Project Name: Miscellaneous Repair Parts for PEP Systems

Date: August 3, 2026

The City of Palm Coast intends to waive the solicitation process and approve a sole/single to **ALPHA GENERAL SERVICES, LLC. for the purchase of Miscellaneous Repair Parts for PEP Systems.**

Interested vendors (firms or individuals) that can provide the goods/services can respond with an alternate solution that overcomes the sole/single source reasons stated on the sole/single source documentation, along with sufficient detailed convincing documentation, regarding their ability to supply equivalent commodities or services. Responses or questions seeking additional detail regarding the procurement, specifications, terms, conditions, requirements, etc. are directed to contact: Christinne Foschaar at cfoschaar@palmcoastgov.com prior to 2:00 PM on **Friday, August 21, 2026**. The City reserves the right to require the responding Vendor to submit additional information as it may deem necessary, and may consider any evidence available to it of the financial, technical, and other qualifications and abilities of the responding vendor.

This is **not** a request for bids or proposal and there is no solicitation available. The City will not consider any responses as a proposal, bid or quote. Any responses received as a result of this Notice of Intent shall be considered solely for determining whether bona fide competition exists.

If it is determined by City staff, after reviewing any information received from responding vendors, that sole/single source justification stands and that the commodities or contractual services are available only from a sole/single source, the City shall prepare a recommendation to the City Commission requesting approval to waive the solicitation process and proceed with the sole/single-source purchase.

Scope of Services

Alpha General Services

The City of Palm Coast Wastewater Collections department is home to over 18,000 existing PEP tanks, with an addition 6,000 in the existing areas to be built as development allows. These PEP tanks are produced with specialized molds owned only by Alpha General Services and cannot be replicated by another vender.

As such, the miscellaneous goods purchased from alpha are mold formed fiberglass components of the PEP tanks, only being produced by Alpha General Services. The items listed below can only be sourced by way of sole source.

- LID26 – 26" Fiberglass PEP Tank Lid
- FLATLID30 – 30 Fiberglass PEP Tank Lid
- RISER6 – 6" Fiberglass Chamber Riser
- RISER12 – 12" Fiberglass Chamber Riser
- PCIPC – Fiber Glass Pump Chamber

Though other tanks manufacturers exist, and the city has allowed them into our standards, Alpha General Services is the sole contractor of PEP tank assemblies. This means all items needed for the repair and maintenance of the PEP tanks must be sourced from Alpha General Services.

SOLE SOURCE PURCHASE JUSTIFICATION FORM

GUIDELINES:

- Any sole source purchase over \$35,000 must be electronically posted for fifteen (15) business days, in accordance with Section 287.057(3)(c) Florida Statutes. The notice must include a request that potential vendors provide information regarding their ability to supply the goods and/or services described.
- It is the only item that will produce the desired results, or fulfill the specific need.
- The item is available from only one vendor.
- The item is available from more than one vendor, but due to other circumstances (such as exclusive sales territory by manufacturer, prohibitive delivery time and cost, compatibility with existing systems, etc.), only one vendor is suited to provide the goods or services.
- The Department requesting the sole source must document that they have made a reasonable attempt to locate competitive sources by attaching documentation to the requisition.
- The purchase does not need to be submitted for a PO if it is under \$1,500.
- The purchase does not need to be listed as a sole source if it has an existing contract with the City, if it can be entered in as a blanket PO under \$4,999.99, or if it is under \$4,999.99 with the one quote from the vendor.
