or "non-standard" deliveries will be subject to the current rate established by the dealer and be quoted in U.S. dollars in advance of the purchase. For buyers in Alaska, Hawaii, Canada or U.S. Territories, shipping costs, international tariffs and/or customs fees are the responsibility of the buying entity.	*
69	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Freight and associated shipping costs to Alaska, Hawaii, or U.S. Territories are the sole responsibility of the buying entity. Scag Power Equipment has authorized sales and servicing dealers located in Alaska and Hawaii. Purchasers are encouraged to pick their equipment at no additional charge from the dealer filling the order. When delivery is requested, the dealer will deliver the equipment at no charge within a 25-mile radius of their location. For deliveries beyond 25-miles, or deliveries that may be considered "non-standard", delivery charges are at the discretion of the dealer making the delivery. Freight and associated shipping costs to Canada are the sole responsibility of the buying entity. Scag Power Equipment has authorized sales and servicing dealers located in Canada. Purchasers are encouraged to pick their equipment at no additional charge from the dealer filling the order. When delivery is requested, the dealer will deliver the equipment at no charge within a 25-mile radius of their location. For deliveries beyond 25-miles, or deliveries that may be considered "non-standard", delivery charges are at the discretion of the dealer making the delivery.	*

70	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Scag has more than 70 products, most of which are readily available at dealers or their distributor suppliers. In the unlikely event a product cannot be located at a dealer, their distributor or the factory, Scag will contact neighboring distributors in an effort to satisfy the retail sale. This process is currently in place for existing customers and Scag will extend it to Sourcewell members as well.	*
71	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	Scag provides all dealers and distributors with a complete Sourcewell price list to be used with any customer who requests Sourcewell pricing and who shares their membership number. Scag promotes this relationship with its distributors and dealers and they consider it a great benefit to their businesses. Additionally, any dealer who manages a purchase through Sourcewell qualifies for a rebate from the distributor and must submit a copy of the invoice with their rebate claim form. The distributor double checks that the correct pricing was used prior to funding the rebate. These rebates are reported to Scag on a quarterly basis, with a full listing of each transaction in order that Scag can pay Sourcewell its administrative fee. The reports are again audited to confirm correct pricing was used. Additionally, the Director of Dealer Development is listed as a key contact in the Scag dealer programs should anyone have any pricing/quoting questions.	*
72	If you are awarded an agreement, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the agreement.	Internal metrics will be two fold: First, YOY Sourcewell sales by distributor will be tracked. Second, Sourcewell sales will be tracked by Scag model type.	*
73	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	Scag Power Equipment proposes to pay a 2% administrative fee on any qualifying sales under this contract. Scag interprets a qualifying sale as any whole good or accompanying accessory offered on our price list at the price offered. Associated fees such as shipping, delivery, or setup, repair or installation labor, or P-Card charges will not be eligible for the adminstrative fee.	*

Table 7: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments	
74	The pricing offered is as good as or better than pricing typically offered through existing cooperative contracts, state contracts, or agencies.	Scag is offering an extra 1% discount on single orders over $100,000. This opportunity, plus the 2% administrative fee, makes the Sourcewell price better than what Scag offers similar entities.	*

Table 8A: Depth and Breadth of Offered Solutions (200 Points)

Line Item	Question	Response *	
75	Provide a detailed description of all the Solutions offered, including used, offered in the proposal.	The grounds maintenance equipment in our proposal consists of commercial walk-behind mowers, stand-on mowers, and sit down, zero turn mowers; spreader sprayers; and debris management equipment. The Scag spreader sprayer category is used for application of dry or liquid products on turf or grounds. Debris management equipment is also offered, but not exclusive to turf operations. Primary application is leaf (debris) management or removal consisting of both walk-behind and stand-on equipment for large properties. The blower products can and are often used in hard surface applications such as moving dirt. sand or other unwanted debris from parking lots, paved trails, etc. Scag also offers debris loaders which move piles of organic material–leaves, grass, etc.--into truck beds for transport and disposal.	*
76	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	The RFP category is fairly specific to our product without straying too far off center into sub-category solutions. Our products potential sub-category applications titles would be Turf, Athletic Field, Parks Maintenance and Equipment, Debris Management Equipment, Sprayers, Lawn Blowers. Lawn & Garden Equipment, Leaf Removal Equipment, Truck Loaders, and Industrial Blowers. Related accessories subcategories could include Grass & Leaf Collection, Grass Mulching Systems and Light Kits for Scag Power Equipment Products.	*

1.02 PURPOSE

The Florida Sheriffs Association invites interested Bidders, including manufacturers and dealers or authorized representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized dealers for contract terms specified under Section 1.03 for the purchase of items on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for Contracts FSA23-VEL31.0 Pursuit, Administrative and Other Vehicles and FSA23-VEH21.0 Heavy Trucks and Buses shall remain in effect for one year from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of these contracts begins October 1, 2023, and ends September 30, 2024.

The term for Contract FSA23-EQU21.0 Equipment shall remain in effect for two years from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of this contract begins October 1, 2023, and ends September 30, 2025.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. Venue shall lie in the appropriate court in and for Leon County, Florida.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

The Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any Bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollars.

S. Terms & Conditions: This document, which serves as the governing Invitation to Bid and contract for the identified FSA CPP Invitation to Bid and resulting contract(s). Standard regulations, processes, procedures, and compliance requirements are identified herein. T. Third Party Supplier: Businesses external to a Bidder or Vendor that provide products and services which contribute to the overall finished item in this contract. Third Party Suppliers are contractors under the direction and responsibility of the Bidder or Vendor.

U. Vendor: The Bidder(s) that receive award, who agree to provide the contract items that meet the requirements and Base Specifications of the contract. The Vendor must agree to the Terms & Conditions, which will serve as the governing contract. If the Vendor is not the manufacturer, the Vendor must be authorized by the manufacturer to market, sell, provide, and service all awarded items.

In addition, awarded bids can be extended and guaranteed to other entities, which can include out-of-state sales, in accordance with Vendors' individual manufacturers' agreements. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturers' agreements and must agree to the Terms & Conditions.

1.10 LEGAL REQUIREMENTS

Federal, State, and local laws, ordinances, rules and regulations, including any applicable motor vehicle dealer laws, that in any manner affect the items covered herein apply. Lack of knowledge by the Bidder of applicable legal requirements will in no way be a cause for relief from responsibility.

Bidders have the option to certify that they are willing to accept purchase orders funded in whole or in part with federal funds. By opting in, Bidders certify that they are willing to comply with the requirements outlined in Appendix D upon receipt of a federally funded purchase order. This is not a requirement of the Invitation to Bid or contract. Bidders are not required to opt-in; however, they are required to indicate whether they will opt-in or opt-out of receiving federally funded purchase orders. 1.11 PATENTS & ROYALTIES

The Bidder/Vendor, without exception, shall indemnify and hold harmless the Florida Sheriffs Association (FSA) and its employees from liability of any nature or kind, including costs and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the FSA or a purchaser.

If the Bidder/Vendor uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or costs in any way arising, directly or indirectly, from the use of such design, device, or materials in any way involved in the work.

1.12 FEDERAL AND STATE STANDARDS

It is the intent of FSA CPP that all specifications herein are in full and complete compliance with all Federal and State of Florida laws, requirements, and regulations applicable to the type and class of commodities and contractual services being provided.

In addition, any applicable Federal or State legal or regulatory requirements that become effective during the term of the Terms & Conditions, regarding the items and services specifications, safety, and environmental requirements shall immediately become a part of the Terms & Conditions. The Vendor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Vendor shall contact the FSA CPP immediately.

1.13 UNDERWRITERS' LABORATORIES

- Small businesses,
- Minority-owned small businesses,
- Women-owned small business enterprises, and
- Disadvantaged business enterprises.

FSA CPP takes necessary affirmative steps to ensure that minority businesses, women's business enterprises, and labor surplus area firms are used, when possible, as recommended by 2 C.F.R. § 200.321. FSA CPP will:

- Evaluate whether small, minority, and women's businesses are potential sources,
- Place those qualified small and minority businesses and women's business enterprises on solicitation lists, and
- Search the Small Business Administration, Minority Business Development Agency, and Labor Surplus Area reports for additional potential sources.

Bidders self-certify in the qualification packet whether they meet the state and federal definitions of a small business, minority-owned small business, women-owned small business enterprise, and disadvantaged business.

1.17 ANTI-DISCRIMINATION

The Bidder certifies that they are in compliance as applicable by federal or state law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.18 BEST COMMERCIAL PRACTICES

The apparent silence or omission of any description from the specifications shall be regarded as meaning that only the best commercial practices, size, and design are to be used. All workmanship is to be first quality. All interpretations of this specification shall be upon the basis of this statement.

1.19 PUBLIC ENTITY CRIMES (PEC)

In accordance with the Public Entity Crimes Act, Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list maintained by the State of Florida Department of Management Services following a conviction for public entity crimes may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a vendor, supplier, sub-vendor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.20 TAX EXEMPTION

Purchasers making a purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the Vendor to verify that the purchaser is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number.

The Florida Sheriffs Association is a 501(c)3 organization and is exempt from all Federal Excise and State Taxes. The FSA State Sales Tax and Use Certificate Number is 85-8012646919C-3.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

1.21 ORDER OF PRECEDENCE IN THE EVENT OF CONFLICT

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

- Addenda to Contract Terms & Conditions, if issued
- Contract Conditions
- General Conditions
- Addenda to Bid Specifications, if issued
- Bid Specifications
- Bidder Instructions

1.22 COMMUNICATIONS

Communications between a Bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the FSA CPP Staff.

Bidders should not rely on representations, statements, or explanations other than those made in this Invitation to Bid or in any written addendum to this Invitation to Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or eligible users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA CPP by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA CPP website on the date indicated on the Bid Calendar. Questions received during the cone of silence date listed on the bid calendar will not be addressed, except as provided herein.

Interpretation of the specifications or any solicitation documents will **not** be made to the Bidder verbally, and if any verbal clarifications are provided, they are without legal effect. FSA CPP will make every attempt to e-mail updates to registered Bidders. However, posting to the FSA CPP website or the Bid System constitutes proper notice of addenda.

The FSA CPP shall issue a Formal Addendum if substantial changes that impact the submission of bids are required. Any such addenda shall be binding on the Bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent Formal Addenda shall govern over prior Formal Addenda only to the extent specified. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgment of addenda to the Bid Specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, the FSA CPP may waive this requirement when in its best interest.

After the start of the contract term, FSA CPP will notify all Vendors of any addenda and will require acknowledgement of the new terms and conditions. If the Vendor does not agree to the new terms and conditions, the Vendor's award can be removed or replaced by another Vendor or qualified responsive bidder.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the Bidder, which offer shall be deemed accepted upon approval by the FSA CPP. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA CPP Bid System constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA CPP.

If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this contract, a successor-in-interest must perform all obligations under this contract. FSA CPP reserves the right to reject the acquiring entity as Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

In the event a manufacturer reassigns the product line to an alternate company, the Vendor is required to notify the FSA CPP in writing of the change within 10 business days of the reassignment. If the Vendor is not already an approved FSA CPP Vendor, the alternate company is required to submit a Qualifications Packet to the FSA CPP to become an approved Vendor *prior to* conducting any qualified sales. FSA CPP may approve such assignments of existing or new vendors at its discretion. The Vendor is required to honor the contract pricing and all of the applicable Terms & Conditions throughout the remaining term of the contract.

1.26 TERMINATION OF PRODUCT LINE

If a Vendor terminates a product line (manufacturer or brand), the Vendor is required to notify the FSA CPP within 10 business days of the decision not to retain the product line. FSA CPP may remove the terminated products from the contract.

1.27 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA CPP.

The FSA CPP may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA CPP in making the award.

FSA CPP may inspect the Bidder's facility prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services described in this Invitation to Bid.

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

1.28 VENDOR ABILITY TO PERFORM

The FSA CPP may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier, which is the actual source of supply. In these instances, the FSA CPP may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

During the contract period, FSA CPP may review the Vendor's record of performance and may require submission of supporting documentation to ensure that the Vendor is providing sufficient financial support, equipment and organization.

If the FSA CPP determines that the Vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract.

By responding to this Invitation to Bid, the Vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Vendor's ability to satisfy the obligations of a resulting contract. The Vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statues, or on any similar list maintained by any other state or the federal government. The Vendor shall immediately notify the FSA CPP and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.29 FINANCIAL RESPONSIBILITY

Bidder affirms by the submission of the bid and by signature on the contract signature form that the Bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all items bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.30 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

1.31 NONCONFORMANCE

Items may be tested for conformance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the Vendor's expense.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with Vendor.

1.32 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practicable after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of Bidders' products or services.

1.33 TIE BIDS

FSA CPP has the right to award multiple Bidders the primary or alternate award in the event of a tie. In the event the FSA CPP desires to break tie bids, and businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder within the State of Florida
- Vendors' performance record with purchasers
- Coin Toss

1.34 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA CPP to readily identify Vendor's sales. FSA CPP and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible user information, whether kept by or under the control of the Vendor, including, but not limited to those kept by its employees, agents, assigns, successors, sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to purchase orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful Bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this contract and for a period of three (3) years after the completion of this contract. At the Vendor's expense and upon written notice from FSA CPP, the Vendor shall provide such records for inspection and audit by FSA CPP or its authorized representatives. Such records shall be made available to FSA CPP during normal business hours within three business days of receipt of the written notice. FSA CPP may select the Vendor's place of business or offsite location for the audit. The FSA CPP may also request the Vendor provide requested records via e-mail.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assigns, successors, and third-party suppliers, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies underreporting, overpricing or overcharges (of any nature) by the Vendor to FSA or a purchaser in excess of three percent (3%) of the total contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the Vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.35 LICENSES AND PERMITS

The Bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and any resulting contract. Where Vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the Vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance.

The Bidder must, by the time of award, be registered to do business in the State of Florida on SunBiz.gov.

1.36 PERFORMANCE BONDS

Purchasers may request a performance bond from a Vendor. Performance bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or Bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 INDEPENDENT PREPARATION

A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Bidder as to any matter related to the bid each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit, or not submit a bid.

Bidders or Vendors who are found to have engaged in these acts will be considered nonresponsive and will be suspended or barred from bid participation. Any contract award resulting from these acts may be terminated for

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

default. Further, any such acts detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without violating this provision if the bid submitted is not from the same manufacturer and product line. Dealers that share the same ownership may submit multiple bids without violating this provision if the Bidders are not in the same region featuring the same manufacturer and product line.

1.39 DEFAULT

In case of default on the part of Vendor, the FSA CPP may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked Bidder or from other sources. A defaulting Vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.40 PROTESTS AND ARBITRATION

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA CPP within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any Bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA CPP will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful Bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA CPP within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA CPP provided at the time of filing the initial protest. Failure to provide written notice to FSA CPP, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the Bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.41 NONPERFORMANCE

By virtue of the bid submission, Bidder acknowledges its obligation to sell items in all zones for which it is awarded. Upon award, failure of the Vendor to comply with these requirements may result in the imposition of liquidated damages of up to $1,000 per item, which amount the Vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA CPP's discretion.

The Vendor shall at all times during the contract term remain responsive and responsible. In determining Vendor's responsibility, the FSA CPP shall consider all information or evidence that demonstrates the Vendor's ability or willingness to fully satisfy the requirements of the Terms & Conditions.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA CPP at its sole discretion may remove a noncompliant Vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by items or zones, or other actions as determined by FSA CPP at its sole discretion.

At FSA CPP's discretion, Vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result termination from the existing contract and future competitive bid solicitations at the discretion of the FSA CPP.

In situations where there is evidence that the Vendor has engaged in egregious breaches of the contract with respect to either the FSA CPP and/or the purchaser, the contract can be terminated and the Vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA CPP.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or Vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Any Vendor presented with a valid Purchase Order consistent with Vendor bid quotes or other agreed upon terms and pricing is required by this contract to accept such purchase order and deliver the product. Purchase Orders must be fulfilled whether or not the Purchase Order includes options. The Vendor must deliver this product in accordance with the Terms & Conditions – regardless of whether doing so will provide the Vendor with a profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue a new Purchase Order with another Vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA CPP may seek damages for nonpayment of administrative fees, to which FSA CPP is entitled, according to Section 3.28, and any attorney's fees incurred in the recovery of these damages.

1.42 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract, which shall remain in full force and effect and enforceable in accordance with its terms.

1.43 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the Vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA CPP shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the Vendor and unless the deficiencies are corrected within 10 business days, the contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA CPP, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In the event of a termination for cause, the purchaser shall compensate the successful Bidder in accordance with the contract for all services performed by the successful Bidder prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the default.

Notwithstanding the above, the Vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the Vendor, and the FSA CPP may reasonably withhold payments to the Vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the Vendor is determined.

1.44 TERMINATION WITHOUT CAUSE

The FSA CPP can terminate the contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective 30 calendar days following receipt by Vendor of such notice.

In the event of a termination without cause, all finished or unfinished documents and other materials shall be properly delivered to the FSA CPP.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balance of the contract or cancellation charges.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Any payments to the Vendor shall be only to the total extent of the purchaser liability for goods or services delivered prior to the date of notice to terminate the contract.

1.45 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The FSA logo is an official logo of the Florida Sheriffs Association designed to promote the program. The logo may be used by Vendors in accordance with this policy. Use of the logo is limited to the original version received from the FSA. Modifications are not permitted.

Methods of use include, but are not limited to:

- Electronic mediums such as websites, digital marketing campaigns, social media and e-mail; or
- Print media such as forms, marketing campaigns, business cards, posters, banners, brochures, flyers and postcards.

Vendors may request use of the logo by contacting cpp@flsheriffs.org, and should include a brief description of how the Vendor intends to use the logo. The official FSA sheriff's star and wreath logo may not be used without prior written permission.

2.03 INSURANCE AND INDEMNIFICATION

Bidder/Vendor shall be fully liable for the actions of its agents, employees, partners, or third party suppliers and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Bidder/Vendor, its agents, employees, partners, or third party suppliers; provided, however, that the Bidder/Vendor shall not indemnify for that portion of any loss or damages resulting directly from the negligent acts or omissions of the Florida Sheriffs Association and participating agencies or proximately caused by intentional wrongful acts or omissions of the Florida Sheriffs Association and participating agencies.

The Florida Sheriffs Association and/or participating agencies shall give the Bidder/Vendor (2) the opportunity to take over and settle or defend any such action at Bidder's/Vendor's sole expense. When reasonable, the Florida Sheriffs Association will give the Bidder/Vendor written notice of an action or threatened action. Bidder/Vendor shall not be liable for any unreasonable cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies, in any legal action without Bidder's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

The Insurance Checklist summarizes the Bidder's/Vendor's insurance coverage obligations, if awarded. Certificates of Insurance, evidencing such coverages and endorsements as required herein, shall be provided no later than five (5) business days prior to the contract award date. The Vendor may not begin performance under the contract until such Certificates have been approved by the FSA CPP.

The certificate must state Bid Number and Title. FSA must be named as an additional insured for the duration of the contract.

The Vendor shall maintain comprehensive general liability insurance and general aggregate insurance in the amount and coverage levels specified on the Insurance Checklist.

The Vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the Vendor is acting as an independent contractor. The Vendor shall be responsible for the work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular contract. The Vendor at all times during the full duration of work under this contract, including extra work in connection with this contract, shall meet the requirements of this section.

The Vendor shall maintain automobile liability insurance including property damage covering all owned, non-owned, hired and scheduled automobiles, when used in connection with the delivery or service of this contract.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

The Vendor shall maintain insurance to cover garage operations in the amount specified on the Insurance Checklist when the garage is used to complete work on this contract.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of B+ or better per the AM Best Rating.

FSA CPP required insurance coverages must be maintained through the duration of the contract. Upon expiration of the required insurance, the Vendor must email updated certificates of insurance for as long a period as any work is still in progress. No change or cancellation in insurance shall be made without 30 calendar days written notice to the FSA CPP.

It is understood and agreed that all policies of insurance provided by the Vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract. All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

> *The Vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public and for all damages to the property per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the Vendor, his agents, servants, or employees, or through the mere existence of the project under contract.*

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The Vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The Vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The Vendor will secure and maintain policies of third-party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the Vendor and all third-party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the Vendor and all third-party suppliers of their liabilities and obligations under any section or provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third-party suppliers and of persons employed by them as they are for acts and omissions of persons directly employed by the Vendor.

The FSA can request, and the Vendor shall furnish proof of insurance within seven (7) calendar days of receipt of the written request from FSA. Should the Vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA CPP shall have the right to consider the contract breached and justifying the

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

termination thereof. If Bidder does not meet the insurance requirements; the FSA may consider alternate insurance coverage.

2.04 SPECIFICATIONS

All items covered by this Invitation to Bid and any resulting contract, and the specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the Bid System or FSA CPP item group specification.

The Base Item Specifications are contained in the FSA CPP Bid System, may be requested from FSA CPP, and are retained within FSA CPP's archive. As part of the bid submission, Bidders will be required to provide confirmation that the item bid meets the FSA CPP Base Specification. FSA CPP may reject bids that fail to provide confirmation that the item(s) bid meet the FSA CPP Bid Specifications.

FSA CPP develops the specifications with subject matter experts and publicly available information. However, FSA CPP does not have access to full details from the manufacturer and relies on Bidders to assist in this process. Bidders should immediately notify the FSA CPP of any inaccuracies in the specifications. All notifications of inaccuracies must be in writing.

If awarded a contract, Vendor(s) must offer and supply an item that either meets or exceeds all the requirements included in the applicable Bid Specifications, unless a purchaser specifically issues a Purchase Order for a base item and Option that differs from the Base Specifications. Failure of a Bidder to comply with these provisions will result in Bidders being held responsible for all costs required to bring the item into compliance with the contract specifications.

2.05 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA CPP Bid System.

2.06 MISTAKES

Bidders are expected to examine the Base Item specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the Bidder's risk.

2.07 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a Bidder may have to the Terms & Conditions must be documented in Bidder's submission. Exceptions to the Base Specifications at the time of the bid submission shall reference the item number, make and model. FSA CPP has the discretion to grant or deny, in whole or in part, the Bidder's requested exception, deviation or contingency to the specifications or Terms &Conditions. Bidder acknowledges that the bid may be disqualified if FSA CPP rejects the proposed exceptions.

2.08 EQUIVALENTS

Prior to the opening of the Bid System, Bidders may request item equivalents. The Bidder must submit the manufacturer name and model number (or product identifier) of each equivalent requested to FSA CPP. Complete,

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

descriptive, technical literature should demonstrate that the equivalent conforms with specification. If a bid uses equivalents without prior approval, the bid may be disqualified.

2.09 MANDATORY PRE-BID MEETING

Prospective Bidders are required to attend or participate in the **mandatory** Pre-Bid Meeting. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA CPP to clarify questions on the Terms & Conditions and to confirm all Base Item specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the Base Item specifications are finalized.

FSA CPP reserves the right to grant attendance exceptions to the mandatory meeting if the Bidder has requested authorization, agrees in writing to meet all the Terms & Conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.10 PRICES QUOTED – HEAVY TRUCKS AND BUSES AND EQUIPMENT INVITATIONS TO BID

Items and options should reflect the most complete price and be below MSRP and at a minimum should cover the cost of the item or option bid.

Prices quoted in the bid submission should reflect the final amount the Bidder can expect to receive for payment for the items bid for the duration of the contract, unless otherwise provided in the contract. Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening.

Each item, make, and model must be priced and bid separately. Prices must be inclusive of all the components included in the Base Specification.

Prices bid must include the administrative fee FSA CPP charges to administer the contract, as outlined in these Terms & Conditions. The administrative fee is three quarters of one percent (.0075).

Prices bid must be at least cost, be Free On Board (FOB) destination, and must include delivery to the purchaser.

Upon award, the Vendor has the authority to offer additional discounts based on prompt payment, quantity, as well as additional manufacturer or vendor discounts.

2.11 PRICES QUOTED – PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATION TO BID

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or "cost-plus", model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year's model, when the manufacturer changes price during the contract term, or when new items come to market.

Bidders shall provide a Bid Price and a Percent for each item bid. The Bid Price will be used to evaluate the lowest, responsive and responsible Bidder for each item and zone. The Percent will be used under an awarded contract to determine the cost-plus pricing for new year's models, when the manufacturer changes price during the contract

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

term, or when new items come to market. The FSA CPP will use the percent feature of the Bid System as the field to capture the percent above cost that the Vendor can expect to receive from the purchaser for the purchase of an awarded item.

The FSA CPP has the discretion to disqualify Bidders if the proposed Percent is excessive. In order to determine if Percent is excessive, FSA will compare the Percents proposed by Bidders for each item in each zone.

Prices and Percents bid for items and options should reflect the most complete item price, be below MSRP, and at a minimum should at least cover the cost of the item or option bid.

Prices and Percents bid must be at least "Item Cost", be Free On Board (FOB) destination, and must include delivery to the purchaser.

As used in this provision, “Item Cost” is defined as the factory invoice price for the item, the Original Equipment Manufacturer (OEM) destination and delivery to dealer, and the FSA Administrative fee, minus the OEM government pricing concessions specific to this bid, all manufacturer incentives, discounts, rebates, concessions and holdbacks.

As used in this provision, “Total Cost” is defined as the Item Cost, plus costs of dealer’s floorplan estimated operational expense, and costs of dealer for preparation, cleaning, and assembling, gas, and delivery to zone.

As used in this provision, “Bid Price” is defined as the Total Cost and profit.

As used in this provision, “Percent” is defined as the markup over Item Cost.

Bid Prices will be used as the initial publish pricing for awarded items. As windows open up for next year’s model, the manufacturer changes price during the contract term, or as new items come to market, FSA CPP will work with Vendors to update the published pricing for such items based on the awarded Percent, within a reasonable period of time. Vendors may accept Purchase Orders for such items in accordance with these Terms & Conditions before submitting updated published pricing to FSA CPP.

2.12 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES CONTRACT COST-PLUS-PERCENT PRICING

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or “cost-plus”, model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year’s model, when the manufacturer changes price during the contract term, or when new items come to market.

The Bid System provides each Vendors’ percent above cost at which the Vendor will sell such items. The Percent provided in the Bid System does not provide a percent discount for items bid.

If Vendor fulfills a Purchase Order at other than published pricing, at purchasers’ request, Vendor must provide documentation substantiating the Item Cost, as defined in section 2.11.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

2.13 OPTION PRICING – EQUIPMENT INVITATION TO BID

The Bidder shall offer discount below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any factory options included in the bid submission and quotes to purchasers, if awarded. FSA CPP requests Vendors include most frequently purchased scheduled, factory and aftermarket options in the bid.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create equipment that is entirely different than the FSA CPP Base Specification or are available as another specification bid on this Invitation to Bid.

Bidder must use proper factory codes for all factory options. Options available through the factory may be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive or if options listed are not available for the item bid. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes only when determining if pricing is excessive and will not be published.

Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately within the bid. For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

If a Bidder will offer registration and title services as a fee for service, the Bidder must include the administrative fee as a separate option (i.e., line item) for each item bid. *See* Section 3.21 for additional details. Government imposed fees should not be included in this option pricing.

No other additional charges or fees are admissible.

If options are not available as a stand-alone option, the Bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part or dependent of another option. Factory package options are allowable under this contract. Factory package options must be included in the options within the bid document and detailed specifically as to what components the package includes.

When calculating the price for a manufacturer's option requested in this bid that is not listed as an option in the manufacturer's order guide (i.e., model or engine upgrade), the Bidder must calculate the option price as the net difference between vendor cost on the representative base vehicle and the total MSRP of the requested option modifying the vehicle. A Bidder may bid less than this price, but at no time charge more than the calculation provided here.

The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the written Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP.

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

the Invitation to Bid. For example, a Vendor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

Purchasers are encouraged to negotiate option pricing with Vendors. Discounts can be provided beyond option prices listed in the contract. The additional discounts for each add option shall be decided by the Vendor.

The options will correspond to the specification or item number. Multiple options may be listed for each specification or item number bid. Therefore, Bidders that do not indicate the correct item number with the option information bid will not have options displayed for the item bid. If option pricing is not uploaded correctly, FSA CPP may require Bidders to correct the formatting of the options, but pricing may not be modified. Failure of the Bidder to make corrections may cause the bid to be rejected.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description and continue to describe the option being credited. For example, "Credit: one key fob" that corresponds with the price the Bidder will credit the purchaser.

Loose Equipment can be bid as an option and made available to purchasers for items originally purchased from this contract. For purposes of this provision, "Loose Equipment" is any item of equipment that attaches to the heavy equipment item(s) included in the awarded bid, such as different sized blades. Loose Equipment does not include accessories, such as additional keys.

2.14 OPTION PRICING – HEAVY TRUCKS AND BUSES AND PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATIONS TO BID

FSA CPP requests Bidders include most frequently purchased options in the Bid System. Option pricing must include the administrative fee. Bidders must provide a price for each option in addition to a percent below MSRP for factory-installed options or a percent above cost for other options.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes and will not be published.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create an item that is available as another item bid on this Invitation to Bid. The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Bidder must use proper manufacturer codes for factory options. Options available through the factory should be bid and supplied to purchaser as factory options, unless otherwise requested in writing by the purchaser. Factory

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

package options are permitted under this contract. Factory package options included in the bid submission must detail what components the package includes.

If a Bidder will offer registration and title services as a fee for service, government-imposed fees should be listed at the exact cost and shall not include the FSA administrative fee.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description field and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the Bidder will credit the purchaser.

For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet and option upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

2.15 EMERGENCY LIGHTS AND SIRENS

Under Florida Statute 316.003(1), authorized emergency vehicles are defined as:

> Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corporations operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective departments or the chief of police of an incorporated city or any sheriff of any of the various counties.

Bidders that will provide or contract to provide emergency light and siren installation must only use installers that possess a current Emergency Vehicle Technician Certification, or an approved equivalent. FSA CPP may request certificates for a Vendor's installers at any time during the contract term. Labor may be charged for the installation of emergency lights and sirens. Labor rates must be disclosed as part of the bid submission. Bidders may not charge for labor for vehicles that are manufactured with emergency lights and sirens, including motorcycles. Prices submitted for emergency lights and sirens shall include all applicable government-imposed fees.

Bidders that install emergency lights and sirens are required to provide and install products that are Society of Automotive Engineers (SAE) certified. SAE Certifications must include Class 1, Class 2 and Class 3 in order to be eligible for participation in the contract. If a lighting or siren product installed on an emergency vehicle is not SAE Certified, the Vendor can be found in default of the contract.

<u>Bid Submission of Emergency Lights and Sirens</u>
If offering emergency lights and sirens, Bidders will be asked to provide pricing by submitting a pricing sheet. An emergency vehicle lights and siren option pricing template is offered in the Bid System. Bidders are encouraged, but not required to use the template. If item or specification group is helpful to display light and siren options, Bidders may categorize the pricing sheet by item group.

Items listed below are required for the submission of the pricing sheet:

- Order code
- Description
- Price (part only)

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Each Bidder must submit a qualifications package for each bid. The bid must be received by the date and time specified on the Bid Calendar in Appendix B. If a Bidder submits bid pricing using cents, the following formula will be applied to round the bid pricing to the nearest whole dollar: $.01-.49 will be rounded down to the dollar bid (e.g., $50.49 = $50) and $.50-.99 will be rounded to the next dollar (e.g., $50.50 =$51).

Exceptions will be granted to this section should any Bid System malfunctions occur.

2.17 ZONE BIDDING

Bidders may bid in one or more geographic zones. Bidders must submit pricing for each zone they wish to be evaluated. The zone map is included in Appendix A. The geographic zones are in place to assist Bidders in estimating costs of delivery, which must be included in the price bid and quoted to the purchaser. For the Pursuit, Administrative and Other Vehicles Contract, the cost of delivery must be included in the Percent.

2.18 EXECUTION OF BID

By submitting a response to this Invitation to Bid, the Bidder agrees to the Terms & Conditions and to be bound by such Terms & Conditions if selected for award. The Bidder must submit the Contract Signature Form with the signature of an authorized representative no later than the bid submittal due date. All Terms & Conditions are applicable throughout the term of the awarded contract and are not specific to any given year, make or model.

2.19 MODIFICATION OR WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid until the due date and time of the bid submission listed in the Bid Calendar. Modifications received after the bid due date and time will not be considered.

Bids can be withdrawn in writing prior to the contract award. If a Bidder must withdraw the bid, the Bidder must contact FSA CPP immediately. Bid withdrawals are handled on a case-by-case basis and can result in a limitation of participation in future bids.

2.20 LATE BIDS

The responsibility for submitting a bid before the due date and time on the bid calendar is solely and strictly the responsibility of the Bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

2.21 BID OPENING

Bids shall be opened on the date and time specified on the Bid Calendar. The bid opening may occur at the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, Florida, or may be offered online.

2.22 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the Invitation to Bid. As set forth in Section 2.26, FSA CPP reserves the right to waive or allow a Bidder to correct minor irregularities.

2.23 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive. The FSA CPP will not request documentation or consider a Bidder's social, political or ideological interests in determining if the Bidder is a responsible bidder. FSA CPP will not give preference to a Bidder based on the Bidder's social, political, or ideological interests.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible. In determining a responsible Bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including on previous FSA contracts; and
- Any other information relevant to the responsibility of a Bidder of which FSA CPP is aware.

In addition to the requirements set forth by these Terms & Conditions, FSA CPP reserves the right to request staffing, performance and financial information from any Bidder during the evaluation process.

FSA CPP reserves the right to determine which responses meet the requirements, specifications, Terms & Conditions of the solicitation, and which Bidders are responsive and responsible.

FSA CPP further reserves the right to limit participation of Bidders who, in FSA CPP's sole discretion, are determined to present responsibility concerns that call into question the Bidder's ability to perform but that do not rise to the level of requiring rejection of the Bidder as non-responsible.

2.24 BASIS FOR AWARD

For the Heavy Trucks and Buses, and Equipment Invitations to Bid, the FSA CPP shall make awards to the qualified, responsive and responsible Bidder(s) who submitted the lowest priced bid by item, manufacturer, and zone. Awards may also be made to subsequent lowest responsive and responsible Bidders by item, manufacturer, and zone, when determined to be in the best interest of the FSA and the purchaser(s). Awards will not be given to any parties listed on the government wide exclusion in the System for Award Management.

FSA CPP reserves the right to accept or reject any and all bids, and to waive any minor irregularity, technicality or omission if it determines that doing so will serve the purchaser's best interest. FSA CPP reserves the right to make multiple awards for each item, if determined to be in the best interest of the FSA and the purchasers.

Awards will be posted on the FSA CPP website according to the date posted in the bid calendar.

2.25 BID TABULATIONS

The Bid Tabulation report will be posted on the FSA CPP website after the bid submission closes.

If there is a delay in posting the bid tabulation results, FSA CPP will post a notice of the delay and a revised date for posting of results.

2.26 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA CPP has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA CPP determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the Terms & Conditions of this procurement that does not affect the price of the bid or give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA CPP may allow a Bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA CPP may request a Bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA CPP will not request, and a Bidder may not provide the FSA CPP with additional materials that affect the price of the bid or give the Bidder an advantage or benefit not enjoyed by other Bidders.

The FSA CPP may also reject any bids not submitted in the manner specified in this document.

2.27 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. During this period, all communications regarding this solicitation between FSA and Bidder will cease, except for procedural questions, questions regarding problems incurred in the use of the Bid System, or communications initiated by the FSA CPP. All permitted communications during this period shall be made in writing to the contacts identified in Section 1.01 of this Invitation to Bid.

3.04 ADDITIONS OR DELETIONS

FSA CPP reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and purchasers, at its discretion. This decision to take action may be based upon and not limited to few or no sales, product recalls and other safety issues, Vendor or manufacturer performance, or the product's lack of relevance.

For items that come to market during the contract term, FSA CPP may authorize qualified and awarded Vendors to offer the new item under the existing contract terms and conditions, if the manufacturer authorizes a Vendor to sell the item. FSA CPP will request awarded Vendors submit pricing and will evaluate the responses prior to authorizing awarded Vendors to offer the new item.

3.05 CONTRACT EXTENSION

Contract Extension
The contract may be extended by mutual agreement for up to two (2) additional years, on a year-to-year basis. FSA CPP reserves the right to execute a contract extension or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of FSA.

The Vendor may request price adjustments for contract extensions as provided for herein. If no request is received from the Vendor, the FSA CPP will assume that the Vendor has agreed that the optional term may be exercised without a price adjustment. Any adjustment request received after the execution of an extension may not be considered unless otherwise provided for in this contract.

Month-to-Month Continuation
In the event a new contract is not active at the time of this contract's expiration, this contract's terms and conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

3.06 PRICE ADJUSTMENT

In addition to the cost-plus-percent pricing adjustments available for the Pursuit, Administrative, and Other Vehicles contract, the Terms & Conditions provide the following options for price adjustments:

- Manufacturer Certified Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price. Price adjustments will not be considered if Vendors are delinquent on administrative fee payments or have outstanding quarterly reports.

Annual Price Adjustment

The FSA CPP may consider annual price adjustments due to:

- Changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS); or
- As a result of changes to national or state standards that require substantial price adjustments.

FSA CPP may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the manufacturer. The FSA CPP will consider the request and will make a final determination on the change in price.

Changes to Manufacturer Production or Design

Significant changes by the manufacturer to the production of and specification design may initiate a price adjustment request. FSA CPP will consider order dates, production factors, model year, or other conditions, as well as the replacement or complete redesign of items. Vendors must provide documentation from the manufacturer.

Manufacturer Certified Adjustments

Vendors must provide documentation from the manufacturer to FSA CPP that shows the additional costs or price adjustments imposed by the manufacturer and substantiate the need for a related price adjustment for this contract.

Equitable Adjustments

The FSA CPP may make an equitable adjustment to the contract terms or pricing at its discretion.

It is understood and agreed that any item offered or shipped as a result of this contract shall be the most current model offered.

Purchase Orders received by the Vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase Orders issued and received after the production cutoff date will be subject to availability. In this case, the Vendor and manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the contract term. If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the items, FSA CPP may consider substitutions from the same manufacturer.

Production schedules and delivery dates should be discussed at the time the quote is provided to the purchaser, or if no quote is provided, when the purchase order is delivered to the Vendor. Vendor shall place the order with the manufacturer within 10 business days of receipt of the purchase order. The Vendor shall assure that all orders are placed in full compliance with the specifications and the terms and conditions of the contract and the purchase order. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws. Any delivery accomplished by driving a pursuit-rated vehicle must use an "OUT OF SERVICE" cover on light bars. Deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchaser, however, this requirement shall not apply to incomplete chassis.

Items with hour meters must be delivered with fewer than five (5) hours on the hour meter or may be rejected by the purchaser. The purchaser may choose to negotiate a lower purchase price when the item exceeds five (5) hours.

When items require service or adjustments upon delivery, the Vendor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized representative or other service provider to remedy the defect. Such service or adjustments shall be initiated by the Vendor within 48 hours after notification by a purchaser, not to include weekends and holidays. Delivery will not be considered complete until all services or adjustments are satisfactory, and the item is redelivered or repaired. The cost of any transportation required to address the defect shall be the responsibility of the Vendor until the items are satisfactory and accepted by the purchaser.

3.20 INSPECTION AND ACCEPTANCE

Final acceptance shall be given only after the purchaser inspects or confirms the item meets contract specifications. Delivery of an item to a purchaser does not constitute acceptance for the purpose of payment. Inspection and acceptance will be at the purchaser's destination unless otherwise previously agreed upon location was provided in the purchase order. Should the delivered items differ in any respect from the Base Item specifications, payment can be withheld until such time as the Vendor completes the necessary corrective action.

3.21 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and purchaser placing orders using this contract. Vendors must invoice each purchaser independently. The Vendor shall be paid upon submission of invoices to the purchaser after satisfactory delivery and acceptance of the items. While the Local Government Prompt Payment

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Act applies to ensure timely payment of Vendor invoices, the FSA CPP encourages purchasers to make payment within 30 days of acceptance of the item. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79 of Florida Statutes.

3.22 WARRANTY

All warranties shall begin at the time of delivery and final acceptance by the purchaser. The purchaser's warranty should not be active for incomplete items and items delivered to a third-party supplier before final delivery.

3.23 QUARTERLY REPORTS

Quarterly reports are the contractual responsibility of each Vendor. Quarterly reports must be completed and submitted electronically. All quarterly reports shall be sent to reports@flsheriffs.org. The quarterly report template shall be submitted using an Excel workbook provided by FSA CPP. Quarterly reports which do not adhere to the required format or are not complete of all purchase orders received and/or deliveries made during the quarter will be returned to the reporting Vendor for correction.

Quarterly reports are due no later than the 15th day of the month following the end of the quarter. Quarterly reports shall follow the schedule below for the duration of the contract. If a contract extension is executed, the quarterly reports will maintain the same schedule for future reporting periods.

Contract Year: October 1, 2022 – September 30, 2023

Year 1 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 1 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 1 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 1 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15

Quarterly reports must be submitted even if there are no sales or no deliveries in a quarter. If a Vendor has no sales within a quarter, the Vendor shall indicate "No sales this quarter" on the top row of the sales worksheet. If the Vendor has no deliveries in a given quarter, the Vendor shall indicate "No deliveries this quarter" on the top row of the delivery worksheet.

FSA CPP reserves the right to modify the procedure for submitting quarterly reports during the term of the contract. Such a change shall not materially modify the substance of the information to be reported but may change the method by which future quarterly reports are to be submitted. In the event of such a change, FSA CPP will provide written notice to all Vendors of the method by which future quarterly reports are to be submitted.

3.24 ADMINISTRATIVE FEE

The FSA CPP charges three quarters of one percent (.0075) to procure, process and administer the contract. The administrative fees are the contractual responsibility of each awarded Vendor.

After receipt of payment from contract purchases, the Vendor shall remit all administrative fees to the FSA CPP no later than 15 calendar days after the end of each quarter. All fees payable to the FSA CPP during any given quarter will be accompanied and supported by a quarterly report.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

The administrative fee will remain payable to FSA CPP and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a Vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any purchase order or invoice.

The administrative fee is based on the total purchase order amount of new items. This fee excludes any value given to purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA CPP that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

Cooperative Purchasing Program

3.25 LIQUIDATED DAMAGES

The Vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered as a breach of contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the Vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA CPP within 15 calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of $25 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

When quarterly reports are late, liquidated damages are to be included in Vendor's Quarterly Report and administrative fee submission. Liquidated damages that remain unpaid beyond 45 calendar days can result in FSA CPP, at its sole discretion, implementing contract compliance actions, including but not limited to, suspension, limited participation by specifications or zones, disqualification from future solicitations, or termination for cause pursuant to the Terms & Conditions.

Schedule of Liquidated Damages

Failure to submit quarterly report on time	$25 per calendar day
Failure to submit administrative fee on time	$25 per calendar day
Failure to report a Purchase Order to FSA CPP within 15 calendar days of the purchase order issue date	$100 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA for the damages that it will incur as a result of the Vendor's failure to take the specified actions.

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 CFR part 5).
(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.
(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).
(d) Subcontracts. Vendor shall insert in any subcontracts over $100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over $150,000.

DEBARMENT AND SUSPENSION (E.O.s 12549 and 12689): By accepting or performing this purchase order, Vendor certifies that it is not identified in the Exclusions area of the System for Award Management as being currently debarred, suspended, proposed for debarment, or otherwise excluded ("SAM Exclusion"). Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of $25,000 and Vendor shall not award lower-tier subcontracts in excess of $25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of $100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:
(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Vendor agrees to comply with the requirements of this clause and include the requirements of this clause in all subawards including all contracts and purchase orders for work or products under this award.
(b) For purposes of this section:

(1) “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

Transfer Switch: 600 Amp Automatic Transfer Switch

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Automatic Transfer Switch: Maximum voltage rating of 600 VAC, 60 Hz, 1Ph or 3Ph, open transition (break-before-make) transfer logic, transfer switch must meet the related industry standards: UL 1008- automatic transfer switches for use in emergency systems, CSA- automatic transfer switches, NEMA- industrial control and systems AC transfer switch equipment, IEC- automatic transfer switching equipment
- Rating: 600 amp, 3 pole, 277/480 VAC, 60Hz, enclosure type- NEMA 3r
- Functional: The automatic transfer switch shall automatically transfer the load to the generator supply in the event of a utility supply failure and return the load to the utility supply upon restoration. The automatic transfer switch power switching devices shall be mechanically and electrically interlocked to prevent the utility and generator supplies from being interconnected. All timers should be field adjustable to ensure proper field site compatibility.
- Automatic Sequence Of Operation: When the voltage on any phase of the utility supply is below present levels of rated voltage for a preset time delay, a contact shall close to initiate start of the standby generator. The load shall transfer to the generator supply when the generator voltage and frequency have reached acceptable present levels and the warm up time delay has expired. When the utility supply is restored to the above present levels of rated voltage on all phases, load transfer from generator to utility supply shall be initiated following expiry of the utility return timer. Once the transfer mechanism operates and opens the generator power switching device, the transfer mechanism shall stop in the neutral position (with the both power switching devices open) for the duration of the neutral delay timer setting to allow load voltage to decay prior to reconnecting the utility supply. The load shall be re-connected to the utility supply once the neutral delay timer expires and the transfer mechanism continues operation and closes the utility power switching device. The load shall immediately re-transfer to the utility supply (if within acceptable limits) should the generator supply fail prior to the expiry of the utility transfer delay. The generator set shall continue to operate following a load transfer for a cool down delay period, and then a contact shall open to stop the generator set. An “on load” test mode may be initiated which shall cause a simulated utility failure condition and transfer the load to the generator set. The transfer sequence shall be the same as for a utility power failure except a neutral delay sequence shall occur when transferring from utility to a generator source. The load shall immediately retransfer to the utility supply (if within acceptable limits) should the generator supply fail during an “on load” test mode.

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR EMPLOYERS

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and the Ring Power Corporation (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:
    a. Notice of E-Verify Participation
    b. Notice of Right to Work
2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.
3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

employee is separated from the company or no longer needs access to E-Verify.
4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.
5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

In Process

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.
8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact the Immigrant and Employee Rights Section, Civil Rights Division, U.S. Department of Justice at 1-800-255-8155 or 1-800-237-2515 (TTY) or go to https://www.justice.gov/ier.

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

other agents, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.
19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.
20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.
21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.
22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.
2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,
ii. The employee's work authorization has not expired, and
iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,
ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or
iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.
2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).
3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.
4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:
   a. Automated verification checks on alien employees by electronic means, and
   b. Photo verification checks (when available) on employees.

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.
3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.
4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.
5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Immigrant and Employee Rights Section, Civil Rights Division, U.S. Department of Justice.
6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.
7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.
8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.
9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.
2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.
3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.
4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.
5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.
6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.
2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.
3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.
4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.
5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.
6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

a. Scanning and uploading the document, or
b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.
8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.
9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

In Process

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.
2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.
2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the

Docusign Envelope ID: 4FAA1C8F-3F68-8700-824F-8D94021D7243

Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

DEALER PARTNERSHIP STATEMENT

Duval Ford, upon BCSO approval, may engage partnered dealerships for purposes of providing expedited delivery of products not currently available in inventory. When available, the transaction price will become the bid percentage submitted plus a $400 administrative fee. In cases where the end product is an alternative brand (i.e. Dodge, Honda etc.) the partnered dealer will be named, posted and held to the terms and conditions of the BCSO contract and recognized as a transactional subcontractor of the awarded dealership. In no way will the resulting transaction between the dealer and agency be indirect, or a “brokered” sale. The transaction is original and direct between entities adhering to the Manufacturer’s franchise agreements and the manufacturer’s statement of origin is assigned directly to the end user as a new, unused, non-brokered, direct agency sale, matching the named entity on the agency purchase order, binding those entities per agency purchasing guidelines.

THE E-VERIFY MEMORANDUM OF UNDERSTANDING FOR WEB SERVICES EMPLOYERS

ARTICLE I PURPOSE AND AUTHORITY

The parties to this Agreement are the Department of Homeland Security (DHS) and Scott-McRae Automotive Group, LLLP (Web Services Employer). The purpose of this agreement is to set forth terms and conditions which the Web Services Employer will follow while participating in E-Verify.

A Web Services Employer is an Employer who verifies employment authorization for its newly hired employees using a Web Services interface.

E-Verify is a program that electronically confirms a newly hired employee's authorization to work in the United States after completion of the Form I-9, Employment Eligibility Verification (Form I-9). This MOU explains certain features of the E-Verify program and describes specific responsibilities of the Web Services Employer, DHS, and the Social Security Administration (SSA).

For purposes of this MOU, the "E-Verify browser" refers to the website that provides direct access to the E-Verify system: https://e-verify.uscis.gov/emp/. You may access E-Verify directly free of charge via the E-Verify browser.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

Before accessing E-Verify using Web Services access, the Web Services Employer must meet certain technical requirements. This will require the investment of significant amounts of resources and time. If the Web Services Employer is required to use E-Verify prior to completion and acceptance of its Web Services interface, then it must use the E-Verify browser until it is able to use its Web Services interface. The Web Services Employer must also maintain ongoing technical compatibility with E-Verify.

DHS accepts no liability relating to the Web Services Employer's development or maintenance of any Web Services access system.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE WEB SERVICES EMPLOYER

1. By enrolling in E-Verify and signing the applicable MOU, the Web Services Employer asserts that it is a legitimate company which intends to use E-Verify for legitimate purposes only and in accordance with the laws, regulations, and DHS policies and procedures relating to the use of E-Verify.

2. The Web Services Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

3. The Web Services Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Web Services Employer representatives to be contacted about E-Verify. The Web Services Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

4. The Web Services Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Web Services Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

5. The Web Services Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual. The Web Services Employer will ensure that outdated manuals are promptly replaced with the new version of the E-Verify User Manual when it becomes available.

6. The Web Services Employer agrees that any person accessing E-Verify on its behalf is trained on the most recent E-Verify policy and procedures.

7. The Web Services Employer agrees that any of its representatives who will create E-Verify cases will complete the E-Verify Tutorial before creating any cases.

   a. The Web Services Employer agrees that all of its representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

8. The Web Services E-Verify Employer Agent agrees to obtain the necessary equipment to use E- Verify as required by the E-Verify rules and regulations as modified from time to time.

9. The Web Services E-Verify Employer Agent agrees to, consistent with applicable laws, regulations, and policies, commit sufficient personnel and resources to meet the requirements of this MOU.

10. The Web Services Employer agrees to comply with current Form I-9 procedures, with two

exceptions:

a. If an employee presents a "List B" identity document, the Web Services Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Web Services Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Web Services Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Web Services Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

11. The Web Services Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

12. The Web Services Employer agrees that, although it participates in E-Verify, the Web Services Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to a Web Services Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When a Web Services Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, it establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Web Services Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Web Services Employer must notify DHS and the Web Services Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Web Services Employer continues to employ an employee after receiving a final nonconfirmation, then the Web Services Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of

E-Verify.

13. The Web Services Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability. If, however, the Web Services interface is unavailable due to no fault of E-Verify, then the three day time period is not extended. In such a case, the Web Services Employer must use the E-Verify browser during the outage.

14. The Web Services Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

15. The Web Services Employer must use E-Verify for all new employees. The Web Services Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

16. The Web Services Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Web Services Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Web Services Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Web Services Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Web Services Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B below) to contact DHS with information necessary to resolve the challenge.

17. The Web Services Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Web Services Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment

eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Web Services Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

18. The Web Services Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Web Services Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Web Services Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Web Services Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Web Services Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Web Services Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

19. The Web Services Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Web Services Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Web Services Employer who are authorized to perform the Web Services Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

20. The Web Services Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

21. The Web Services Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

DocuSign Envelope ID: 52618B81-C33E-4022-9EBB-7E2AB1D0CEF5

22. The Web Services Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

a. The Web Services Employer agrees to cooperate with DHS if DHS requests information about the Web Services Employer's interface, including requests by DHS to view the actual interface operated by the Web Services Employer as well as related business documents. The Web Services Employer agrees to demonstrate for DHS the functionality of its interface to E-Verify upon request.

23. The Web Services Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

24. The Web Services Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

25. The Web Services Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

26. The Web Services Employer agrees to complete its Web Services interface no later than six months after the date the Web Services Employer signs this MOU. E-Verify considers the interface to be complete once it has been built pursuant to the Interface Control Agreement (ICA), submitted to E-Verify for testing, and approved for system access.

27. The Web Services Employer agrees to perform sufficient maintenance on the Web Services interface in accordance with the requirements listed in the ICA. These requirements include, but are not limited to, updating the Web Services interface to ensure that any updates or enhancements are incorporated no later than six months after the issuance of an ICA. Web Services Employers should be aware that this will require the investment of time and resources. Compliance with the requirements of the ICA must be carried out to the satisfaction of DHS and or its assignees.

28. The Web Services Employer agrees that any system or interface it develops will follow the steps for creating E-Verify cases and processing tentative nonconfirmations, as laid out in the ICA, this MOU and the User Manual, including but not limited to allowing an employer to close an invalid case where appropriate, allowing an employer to refer a tentative nonconfirmation only when an employee chooses to contest a tentative nonconfirmation (no automatic referrals), and referring a tentative nonconfirmation

Company ID Number: 1232860

to the appropriate agency at the time the employer prints the referral letter and provides the letter to the employee. The Web Services Employer understands that any failure to make its system or interface consistent with proper E-Verify procedures can result in DHS terminating the Web Services Employer's agreement and access.

29. The Web Services Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Web Services Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. EMPLOYERS THAT ARE FEDERAL CONTRACTORS WITH THE FAR E-VERIFY CLAUSE

NOTE: If you do not have any Federal contracts at this time, this section does not apply to your company. In the future, if you are awarded a Federal contract that contains the FAR E-Verify clause, then you must comply with each provision in this Section. See 48 C.F.R. 52.222.54 for the text of the FAR E-Verify clause and the E-Verify Supplemental Guide for Federal Contractors for complete information.

1. If the Web Services Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Web Services Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Web Services Employer, the Employer may not create a second case for the employee through E-Verify.

a. A Web Services Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Web Services Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Web Services Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Web Services Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Web Services Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Web Services Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Web Services Employer must, within 90 days of enrollment, begin to use E-Verify to initiate

verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. A Web Services Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Web Services Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Web Services Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Web Services Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Web Services Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Web Services Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Web Services Employer shall complete a new Form I-9 consistent with Article II.A.10 or update the previous Form I-9 to provide the necessary information if:

i. The Web Services Employer cannot determine that Form I-9 complies with Article II.A.10,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.A.10, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Web Services Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Web Services Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Web Services Employer that is not a Federal contractor based on this Article.

3. The Web Services Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Web Services Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Web Services Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Web Services Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Web Services Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If a Web Services Employer experiences technical problems, or has a policy question, the Web Services Employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. After SSA verifies the accuracy of SSA records for employees through E-Verify, DHS agrees to provide the Web Services Employer access to selected data from DHS databases to enable the Web Services Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on employees by electronic means, and

b. Photo verification checks (when available) on employees.

Company ID Number: 1232860

2. DHS agrees to provide to the Web Services Employer appropriate assistance with operational problems that may arise during the Web Services Employer's participation in the E-Verify program. DHS agrees to provide the Web Services Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to make available to the Web Services Employer at the E-Verify Web site (www.dhs.gov/E-Verify) and on the E-Verify Web browser (https://e-verify.uscis.gov/emp/), instructional materials on E-Verify policies, procedures and requirements for both SSA and DHS, including restrictions on the use of E-Verify. DHS agrees to provide training materials on E-Verify.

4. DHS agrees to provide to the Web Services Employer a notice that indicates the Web Services Employer's participation in the E-Verify program. DHS also agrees to provide to the Web Services Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

5. DHS agrees to issue the Web Services Employer a user identification number and password that permits the Employer to verify information provided by its employees with DHS.

6. DHS agrees to safeguard the information provided to DHS by the Web Services Employer, and to limit access to such information to individuals responsible for the verification of employees' employment eligibility and for evaluation of the E-Verify program, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security Numbers and employment eligibility, to enforce the Immigration and Nationality Act (INA) and Federal criminal or anti-discrimination laws, and to administer Federal contracting requirements.

7. DHS agrees to provide a means of automated verification that is designed (in conjunction with SSA verification procedures) to provide confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

8. DHS agrees to provide a means of secondary verification (including updating DHS records as necessary) for employees who contest DHS tentative nonconfirmations and photo non-match tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

9. DHS agrees to provide the Web Services Employer with an Interface Control Agreement (ICA). This document will provide technical requirements that the Web Services Employer must meet to create and maintain a Web Services interface to the Verification Information System (VIS). VIS is a composite information system that provides immigration status verification for government agencies and verification of employment authorization for employers participating in E-Verify.

10. DHS agrees to provide periodic system enhancements to improve the ease and accuracy of E-Verify, as needed. DHS will also provide E-Verify enhancements to comply with applicable laws and regulations. As enhancements occur, Web Services Employers must update their Web Services

interface to reflect system changes within the timelines specified in Article V.A.1. DHS will provide the Web Services Employer with an ICA to support the E-Verify release whenever system enhancements are required.

11. DHS agrees to provide to the Web Services Employer guidance on breach notification and a means by which the Web Services Employer can report any and all suspected or confirmed breaches of owned or used systems or data spills related to E-Verify cases. At this time, if the Employer encounters a suspected or confirmed breach or data spill, it should contact E-Verify at 1-888-464-4218.

12. In the event the Web Services Employer is subject to penalties, DHS will issue a Notice of Adverse Action that describes the specific violations if it intends to suspend or terminate the employer's Web Services interface access. The Web Services Employer agrees that DHS shall not be liable for any financial losses to the Web Services Employer, its employees, or any other party as a result of your account suspension or termination and agrees to hold DHS harmless from any such claims.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Web Services Employer receives a tentative nonconfirmation issued by SSA, the Web Services Employer must print the notice and promptly provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Web Services Employer must review the tentative nonconfirmation with the employee in private. After the notice has been signed, the Web Services Employer must give a copy of the signed notice to the employee and attach a copy to the employee's Form I-9.

2. The Web Services Employer will refer employees to SSA field offices only as directed by the automated system based on a tentative nonconfirmation, and only after the Web Services Employer records the case verification number, reviews the input to detect any transaction errors, and determines that the employee contests the tentative nonconfirmation. The Web Services Employer will transmit the Social Security Number to SSA for verification again if this review indicates a need to do so. The Web Services Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

3. If the employee contests an SSA tentative nonconfirmation, the Web Services Employer will provide the employee with a system-generated referral letter and instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Web Services Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

4. The Web Services Employer agrees not to ask the employee to obtain a printout from the Social Security Number database (the Numident) or other written verification of the Social Security Number from the SSA.

Company ID Number: 1232860

B. REFERRAL TO DHS

1. If the Web Services Employer receives a tentative nonconfirmation issued by DHS, the Web Services Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Web Services Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Web Services Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Web Services Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Web Services Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Web Services Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Web Services Employer will instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Web Services Employer finds a photo mismatch, the Web Services Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Web Services Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Web Services Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

   a. Scanning and uploading the document, or

   b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Web Services Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Web Services Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Web Services Employer agrees to check the E-Verify system regularly for case updates.

10. DHS agrees to provide the Web Services Employer with an Interface Control Agreement (ICA).

Company ID Number: 1232860

This document will provide technical requirements that the Web Services Employer must meet to create and maintain a Web Services interface to the Verification Information System (VIS). VIS is a composite information system that provides immigration status verification for government agencies and verification of employment authorization for employers participating in E-Verify.

11. DHS agrees to provide periodic system enhancements to improve the ease and accuracy of E-Verify, as needed. DHS will also provide E-Verify enhancements to comply with applicable laws and regulations. As enhancements occur, Web Services Employers must update their Web Services interface to reflect system changes within the timelines specified in Article V.A.1. DHS will provide the Web Services Employer with an ICA to support the E-Verify release whenever system enhancements are required.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer or the Web Services E-Verify Employer Agent for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
SYSTEM SECURITY AND MAINTENANCE

A. DEVELOPMENT REQUIREMENTS

1. Software developed by Web Services Employers must comply with federally-mandated information security policies and industry security standards to include but not limited to:

a. Public Law 107-347, "E-Government Act of 2002, Title III, Federal Information Security Management Act (FISMA)," December 2002.

b. Office of Management and Budget (OMB) Memorandum (M-10-15), "FY 2010 Reporting Instructions for the Federal Information Security Management Act and Agency Privacy Management," April 2010.

c. National Institute of Standards and Technology (NIST) Special Publication (SP) and Federal Information Processing Standards Publication (FIPS).

d. International Organization for Standardization/International Electrotechnical Commission (ISO/IEC) 27002, Information Technology — Security Techniques — Code of Practice for Information Security Management.

2. The Web Services Employer agrees to update its Web Services interface to the satisfaction of DHS or its assignees to reflect system enhancements within six months from the date DHS notifies the Web Services User of the system update. The Web Services User will receive notice from DHS in the form

of an Interface Control Agreement (ICA). The Web Services Employer agrees to institute changes to its interface as identified in the ICA, including all functionality identified and all data elements detailed therein.

3. The Web Services Employer agrees to demonstrate progress of its efforts to update its Web Services interface if and when DHS requests such progress reports.

4. The Web Services Employer acknowledges that if its system enhancements are not completed to the satisfaction of DHS or its assignees within six months from the date DHS notifies the Web Services Employer of the system update, then the Web Services Employer's E-Verify account may be suspended, and support for previous releases of E-Verify may no longer be available to the Web Services Employer. The Web Services Employer also acknowledges that DHS may suspend its account after the six-month period has elapsed.

5. The Web Services Employer agrees to incorporate error handling logic into its development or software to accommodate and act in a timely fashion should an error code be returned.

6. The Web Services Employer agrees to complete the technical requirements testing which is confirmed upon receiving approval of test data and connectivity between the Web Services Employer and DHS.

7. DHS will not reimburse any Web Services Employer or software developer who has expended resources in the development or maintenance of a Web Services interface if that party is unable, or becomes unable, to meet any of the requirements set forth in this MOU.

8. Housing, development, infrastructure, maintenance, and testing of the Web Services applications may take place outside the United States and its territories, but testing must be conducted to ensure that the code is correct and secure.

9. Tf the Web Services Employer includes an electronic Form I-9 as part of its interface, then it must comply with the standards for electronic retention of Form I-9 found in 8 CFR 274a.2(e).

B. INFORMATION SECURITY REQUIREMENTS

Web Services Employers performing verification services under this MOU must ensure that information that is shared between the Web Services Employer and DHS is appropriately protected comparable to the protection provided when the information is within the DHS environment [OMB Circular A-130 Appendix III].

To achieve this level of information security, the Web Services Employer agrees to institute the following procedures:

1. Conduct periodic assessments of risk, including the magnitude of harm that could result from the unauthorized access, use, disclosure, disruption, modification, or destruction of information and information systems that support the operations and assets of the DHS, SSA, and the Web Services Employer;

2. Develop policies and procedures that are based on risk assessments, cost-effectively reduce information security risks to an acceptable level, and ensure that information security is addressed throughout the life cycle of each organizational information system;

3. Implement subordinate plans for providing adequate information security for networks, facilities, information systems, or groups of information systems, as appropriate;

4. Conduct security awareness training to inform the Web Services Employer's personnel (including contractors and other users of information systems that support the operations and assets of the organization) of the information security risks associated with their activities and their responsibilities in complying with organizational policies and procedures designed to reduce these risks;

5. Develop periodic testing and evaluation of the effectiveness of information security policies, procedures, practices, and security controls to be performed with a frequency depending on risk, but no less than once per year;

6. Develop a process for planning, implementing, evaluating, and documenting remedial actions to address any deficiencies in the information security policies, procedures, and practices of the organization;

7. Implement procedures for detecting, reporting, and responding to security incidents;

8. Create plans and procedures to ensure continuity of operations for information systems that support the operations and assets of the organization;

9. In information-sharing environments, the information owner is responsible for establishing the rules for appropriate use and protection of the subject information and retains that responsibility even when the information is shared with or provided to other organizations [NIST SP 800-37].

10. DHS reserves the right to restrict Web Services calls from certain IP addresses.

11. DHS reserves the right to audit the Web Services Employer's application.

12. Web Services Employers agree to cooperate willingly with the DHS assessment of information security and privacy practices used by the company to develop and maintain the software.

C. DATA PROTECTION AND PRIVACY REQUIREMENTS

1. Web Services Employers must practice proper Internet security; this means using HTTP over SSL/TLS (also known as HTTPS) when accessing DHS information resources such as E-Verify [NIST SP 800-95]. Internet security practices like this are necessary because Simple Object Access Protocol (SOAP), which provides a basic messaging framework on which Web Services can be built, allows messages to be viewed or modified by attackers as messages traverse the Internet and is not independently designed with all the necessary security protocols for E-Verify use.

2. In accordance with DHS standards, the Web Services Employer agrees to maintain physical, electronic, and procedural safeguards to appropriately protect the information shared under this MOU

against loss, theft, misuse, unauthorized access, and improper disclosure, copying use, modification or deletion.

3. Any data transmission requiring encryption shall comply with the following standards:

- Products using FIPS 197 Advanced Encryption Standard (AES) algorithms with at least 256-bit encryption that has been validated under FIPS 140-2.
- NSA Type 2 or Type 1 encryption.

4. User ID Management (Set Standard): All information exchanged between the parties under this MOU will be done only through authorized Web Services Employer representatives identified above.

5. The Web Services Employer agrees to use the E-Verify browser instead of its own interface if it has not yet upgraded its interface to comply with the Federal Acquisition Regulation (FAR) system changes. In addition, Web Services Employers whose interfaces do not support the Form I-9 from 2/2/2009 or 8/7/2009 agree to use the E-Verify browser until the system upgrade is completed.

6. The Web Services Employer agrees to use the E-Verify browser instead of its own interface if it has not completed updates to its system to the satisfaction of DHS or its assignees within six months from the date DHS notifies the Web Services Employer of the system update. The Web Services Employer can resume use of its interface once it is up-to-date, unless the Web Services Employer has been suspended or terminated from continued use of the system.

D. COMMUNICATIONS

1. The Web Services Employer agrees to develop an electronic system that is not subject to any agreement or other requirement that would restrict access and use by an agency of the United States.

2. The Web Services Employer agrees to develop effective controls to ensure the integrity, accuracy and reliability of its electronic system.

3. The Web Services Employer agrees to develop an inspection and quality assurance program that regularly (at least once per year) evaluates the electronic system, and includes periodic checks of electronically stored information. The Web Services Employer agrees to share the results of its regular inspection and quality assurance program with DHS upon request.

4. The Web Services Employer agrees to develop an electronic system with the ability to produce legible copies of applicable notices, letters, and other written, photographic and graphic materials.

5. All information exchanged between the parties under this MOU will be in accordance with applicable laws, regulations, and policies, including but not limited to, information security guidelines of the sending party with respect to any information that is deemed Personally Identifiable Information (PII), including but not limited to the employee or applicant's Social Security number, alien number, date of birth, or other information that may be used to identify the individual.

6. Suspected and confirmed information security breaches must be reported to DHS according to Article V.C.1. Reporting such breaches does not relieve the Web Services Employer from further

requirements as directed by state and local law. The Web Services Employer is subject to applicable state laws regarding data protection and incident reporting in addition to the requirements herein.

E. SOFTWARE DEVELOPMENT RESTRICTIONS

1. DHS reserves the right to terminate the access of any software developer with or without notice who creates or uses an interface that does not comply with E-Verify procedures.

2. Employers are prohibited from Web Services Software development unless they also create cases in E-Verify to verify their new hires' work authorization. Those pursuing software development without intending to use E-Verify are not eligible to receive an ICA. At this time, E-Verify does not permit Web Services software development without also being a Web Services Employer or Web Services E-Verify Employer Agent.

F. PENALTIES

1. The Web Services Employer agrees that any failure on its part to comply with the terms of the MOU may result in account suspension, termination, or other adverse action.

2. DHS is not liable for any financial losses to Web Services Employer, its clients, or any other party as a result of account suspension or termination.

ARTICLE VI
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The Web Services Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Web Services Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Web Services Employer, or a failure on the part of either party to comply with established E-Verify procedures and/or legal requirements. The Web Services Employer understands that if it is a Federal contractor, termination of this MOU by any party

for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Web Services Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Web Services Employer's business.

3. A Web Services Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Web Services Employer must provide written notice to DHS. If the Web Services Employer fails to provide such notice, then that Web Services Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Web Services Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Web Services Employer or the Employer is terminated from E-Verify.

ARTICLE VII
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Web Services Employer, its agents, officers, or employees.

C. The Web Services Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Web Services Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Web Services Employer.

E. The Web Services Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Web Services Employer and DHS respectively. The Web Services Employer understands that any inaccurate statement, representation, data or other information provided to DHS

Company ID Number: 1232860

may subject the Web Services Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Web Services Employer.

Contractor will also be liable for any additional costs to City incurred because of the termination of this Agreement in accordance with this section."

26	Sales force.	Our sales force would include both the John Deere Government Sales group and our independent dealer network. John Deere has a dedicated governmental sales department based in Cary NC that focuses 100% of their time on the sales and processing of agriculture and turf equipment purchases to governmental and other public agencies. We have a total of 5 Strategic Account Managers, one of which is dedicated strictly to federal sales. The 4 remaining account managers are responsible for state governmental sales in their respective geographies, dedicating 100% of their time to grow the John Deere governmental sales business. The account managers work with John Deere dealers to provide training and a greater understanding of the contracts and selling process. The John Deere dealers can also become an authorized seller on our contract and would be able to accept Purchase Orders and Invoice Sourcewell members. The dealers would have to successfully complete a contract training program administered by our account managers. The dealers would agree to the contract's terms and conditions and sign a dealer agreement. The dealers would be responsible for delivering and supporting the equipment purchased. In relation to the new Sourcewell Grounds Maintenance contract, the account managers would promote the contract to state purchasing agents who either do not have their own purchasing contract or have product gaps in their contract.	*
27	Describe the network of Authorized Sellers who will deliver Solutions, including dealers, distributors, resellers, and other distribution methods.	John Deere has a nationwide independent dealer network offering best-in-class parts, service, and support. We know the government customer and make everything easy, from the initial purchase to service and support. Our dealer network, with over 1,700 locations nationwide, would be responsible for delivering and servicing the equipment sold to end users using this contract. John Deere dealers offer a combination of afterhours service (varies by dealer) and online support (online parts ordering system), which gives end-users the service needed to avoid costly downtime. The John Deere parts ordering system is available for all dealers and gives them access to over 800,000 unique parts which are ready to ship overnight, if needed. Most dealers also offer some form of mobile maintenance service, which provides on-site service. Dealer technicians are factory-trained on the service and support of the products offered in this RFP	*

Most dealers also offer some form of mobile maintenance service, which provides on-site service. Dealer technicians are factory-trained on the service and support of the products offered in this RFP.	*
29	Describe the ordering process. If orders will be handled by distributors, dealers or others, explain the respective roles of the Proposer and others.	We will have two processes in which Sourcewell members can order products. 1. Dealer Direct - John Deere dealers who have completed training and certified by the Government Sales group would be an authorized seller on our contract. The dealer would be able to quote, accept purchase orders and invoice the Sourcewell member directly. The Government Sales group has a sales reporting process to capture the sale and report it to Sourcewell. 2. Deere Direct - Our dealer network has the ability to quote a Sourcewell member. John Deere would still be the vendor and the PO would still be made out to John Deere. The dealer would upload the quote and PO to the Government Sales Order Processing for audit. Once audited, we will send the dealer confirmation to deliver the equipment. John Deere will invoice the member upon delivery of the product. The Government Sales group has a sales reporting process to capture the sale and report it to Sourcewell.	*

30	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	The support of the equipment takes place through the John Deere dealer network. While customer service varies within the dealer network, the consistent training that is offered by John Deere Company to dealer technicians and parts personnel helps provide each agency with a similar customer experience. Should there be a need for equipment service, it will be the Sourcewell member's responsibility to contact the delivering dealer for service. The member can also work with other dealers, if necessary, as warranty and service work can be performed by any authorized John Deere dealer. In the event of service issues that cannot be solved by the John Deere dealer, the dealer works with John Deere Company's dealer technical assistance center for elevated support. As far as the John Deere Government Sales Department, we have an entire department of approximately 25 people dedicated to government sales. This includes an Order Management Team, that within an average of 15 days of submission, audits and processes the PO to verify contract pricing and verify the items quoted are eligible for the contract. Contract Administrators in the department ensure contract compliance is maintained.	*
31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities.	John Deere will serve Sourcewell member entities in the United States. The nationwide John Deere dealer network is able to provide products and services throughout the United States. Equipment Delivery Time After Receipt of Order (ARO) is as follows: 1. Grounds Maintenance Equipment - 90 to 365 days after receipt of order. 2. Related Attachment and Accessories - 90 to 365 after receipt of order.	*

35	Define any specific requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	John Deere has assigned dealer in Hawaii and Alaska. Factory to dealer freight and local delivery by the dealer will be quoted as a separate line item and paid by the Sourcewell member.	*
36	Will Proposer extend terms of any awarded master agreement to nonprofit entities?	John Deere will serve all Sourcewell member entity sectors.	*

Table 4: Marketing Plan (100 Points)

Line Item	Question	Response *	
37	Describe your marketing strategy for promoting this opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	John Deere currently uses several forms of marketing to target the governmental and public customer segment: 1. We have created a website where we prominently advertise the cooperative contracts we currently hold. 2. Each year, the company produces a purchasing guide for government equipment. This purchasing guide, available in both print and electronic Flash Drive format, is used by the John Deere dealer network to promote the products. 3. John Deere also prints detailed marketing brochures for the products being offered in this RFP. This literature is made available to dealers and includes features and benefits and equipment specifications. A sample of marketing materials have been uploaded for review and include: Government Municipal Lease Literature, Government Sales Folder Packet and Government Sport Turf Banner.	*
38	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	John Deere's public website, www.deere.com, provides detailed product information for the products being offered in this RFP. Customers are able to view information on product features, specifications, and accessories. Utilizing www.deere.com, Sourcewell members would be able to “build-their own” product. Customers choose the product category and subsequent product options to configure their desired piece of equipment. Manufacturer’s Suggested Retail List Price is shown. The website will not show the Sourcewell contract discount, but if the Sourcewell member knows the discount on the particular product category, they will be able to determine their purchase price. Through our Marketing Communications group, John Deere is also active promoting our brand and customer relationships on; 1. Facebook - www.facebook.com/JohnDeereUSCA 2. Twitter - https://twitter.com/JohnDeere 3. YouTube - https://www.youtube.com/user/JohnDeere 4. Instagram - instagram.com/johndeere	*
39	In your view, what is Sourcewell’s role in promoting agreements arising out of this RFP? How will you integrate a Sourcewell-awarded agreement into your sales process?	Sourcewell, the John Deere Government Sales group and the dealer network will all play a critical role in promoting this new contract. Sourcewell's role will be to continue to promote the John Deere brand to Sourcewell members, so they understand cooperative purchasing and the benefits of becoming a member. John Deere Government sales role will be to promote the Sourcewell contract to the dealer network and properly train dealers on the sales process (quoting, ordering and delivery of products), ensure entities are Sourcewell members and assist nonmembers on how to become a member. The dealers' role will be to partner with the Sourcewell member to identify the correct product and solution based on the application and use of the equipment being purchased. Continued communication between all three areas is critical for success and sales growth with this new contract.	*
40	Are your Solutions available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	We currently use e-procurement systems in North Carolina and Virginia (eVA) because we are contractually required to do so. The system does provide the state a constant record of sales activity, however, administratively, e-procurement is not a seamless process for us. When it comes to John Deere equipment, there are thousands of equipment configurations. Because Deere’s price pages are in pdf format, we cannot just simply upload the pricing into the e-procurement systems. We have to manually construct base machines by model and enter them individually. Doing it this way means the agency is not getting the complete picture of what we have available. For the most part, agencies still feel most comfortable with working directly with the dealer to ensure they’re getting equipment that will best suit their needs.	*

Table 5A: Value-Added Attributes (100 Points)

Line Item	Question	Response *	
41	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	Training on equipment operation and safety is provided through the local dealer at the time of delivery. The dealer will provide a walk-around of the equipment and explain operation and maintenance procedures. This training is free of charge and is part of the purchase. If the entity requires additional product, service or technical training, the dealer will provide at a cost agreed to between the dealer and the entity.	*

John Deere Financial is one of the largest equipment finance companies. John Deere also has the most advanced, well-trained national dealer network. All these attributes reinforce that John Deere is an organization that will provide quality products, and its dealer network will partner and support the Sourcewell participating entities for the long term.	*

46	Describe the safety features your equipment offers such as emergency stop, operator presence control, roll over protection systems, guarding, noise reduction, stability controls, warning lights, etc.	John Deere places operator safety first when designing and introducing new safety features. All John Deere equipment - except for machines classified as 'Lawn Tractors' or 'Lawn and Garden tractors' - have a seatbelt and ROPS (external or built into the cab). John Deere riding lawn or garden tractors are all equipped with an auto-shutoff feature. When weight is taken off the seat, the mower or power take off (PTO) will immediately turn off. The tractor will not turn on again until weight is back in the seat. Guards or shields are in place to conceal the fast-moving power take off (PTO) shaft on implements to prevent any injury. John Deere implemented the engagement override valve in all 50 series and newer tractors in the early 1980s, which means the tractor will not move unless the clutch is cycled. The override valve prevents tractors that are left in gear from moving upon startup. Along with the engagement override valve, all John Deere equipment is equipped with a neutral start switch preventing equipment from starting while in gear. The colour-coded system present on all John Deere equipment from 1975 onward, indicates the related function of every switch, lever and other mechanisms. Red is associated with running the machine (key switch, shut off knob, throttle or speed control, and gear shift), black relates to the hydraulics, and yellow correlates with the PTO functions (PTO on/off, PTO speed, etc).
47	Describe any ergonomic features your equipment has such as anti-vibration, suspension and swivel seating, adjustable handles, ergonomic control layout for ease of reach, padded shoulder straps or harnesses, easy pull-start cords, etc.	John Deere has prioritized ergonomic features while designing our equipment. For the M & R Series commercial walk-behinds, hands were what was considered first when designing the controls on these machines. Hand position is important for minimum fatigue. Levers that didn't need constant force to operate. To slow down or turn, all you need to do is gently squeeze the handles. With ergonomic controls and adjustable seating, operators of all sizes can comfortably handle long hours at the controls. The John Deere Compact Tractors are designed with ergonomic features, including a comfortable seat, controls that are easily within reach, and adjustable steering wheels. Noise reduction is also considered. John Deere tractors are designed to minimize noise and vibration levels, providing a quieter and more comfortable working environment for operators.
48	Describe features your equipment offers that positively impact the environment such as low-emission engines, battery powered and electric, eco-mode settings, biodegradable fuel use, water conservation technology, solar powered charging capability, smart technology, auto-shut off/no-idling systems, etc.	John Deere has created a Product Sustainability goal where we offer machines and technology solutions that are not only more productive and efficient but also minimize the impact on the environment. Some Product Sustainability Goals include: 1. Reduce environment impact, including CO2 emissions on 90% of new products. 2. Increase the use of sustainable materials by growing remanufactured and rebuild sales by 30%. 3. Increasing recyclable, renewable and recycled content. Further we have received the following awards: Best Global Brands - Interbrand Top Ten Innovative Companies in U.S. - American Innovation Index World's Most Ethical Companies - Ethisphere Institute
49	Describe the serviceability of the products included in your proposal (parts availability, warranty and technical support, etc.)	The average lifespan of a residential John Deere lawn tractor is 10 years or 5000 hours. The commercial mowers are designed to be used more per week and take more abuse. A John Deere can regularly last four to five times the factory warranty if maintained and used correctly. John Deere equipment includes one copy of the operator's manual upon delivery of the equipment. Other manuals are available for purchase upon request such as the technical and parts manuals. John Deere Warranty terms are limited to years or hours used, whichever comes first, and varies by model. See the LIMITED WARRANTY FOR NEW JOHN DEERE TURF AND UTILITY EQUIPMENT at JohnDeere.com or JohnDeere.ca/TUWarranty for details.

Table 6: Pricing (400 Points)

Provide detailed pricing information in the questions that follow below.

Line Item	Question	Response *	
59	Describe your payment terms and accepted payment methods.	John Deere's payment terms are Net 30.	*
60	Describe any leasing or financing options available for use by educational or governmental entities.	John Deere offers financing and leasing options through John Deere Financial. The John Deere Municipal Lease Purchase Plan is a special low rate financing plan that is designed to provide flexibility of leasing while building equity toward ownership of the John Deere equipment. Any state or local government body or their political subdivisions may be eligible for the John Deere Municipal Lease Purchase Plan, subject to approval and if the agencies rules and guidelines allow.	*
61	Describe any standard transaction documents that you propose to use in connection with an awarded agreement (order forms, terms and conditions, service level agreements, etc.). Upload all template agreements or transaction documents which may be proposed to Participating Entities.	John Deere dealers use a quoting system called JDQuote2 which allows them to access the Sourcewell contract held by John Deere and apply the correct discount for equipment on contract. John Deere dealers can also become an authorized seller on our contract and would be able to accept Purchase Orders and Invoice Sourcewell members. The dealers would agree to the contract's terms and conditions and sign a dealer agreement. Examples of a Quote and Dealer Agreement are attached.	*

62	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	No	*
63	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	John Deere is offering product-category discounts. See uploaded Price Schedule and Price Pages.pdf.	*
64	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	The percentage discount range is 4% to 24% off Current MSRP.	*
65	Describe any quantity or volume discounts or rebate programs that you offer.	John Deere offers a Multiple Unit Discount (MUD) based on the following schedule: 3-4 units – 1% 5-6 units – 2% 7-8 units – 3% 9 units or more – 4% For sales of three or more like self-propelled equipment sold to one customer on the same purchase order qualifies for an additional discount. Implements and attachments sold with and for self-propelled ride-on machines are also eligible for multi-unit discounts, but do not count towards the total number of ride-on units, which determines the multi-unit discount percentage. Frontier Equipment is excluded from the Multiple Unit Discount.	*
66	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or "non-contracted items". For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	John Deere will allow Sourced or Open Market items if requested by the Sourcewell member to complete the purchase of John Deere equipment awarded on the contract. Discounts will not be applied to these items. Non-contract and allied items would be sold as “open market” and the price of the item would be negotiated between the John Deere dealer and the Sourcewell Member. The non-contract/allied item would appear on the purchase order (PO) with the contract item but would be listed as ‘non-contract”. We successfully use this process on other contracts.	*
67	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	For deliveries to Alaska, Hawaii, factory freight to the delivering dealer will be paid by the Sourcewell member. Factory freight is known at the time of quoting and will be included on the quote to the Sourcewell member. The dealer may charge $8.00 per loaded mile to deliver equipment from the dealership to the agency's location. The charge must appear on the quote or purchase order.	*
68	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	For deliveries to Alaska, Hawaii, factory freight to the delivering dealer will be paid by the Sourcewell member. Factory freight is known at the time of quoting and will be included on the quote to the Sourcewell member. The dealer may charge $8.00 per loaded mile to deliver equipment from the dealership to the agency's location. The charge must appear on the quote or purchase order.	*
69	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	For deliveries to Alaska, Hawaii, factory freight to the delivering dealer will be paid by the Sourcewell member. Factory freight is known at the time of quoting and will be included on the quote to the Sourcewell member.	*
70	Describe any unique distribution and/or delivery methods or options offered in your proposal.	None	*

71	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	Dealers who desire to become an authorized seller of the Sourcewell contract must complete a sales training class to ensure they understand and promote the contract per the Terms and Conditions. The dealers also sign a Dealer Agreement stating, they will abide by the contract Terms and Conditions. This process is conducted and facilitated by our Strategic Account Managers. Sourcewell members who purchase from John Deere will receive their equipment quote directly from the John Deere dealer. The dealer is able to create the quote by utilizing the contract information (discounts, contract guidelines, eligible equipment, etc.) that we have posted on our website as well as a quoting tool that we've made available to them. The member will submit their purchase order (PO) to the dealer. John Deere will be listed as the vendor on the PO and the dealer, who created the quote, will be the delivering dealer. The dealer will then upload the quote and the PO to Deere's online order management system. Our Order Management Team will then retrieve the quote and the PO and audit them based on the contract guidelines. If an issue is discovered with PO and/or quote, the Order Management Team will contact the dealer and work with the dealer and the member to get the issue resolved. The Sourcewell contract is assigned a Price Group or Bonus Code that is used capture each sale on a quarterly basis. A quarterly sales report is generated and audited by the Contract Administration group. After the audit and review is completed, the Contract Administration group submits the proper admin fee to Sourcewell.	*
72	If you are awarded an agreement, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the agreement.	Our Strategic Account Managers have sales goals and will monitor the use of the Sourcewell contract and the sales performance of the dealer groups in their assigned geographic region. Quarterly sales reports are reviewed to compare the Sourcewell contract sales growth quarter over quarter and year over year.	*
73	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	John Deere will pay Sourcewell a 1.0% admin fee on sales generated from this new contract. John Deere has been a strategic partner of Sourcewell for 14 years and we are honored to be awarded the Sourcewell Legacy Award in 2023. The Sourcewell contracts we hold are very popular and frequently used by our dealers. The utilization continues to grow and expand.	*

ADDITIONAL SPECIAL CONTRACT CONDITIONS

A. Special Contract Conditions revisions: the corresponding subsections of the Special Contract Conditions referenced below are replaced in their entirety with the following:

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(14), F.S.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract and, if applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. Purchase orders issued pursuant to the Contract must be received by the Contractor no later than the close of business on the last day of the Contract's term. The Contractor is required to accept timely purchase orders specifying delivery schedules that extend beyond the Contract term even when such extended delivery will occur after expiration of the Contract. Purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the Contract shall survive the termination or expiration of the Contract and apply to the Contractor's performance. The duration of purchase orders for recurring deliverables shall not exceed the expiration of the Contract by more than twelve months. However, if an extended pricing plan offered in the state term or agency contract is selected by the ordering entity, the contract terms on pricing plans and renewals shall govern the maximum duration of purchase orders reflecting such pricing plans and renewals. Any purchase order terms and conditions conflicting with these Special Contract Conditions shall not become a part of the Contract.

3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to Section 287.057(24), F.S., all payments shall be assessed a Transaction Fee of one percent (1.0%), or as may otherwise be established by law, which the vendor shall pay to the State.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to subsection 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The vendor shall receive a credit for any Transaction Fee paid by the vendor for the purchase of any item(s) if such item(s) are returned to the vendor through no fault, act, or omission of the vendor. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item

Docusign Envelope ID: 363EEE0C-74B7-46B1-8A48-7DCFCD5ED721

is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement.

Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or submission of required reporting of transactions shall constitute grounds for declaring the Vendor in default.

5.1 Conduct of Business.
The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. The provisions of subparagraphs 287.058(1)(a)-(c) and (g), F.S., are hereby incorporated by reference.

Nothing contained within this Contract shall be construed to prohibit the Contractor from disclosing information relevant to performance of the Contract or purchase order to members or staff of the Florida Senate or Florida House of Representatives.

Pursuant to section 287.057(26), F.S., the Contractor shall answer all questions of, and ensure a representative will be available to, a continuing oversight team.
The Contractor will comply with all applicable disclosure requirements set forth in section 286.101, F.S. In the event the Department of Financial Services issues the Contractor a final order determining a third or subsequent violation pursuant to section 286.101(7)(c), F.S., the Contractor shall immediately notify the Department and applicable Customers and shall be disqualified from Contract eligibility.

5.4 Convicted, Discriminatory, Antitrust Violator, and Suspended Vendor Lists.
In accordance with sections 287.133, 287.134, and 287.137, F.S., the Contractor is hereby informed of the provisions of sections 287.133(2)(a), 287.134(2)(a), and 287.137(2)(a), F.S. For purposes of this Contract, a person or affiliate who is on the Convicted Vendor List, the Discriminatory Vendor List, or the Antitrust Violator Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors, or consultants have been placed on the Convicted Vendor List, the Discriminatory Vendor List, or the Antitrust Violator Vendor List during the term of the Contract.

In accordance with section 287.1351, F.S., a vendor placed on the Suspended Vendor List may not enter into or renew a contract to provide any goods or services to an agency after its placement on the Suspended Vendor List.

A firm or individual placed on the Suspended Vendor List pursuant to section 287.1351, F.S., the Convicted Vendor List pursuant to section 287.133, F.S., the Antitrust Violator Vendor List pursuant to section 287.137, F.S., or the Discriminatory Vendor List pursuant to section 287.134, F.S., is immediately disqualified from Contract eligibility.

Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for the longer of five years after the expiration or termination of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State's Records Management website. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor agrees to impose the same obligations to cooperate with the Inspector General and retain records on any subcontractors used to provide goods or services under the Contract.

Agencies seeking to make purchases under this Contract are required to follow the requirements of Rule 60A-1.045(6), F.A.C.

8.1.1 Termination of Contract.
The Department may terminate the Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in Chapter 119, F.S., made or received by the Contractor in conjunction with the Contract unless the records are exempt from s. 24(a) of Art. 2.3.2 Termination for Convenience.

6.8 Waiver.
The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.
The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.
Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by Contractor. The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

7.6 Limitation of Liability.
Unless otherwise specifically enumerated in the Contract or in the purchase order, neither the Department nor the Customer shall be liable for special, indirect, punitive, or consequential damages, including lost data or records (unless the Contract or purchase order requires the Contractor to back-up data or records), even if the Department or Customer has been advised that such damages are possible. Neither the Department nor the Customer shall be liable for lost profits, lost revenue, or lost institutional operating savings. The Department or Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.
The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer's or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.
The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.

11.2.1 Proposal of Corrective Action Plan.
In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department or Customer determines that there is a performance deficiency that requires correction by the Contractor, then the Department or Customer will notify the Contractor. The correction must be made within a time-frame specified by the Department or Customer. The Contractor must provide the Department or Customer with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department or Customer.

11.2.2 Retainage for Unacceptable Corrective Action Plan or Plan Failure.
If the corrective action plan is unacceptable to the Department or Customer, or implementation of the plan fails to remedy the performance deficiencies, the Department or Customer will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department or Customer for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited to compensate the Department or Customer for the performance deficiencies.

11.3 Performance Delay.

11.3.1 Notification.
The Contractor will promptly notify the Department or Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

11.3.2 Liquidated Damages.
The Contractor acknowledges that delayed performance will damage the DepartmentCustomer, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.

Docusign Envelope ID: 363EEE0C-74B7-46B1-8A48-7DCFCD5ED721

The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay, and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that created or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers and the Department with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.
The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners, or agents of the Contractor, pertaining to the Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners, or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. The Department or Customer may require the Contractor to conduct background checks of its employees, agents, representatives, and subcontractors as directed by the Department or Customer. The cost of the background checks will be borne by the Contractor. The Department or Customer may require the Contractor to exclude the Contractor's employees, agents, representatives, or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. Upon the request of the Department or Customer, the Contractor will re-screen any of its employees, agents, representatives, and subcontractors during the term of the Contract.

13.2 E-Verify.
The Contractor must use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is https://www.uscis.gov/e-verify. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.
If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. WARRANTY OF CONTRACTOR'S ABILITY TO PERFORM.

The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the Suspended Vendor List, Convicted Vendor List, or the Discriminatory Vendor List, or on any similar list maintained by any other state or the federal government. Should the delivered Commodity be damaged or differ in any respect from the Contract requirements, specifications, terms, and conditions, payment shall be withheld until such time as the Contractor completes the required, Customer-approved, corrective action.

Purchasing Card platform during the term of Contract, the Contractor shall make any necessary changes to accommodate the State ‘s new Purchasing Card platform within 30 calendar days of notification of such change.

3.16 Punchout Catalog and Electronic Invoicing

The Contractor is encouraged to provide a MFMP punchout catalog. The punchout catalog provides an alternative mechanism for suppliers to offer the State access to Products awarded under the Contract. The punchout catalog also allows for direct communication between the MFMP eProcurement System and a supplier’s Enterprise Resource Planning (ERP) system, which can reflect real-time Product inventory/availability information.

Through utilization of the punchout catalog model, a Florida buyer will “punch out” to a supplier’s website. Using the search tools on the supplier’s Florida punchout catalog site, the user selects the desired Products. When complete, the user exits the supplier’s punchout catalog site and the shopping cart (full of Products) is “brought back” to MFMP. No orders are sent to a supplier when the user exits the supplier’s punchout catalog site. Instead, the chosen Products are “brought back” to MFMP as line items in a purchase order. The user can then proceed through the normal workflow steps, which may include adding/editing the Products (i.e., line items) in the purchase order. An order is not submitted to a supplier until the user approves and submits the purchase order, at which point the supplier receives an email with the order details.

The Contractor may supply electronic invoices in lieu of paper-based invoices for those transactions processed through MFMP. Electronic invoices may be submitted to the agency through one of the mechanisms as listed below:

1) EDI (Electronic Data Interchange)
   This standard establishes the data contents of the Invoice Transaction Set (810) for use within the context of an Electronic Data Interchange (EDI) environment. This transaction set can be used for invoicing via the Ariba Network (AN) for catalog and non-catalog goods and services.

2) PO Flip via AN
   This online process allows Contractors to submit invoices via the AN for catalog and non-catalog goods and services. Contractors have the ability to create an invoice directly from their inbox in their AN account by simply "flipping" the PO into an invoice. This option does not require any special software or technical capabilities.

The Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third-party provider of MFMP, a State contractor, the right and license to use, reproduce, transmit, distribute, and publicly display within MFMP. In addition, the Contractor warrants and represents that it is authorized and empowered to and hereby grants the State and the third-party provider the right and license to reproduce and display within MFMP the Contractor's trademarks, system marks, logos, trade dress, or other branding designation that identifies the products made available by the Contractor under the Contract.

The Contractor will work with the MFMP management team to obtain specific requirements for the electronic invoicing if needed.

3.26 E-Verify

The following replaces section 13.2 of Attachment 1:

The Contractor (and its subcontractors) have an obligation to utilize the U.S. Department of Homeland Security's (DHS) E-Verify system for all newly hired employees. By executing this Contract, the Contractor certifies that it is registered with, and uses, the E-Verify system for all newly hired employees. The Contractor must obtain an affidavit from its subcontractors in accordance with paragraph (2)(b) of section 448.095, F.S., and maintain a copy of such affidavit for the duration of the Contract. In order to implement this provision, the Vendor shall provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five days of Contract execution.

This section serves as notice to the Contractor regarding the requirements of section 448.095, F.S., specifically sub-paragraph (2)(c)1, and the Department's obligation to terminate the Contract if it has a good faith belief that the Contractor has knowingly violated section 448.09(1), F.S. If terminated for such reason, the Contractor will not be eligible for award of a public contract for at least one year after the date of such termination. The Department reserves the right to order the immediate termination of any contract between the Contractor and a subcontractor performing work on its behalf should the Department develop a good faith belief that the subcontractor has knowingly violated section 448.095(1), F.S.
